CENTRAL RR OF NEW JERSEY (THE) (Controlled by Stock Ownership).—Inc. Feb 22, 1849, in N. J.; consolidation of Somerville & Easton RR, and Elizabethtown & Somerville RR. The Central RR of New Jersey company owns the entire capital stocks of various lines and leases other lines which with its own property constitutes a system extending from Jersey City, N. J., westerly to Wilkes-Barre, Scranton, and the anthracite coal fields, and southerly to the various seashore resorts on the northerly coast of New Jersey and to the Delaware River, reaching, in conjunction with the Reading System, Atlantic City and Cape May. Trains of this company (and of the Pennsylvania RR Co.) are operated over the tracks of the New York & Long Branch RR (all the capital stock of which is owned by the Central Company) under an agreement running for 99 years from Jan 2, 1888, the two companies providing funds for interest on the bonds, 7% dividends on stock, and organization expenses; also for maintenance and operation other than for trains. The results are included in the accounts of the two companies named, but the road is operated independently.

From 1883 to 1887 the Central RR of N. J. was leased to the Philadelphia & Reading RR Co. In 1887 the company was reorganized without foreclosure and the road has since been operated by its own organization. In 1901, the Reading Co. acquired a majority of the capital stock and of June 30, 1916, owned \$14,500,000 of the \$27,436,800 outstanding capital stock.

Interests in Other Companies.—The Central RR Co. of N. J. owns a majority (\$8,489,650) of the \$9,212,500 capital stock of the Lehigh & Wilkes-Barre Coal Co. (see statement in *Industrial Volume*). It also owns the entire \$3,000,000 capital stock of the American Dock & Improvement Co., holding title to very valuable dock and terminal property at Communipaw, N. J.

Order to Divorce Lehigh & Wilkes-Barre Coal Co.—The decree of the U. S. District Court, filed in Philadelphia on Oct 28, 1915, dismissing the suit brought by the Government against the so-called Anthracite Coal Trust held that the union of the Philadelphia & Reading Coal & Iron Co. and the Lehigh & Wilkes-Barre Coal Co. through the instrumentality of the Reading Co., violated the Anti-Trust Act of 1890. The defendants were ordered within 90 days from the entry of the decree, or in case an appeal was taken therefrom to the U. S. Supreme Court, then within 90 days after the filing of the mandate of the Supreme Court affirming the decree of the District Court, to submit a plan for the disposal by the Central RR. Co. of N. J. of all the stocks, bonds or other securities of the Lehigh & Wilkes-Barre Coal Co. owned or in any manner controlled by it, and pending the disposal of the stocks, bonds and securities referred to, the Central RR Co. was enjoined from voting or attempting to vote on any stock of the Lehigh & Wilkes-Barre Coal Co., from collecting or receiving any dividends or interest upon its stock, bonds or other securities, and from exercising or attempting to exercise any control, direction, supervision or influence whatever over its acts. Appeal was taken to the U. S. Supreme Court.

Under the above decree, the Lehigh & Wilkes-Barre Coal Co. was enjoined from paying and the Central RR of New Jersey from accepting any dividends on its holdings of the former company's stock. Two dividends were declared by the Coal company during year ended June 30, 1916, and under the decree the Central RR of New Jersey could not receive its share of these dividends, amounting to \$1,103,655. Upon final adjudication substantially this amount is expected to be received by the company in some form.

ST. LOUIS-SAN FRANCISCO RAILWAY CO.

Incorporated Aug 24, 1916, in Mo., and succeeded, as of Nov 1, 1916, to the properties of the St. Louis & San Francisco RR Co., sold at foreclosure on July 19, 1916, for \$45,700,200, in accordance with the terms of the Plan of Reorganization given below. The sale was confirmed by the Federal District Court at St. Louis on Aug 29, 1916. The St. Louis & San Francisco RR Co. was itself a reorganization in 1896 of the St. Louis & San Francisco Ry Co.—see *Manual* for 1916, *Railroad Volume*, page 1140. The system originally comprised about 1,100 miles of road, but from time to time various other lines were built or absorbed until as of Nov, 1916, the St. Louis-San Francisco Ry Co. operated either directly or through subsidiaries a total of 5,339 miles of road, of which 3,462 miles were owned in fee, 1,672 miles were controlled through ownership of substantially all of the capital stock and 205 miles were operated under trackage rights. The mileage of the system extends from St. Louis into the States of Missouri, Kansas, Arkansas, Oklahoma and Texas. Company controls by stock ownership the Kansas City, Ft. Scott & Memphis Ry Co. through which the system has a direct through route for traffic from Kansas City to Memphis, Tenn., and Birmingham, Ala.

Subsidiary Companies.—The subsidiary or affiliated companies of the St. Louis & San Francisco RR System which have been retained in the St. Louis-San Francisco Ry System are as follows: Birmingham Belt RR, Brownwood North & South RR, Fort Worth & Rio Grande Ry, Kansas City, Ft. Scott & Memphis Ry, Kansas City & Memphis Ry & Bridge Co., Kansas City, Memphis & Birmingham RR, Quanah, Acme & Pacific Ry, St. Louis, San Francisco & Texas Ry. The subsidiary or affiliated companies previously contained in the St. Louis & San Francisco RR System which were eliminated from the system in the reorganization are as follows: Chicago & Eastern Ill. RR and its allied company, the Evansville & Terre Haute RR, New Orleans, Texas & Mexico RR (reorganized as New Orleans, Texas & Mexico Ry), and New Orleans Terminal Co. The New Orleans Terminal Co. had outstanding an issue of bonds guaranteed jointly and severally by the St. Louis & San Francisco RR Co. and the Southern Ry Co.; subsequent to the reorganization of the St. Louis & San Francisco RR Co. a settlement was arrived at by which the reorganized company gave up its stock interest in the New Orleans Terminal Co. and was liberated from its obligations under the guarantee of that company's bonds (see also on a subsequent page).

Plan of Reorganization of the St. Louis & San Francisco RR Co.

The Plan of Reorganization of the St. Louis & San Francisco RR Co. was dated Nov 1, 1915, was made public as of Feb 21, 1916, and was declared operative April 17, 1916. It was drawn up and adopted by (1) The Committee for St. Louis & San Francisco RR Co. Refunding 4% bonds (Frederick Strauss, Chrm.)—see *Manual* for 1916, *Railroad Volume*, page 1142; (2) Speyer & Co., representing holders of St. Louis & San Francisco RR Co. General Lien 5s; (3) L. C. Krauthoff, representing Office National des Valeurs Mobilières, Paris, and le Comité de Defense des porteurs français d'obligations St. Louis & San Francisco RR Co. General Lien 5% Gold bonds, French Series. It was approved by a large majority of the stockholders, more than 98½% of the stock having been deposited up to Dec 19, 1916. Under the plan, J. & W. Seligman & Co. and Speyer & Co. were constituted Reorganization Managers. On June 19, 1916, the Missouri Public Service Commission entered an order authorizing the reorganization of the company through a Missouri corporation. On Nov 1, 1916, the new company entered into formal possession of the property and Nov 8, 1916, was set as the final date for stockholders of the old company to make the payments required of them by the terms of the plan and receive the benefits conferred thereby.

Conditions of Participation in Plan.—Holders of the various securities affected by the plan who had not up to the date of its publication deposited their holdings with the respective depositaries appointed were given the opportunity to deposit them on or before April 3, 1916 (subsequently extended, the last extension for deposit of stock being Jan 16, 1917), and thereby participate in the benefits of the plan. St. Louis & San Francisco RR Co. Refunding Mortgage bonds had to carry the coupon

maturing July 1, 1914, and all subsequent coupons; General Lien 15-20 year 5% Gold bonds to carry the coupon maturing May 1, 1914, and all subsequent coupons. Stockholders in order to participate were required to make a cash payment equivalent to 50% of their holdings, of which \$5 per share was payable at once. By a deposit of stock and by making the necessary payment stockholders were entitled to receive (subject to withdrawal by syndicate at 85% flat for bonds as withdrawn) securities to the amount shown in the table given on a subsequent page.

No holder of stock was entitled to deposit the same under the plan or to receive a certificate of deposit therefor without making at the time of deposit the payment of \$5 per share. At this time any stockholder might, if he chose, pay the entire \$50 required of him and receive therefor a fully paid Subscription Certificate entitling him without further payment to receive his allotment of the securities of the new company and also any further benefits accruing to his stock; in case he only paid the \$5 required at time of deposit he was entitled to receive a Purchase Warrant which entitled him upon payment of \$45 additional to receive all the benefits accruing to his stock; holders of Purchase Warrants who failed to make the balance of the payments within such period as was fixed by the Reorganization Managers forfeited all right of purchase under the plan as well as the deposited stock represented by certificate of deposit and the certificate of deposit became void. Nov 8, 1916, was subsequently named as the final date for making these payments, and failure to do so on that date forfeited all right of holders to participate in the plan. Subsequently a modification was made allowing holders of the remaining undeposited stock, amounting to about 1 1/2% of the total amount, to deposit their stock with the Guaranty Trust Co., New York, until Jan 16, 1917. Holders so depositing were obliged to pay at the time of deposit \$6 for each share deposited and in respect to the deposited stock were entitled to the delivery of Purchase Warrants only and received no right to elect to take fully paid Subscription Certificates nor to receive any of the stock of the recapitalized New Mexico & Arizona Land Co.

Holders of fully paid Subscription Certificates were notified in Dec, 1916, that on surrender of their certificates to the Guaranty Trust Co., New York, on or after Dec 27, 1916, they would be entitled to the delivery of the securities called for by their certificates. Holders of Purchase Warrants who desired to prepay the amounts payable on Feb 1, 1918, and obtain delivery of the Common stock called for by their Purchase Warrants, were notified to make such payment to the Guaranty Trust Co. on or after Dec 27, 1916. The Prior Lien bonds held against Purchase Warrants were sold and were not delivered under the Purchase Warrants, but in lieu of the same, holders were entitled to a cash credit at 85% flat. The net amount, therefore, remaining to be paid by holders of Purchase Warrants in order to obtain delivery of Common stock, was at rate of \$50 in respect of each \$1,000 face amount of Prior Lien bonds specified in Purchase Warrants, viz.: \$2.50 for each share of stock of St. Louis & San Francisco RR Co.

Synopsis of Reorganization Plan.

The plan provided that the various properties of the St. Louis & San Francisco RR Co. should be sold under foreclosure of the Refunding Mortgage or the General Lien Mortgage or both or the general creditors' bill, and a successor company or companies organized.

CASH REQUIREMENTS.

The estimated cash requirements for the carrying out of this plan were \$25,000,000, as follows:	
Equipment trust obligations maturing after July 1, 1916, and prior to July 2, 1917.....	\$1,952,752
\$54,000 Pemiscot RR Co. First Mtge. 6% Gold bonds.....	54,000
\$65,000 Kennett & Osceola RR Co. First Mtge. 6% Gold bonds.....	65,000
\$4,500 Southern Missouri & Arkansas RR Co. First Mtge. 5% Gold bonds.....	4,500
July 1, 1914, Jan 1, 1915, and July 1, 1915 interest on the Refunding Mtge. bonds.....	4,113,420
May 1, 1914, and Nov 1, 1914, interest on General Lien bonds.....	3,469,200
Interest at 6% per annum on foregoing interest installments from date of maturity to date of actual payment, calculated as of July 1, 1916.....	769,167
Cash payments in connection with exchange of underlying bonds.....	310,050
Payments in connection with adjustment of secured debt, judgments and preferred claims (estimated).....	2,000,000
Jan 1, 1916, and July 1, 1916, interest on \$68,763,750 Prior Lien bonds, Series A, deliverable in partial exchange for Refunding bonds and General Lien bonds.....	2,750,550
Commissions to Purchase Syndicate, \$1,000,000; to Loan Syndicate, \$675,000.....	1,675,000
Organization, franchise and other taxes, including stamps.....	1,400,000
Expenses and compensation of committees (\$1,000,000) and Reorganization Managers, legal expenses, etc., \$1,258,000.....	2,258,000
Improvements, additions, new equipment and working capital of new company.....	4,177,761
Total.....	\$25,000,000

It was estimated that on July 1, 1916, the cash in hand, after providing funds for payment of Equipment Trust Obligations maturing up to July 2, 1916, inclusive, of interest on securities paid regularly during the receivership, and of the cost of current improvements, would be not less than \$3,193,000, the greater part of which should be available for the corporate purposes of the new company.

Provision to meet the above cash requirements was made by an assessment of 50% of their holdings on stockholders of the old company, both Pfd. and Com., there being approximately \$50,000,000 of First Pfd., Second Pfd. and Com. stock previously outstanding. In order to provide that the full \$25,000,000 should be available to the new company, a Purchase Syndicate was formed, the managers of which were Speyer & Co., J. & W. Seligman & Co., Guaranty Trust Co. of New York, and Lee, Higginson & Co. This syndicate advanced \$25,000,000 cash and received therefor \$25,000,000 Prior Lien Mortgage bonds, Series "B," of the new company and \$43,180,000 Com. stock of the new company. As a part of the arrangement the Purchase Syndicate was obligated to purchase not over \$5,000,000 additional Prior Lien Mtge. bonds, if so requested by the Reorganization Managers. Depositing stockholders were afterward allowed to participate in this purchase in accordance with the schedule shown on next page.

SECURITIES UNDISTURBED.

The following securities of the St. Louis & San Francisco RR Co. were not affected by the Plan of Reorganization:

- (a) St. Louis & San Francisco Ry Co. General Mortgage 5s and 6s due 1931.
- (b) All equipment trust obligations of St. Louis & San Francisco RR maturing after July 1, 1917.
- (c) All bonds of the Kansas City, Fort Scott & Memphis Ry Co. System.

NEW SECURITIES.

Provision was made for the issue by the new company of (1) Prior Lien Mortgage Gold bonds; (2) Cumulative Adjustment Mortgage Gold bonds; (3) Income Mortgage Gold bonds; (4) Pfd. stock; (5) Com. stock. A description of these new securities is given elsewhere in this statement. They were distributed among security holders of the old company in accordance with the schedule given below. In addition to the securities allotted to stockholders, Pfd. and Com., of the old company, a special arrangement was made with them to the effect that upon the plan becoming operative all the outstanding stock and First Mortgage 6% Gold bonds of the **New Mexico & Arizona Land Co.** should be acquired by the Reorganization Managers. The properties should thereupon be recapitalized at \$1,000,000 (all of which was to be issued) and \$500,000 par of this amount should be distributed among depositing stockholders of the old company of all classes in proportion to the par amount of deposited stock represented by the respective certificates of deposit. This new land company was subsequently formed and the stock distributed in accordance with this arrangement.

DISTRIBUTION OF SECURITIES.

(1) Holders of Refunding Mortgage bonds and General Lien bonds of the old company and 4% Guaranteed Pfd. Stock Trust Co. Certificates issued for Kansas City, Ft. Scott & Memphis Ry Pfd. stock were allotted cash and securities of the new company, as follows:

Securities of old company.	Amount Previously Outstanding.	Cash.	Prior Lien Series "A," 4s.	Received.	
				Cum. Adj. Mtge. 6s, Series "A."	Income Mtge. 6s, Series "A."
Refunding Mtge. 4s...	\$68,557,000	*9%+	75% \$51,417,750	25% \$17,139,250

ADJUSTMENT OF OTHER DEBT.

In connection with the Plan, agreements to the following effect have been made or were to be made with holders of other secured debt of the St. Louis & San Francisco RR Co. System. These arrangements were made with the respective committees representing holders of this debt. The Reorganization Managers undertook to deliver to the committees the allotment of new securities deliverable in respect of the total debt represented by each committee, assuming no responsibility in respect of the distribution of these securities by each committee:

A. \$28,532,000 St. Louis & San Francisco RR Co. New Orleans, Texas & Mexico Division First Mortgage 4½% and 5% Gold bonds (with coupons maturing Sept 1, 1913, and subsequently).

The Reorganization Managers undertook (1) to pay and to deliver (a) \$500,000 in cash; (b) \$500,000 6% Income Mortgage bonds, Series "A," and (c) \$636,800 6% Pfd. stock (trust certificates);

(2) if and to the extent acquired by the Reorganization Managers under the Plan, to cancel (a) the \$480,000 Equipment Notes, Series "A," of the New Orleans, Texas & Mexico RR Co. formerly held under the General Lien Mortgage; and (b) the notes of the New Orleans, Texas & Mexico RR Co. and its indebtedness to St. Louis & San Francisco RR Co. formerly pledged to secure the 2-Year 6% Secured Gold Notes of St. Louis & San Francisco RR Co. and any other indebtedness of the New Orleans, Texas & Mexico RR Co. to St. Louis & San Francisco RR Co. and any indebtedness of the St. Louis, Brownsville & Mexico Ry Co. to St. Louis & San Francisco RR Co. then constituting treasury assets of said railroad company; and, if and to the extent acquired by the

Reorganization Managers under the Plan, to surrender to the reorganized New Orleans, Texas & Mexico Ry Co. for cancellation, \$454,000 New Orleans, Texas & Mexico Division First Mortgage 5% Gold bonds (certificates of deposit) formerly constituting treasury assets (but in part pledged) of the St. Louis & San Francisco RR Co.;

(3) if and to the extent acquired by the Reorganization Managers under the Plan, to transfer to the reorganized New Orleans, Texas & Mexico Ry Co. (a) the securities and stock of San Benito & Rio Grande Valley Ry Co. formerly pledged to secure the 2-Year 6% Secured Gold Notes of St. Louis & San Francisco RR Co. and any other securities and stock of said San Benito & Rio Grande Valley Ry Co. then constituting treasury assets of St. Louis & San Francisco RR Co., and (b) the stock of the New Orleans, Texas & Mexico RR Co. formerly pledged to secure said Notes and any other stock of said Railroad Company then constituting treasury assets of St. Louis & San Francisco RR Co.

The New Company undertook that the Frisco Refrigerator Co should continue to and including Sept 15, 1923, the existing lease to said Refrigerator Company of various refrigerator cars, part of the equipment embraced in the Equipment Trust Agreement of the New Orleans, Texas & Mexico RR Co., dated Sept 15, 1911, and that the installments of rent payable under said lease due or to become due should be promptly paid when due and that all covenants thereof on the part of said Refrigerator Company should be duly performed; an undertaking to be given by the reorganized New Orleans, Texas & Mexico Ry Co., that the equipment embraced in such lease, on the termination of such lease, would be transferred to the New Company or to said Refrigerator Company.

The liability of St. Louis & San Francisco RR Co. was terminated on the outstanding loan of \$200,000 secured by certain terminal properties in New Orleans which were judicially declared to have been purchased with funds of the New Orleans, Texas & Mexico RR Co., and, subject to the payment of such loan, were embraced in the New Orleans, Texas & Mexico Division First Mortgage.

B. \$2,250,000 St. Louis & San Francisco RR Co. 2-Year 5% Secured Gold Notes (with coupon maturing June 1, 1913).

(1) The trust agreement securing the Notes was foreclosed and the pledged securities, all of which are dealt with under the Plan, were made subject to the Plan having been acquired by the Reorganization Managers at auction on Aug 23, 1916, for \$801,989.

(2) The Reorganization Managers undertook to deliver \$834,795 6% Pfd. stock (trust certificates), and \$556,582 Com. stock (trust certificates).

C. \$2,600,000 St. Louis & San Francisco RR Co. 2-Year 6% Secured Gold Notes (with coupons maturing Sept 1, 1913, and subsequently.)

(1) The trust agreement securing the Notes was foreclosed and the securities acquired by the Noteholders' Committee at auction on July 26, 1916, for \$650,000; the pledged securities other than the pledged Pfd. stock of the Kirby Lumber Co. were transferred to the Reorganization Managers.

(2) The Reorganization Managers undertook to pay and to deliver \$270,000 in cash and \$1,350,000 6% Pfd. stock (trust certificates).

D. St. Louis & San Francisco RR Co. Trust Certificates for:

<i>Pfd. Stock of Chicago & Eastern Illinois RR Co.</i>	<i>\$12,153,750</i>
<i>Com. Stock of Chicago & Eastern Illinois RR Co.</i>	<i>16,944,500</i>

(1) The outstanding trust certificates for Chicago & Eastern Illinois RR Co. stock were to be surrendered pursuant to the terms thereof and of the trust agreements securing them, in exchange for the stock of the Chicago & Eastern Illinois RR Co. represented by the trust certificates surrendered.

(2) The Reorganization Managers delivered in respect of Trust Certificates for Chicago & Eastern Illinois RR Co. Pfd. stock so surrendered at the rate for each share of Pfd. stock represented by the surrendered Trust Certificates, \$18.00 6% Pfd. stock (trust certificates) and \$2.50 Com. stock (trust certificates); in respect of Trust Certificates for Chicago & Eastern Illinois RR Co. Com. stock so surrendered, at the rate for each share of Com. stock represented by the surrendered Trust Certificates, \$30.00 6% Pfd. stock (trust certificates) and \$4.25 Com. stock (trust certificates).

E. \$2,880,000 Ozark & Cherokee Central Ry Co. First Mortgage 5% Gold bonds.

(1) These bonds were transferred to the Reorganization Managers.

(2) The Reorganization Managers paid in money one-half of one per cent of the amount of said First Mortgage bonds and had the option either (a) to deliver Prior Lien Mortgage 4% bonds, Series "A," to the amount of 125% of said First Mortgage bonds or, (b) to deliver Prior Lien Mortgage 4% bonds, Series "A," to the amount of 100% of said First Mortgage bonds and to pay in money 20% of the amount of said First Mortgage bonds, in either case interest to be adjusted.

F. \$14,000,000 New Orleans Terminal Co. Guaranteed First Mortgage 4% Gold Bonds.

Guaranteed principal and interest, jointly and severally, by Southern Ry Co. and St. Louis & San Francisco RR Co.

(1) The Southern Ry Co. which has taken over the stock of the Terminal Company formerly held by St. Louis & San Francisco RR Co. released that company, and caused the Terminal Company to release it from all indebtedness or liability previously existing or which may hereafter arise on the various agreements with respect to the properties and stock of the Terminal Company or on said guaranty.

(2) The Reorganization Managers paid and delivered \$116,000 in cash and \$650,000 6% Pfd. stock (trust certificates).

SETTLEMENT WITH GENERAL CREDITORS.

The Reorganization Managers executed a creditors' settlement agreement dated June 1, 1916, in accordance with the orders of the U. S. District Court, and those whose claims were not otherwise dealt with by the plan were permitted to become parties to the settlement agreement by depositing assignments of their claims in form prescribed with Central Trust Co. of New York or with Mississippi Valley Trust Co., St. Louis, on or before Aug 1, 1916. Creditors so depositing received, on the consummation of the reorganization and the final establishment of their claims, in full payment for their claims, trust certificates for stock of the new company, viz.: Stock Trust Certificates for each \$100 claims, exclusive of interest after May 27, 1913—\$50 6% non-cumulative Pfd. stock (trust certificates) and \$50 Com. stock (trust certificates).

CAPITAL STOCK.

Authorized, \$250,000,000 Common and \$200,000,000 6% non-cumulative Pfd.; issued to Jan 1, 1917, \$50,447,000 Com. and \$7,500,000 Pfd.; par, \$100. Of the stock, \$43,180,000 Com. was sold to the Purchase Syndicate constituted under the terms of the reorganization plan of the predecessor company and the balance, both Com. and Pfd., was issued to effect an adjustment in part of the outstanding indebtedness of the predecessor company. Pfd. stock has no preference as to assets. It is issuable in series bearing such rates of non-cumulative dividends not exceeding 7% as may be arranged at the time of issue. It is subject to redemption at par and dividends. No additional mortgage can be placed on the company's property nor can Pfd. stock be increased without the consent of a majority of the outstanding Pfd. Dividends are only payable

in any year from the net income for that year unless for two fiscal years next preceding the full interest shall have been paid on the below-described Adjustment Mortgage and Income Mortgage bonds and no dividends are payable in any year unless full payments to the Adjustment Mortgage and Income Mortgage Reserve Funds provided for under the mortgages shall have been made. Transfer Agent: Guaranty Trust Co., New York. Registrar: Union Trust Co., New York. Com. and Pfd. stock Trust Certificates listed on New York Stock Exchange.

Voting Trust.—Both Com. and Pfd. stocks have been placed in a 5-year Voting Trust, expiring July 1, 1921, the Trustees of which are Frederic W. Allen, James W. Lusk, Charles H. Sabin, James Speyer, Frederick Strauss, Eugene V. R. Thayer and Festus J. Wade.

There are also pledged under the mortgage various St. Louis & San Francisco RR. and associated company bonds acquired in accordance with the reorganization plan, together with certain other issues. Series B bonds were first publicly offered (\$8,516,000) in Nov, 1916, at 90 and interest, yielding over 5.65%. Interest paid without deduction for Normal Income Tax.

(3) \$40,547,818 (of which \$36,797,818 bear interest from July 1, 1915) Adjustment Mortgage Gold 6s, Series "A"; dated July 1, 1916; due July 1, 1955; int. A & O 1, payable out of available net income as defined in the mortgage (calculated to Dec 31 and June 30, next preceding), at Company's office or agency in New York (provision also being made for interest payments in certain European cities at certain fixed rates of exchange). Company is not obligated to pay any interest in any fiscal year unless the available net income for that year be sufficient to pay at least $\frac{1}{4}\%$ and the rate declared shall in every instance be $\frac{1}{4}\%$ or a multiple thereof; the unpaid balance of interest, if any, is cumulative and all arrears of interest are payable at maturity of the principal. Coupon, \$100, \$250, \$500 and \$1,000; principal may be registered. Bankers Trust Co., New York, and Edward F. Swinney, Kansas City, Mo., Trustees. Authorized, \$75,000,000, issuable in series maturing on the same or different dates and subject to whatever other conditions may be determined upon at the time of issue. The above amount was issued in part exchange for securities of the St. Louis & San Francisco RR Co. embraced in the reorganization plan. The unissued bonds are reserved as follows: (1) \$10,000,000 for equipment after Jan 1, 1922, at cumulative rate of \$2,000,000 biennially, for one-third of the cost of equipment purchased; (2) \$10,000,000 for improvements and betterments and for additions other than new mileage constructed or acquired, to be issued after Jan 1, 1922, at cumulative rate of \$2,000,000 biennially, for one-third of cost, and (3) the remaining \$14,452,182 to be issued after Jan 1, 1932, at the cumulative rate of \$3,000,000 annually for that part of cost of improvements and betterments and for additions other than new mileage constructed or acquired, in respect of which Prior Lien bonds shall not be issued. Subject to call as a whole or in part on any Jan or July 1, upon 60 days' notice, at whatever premium may be determined in the case of each particular series at the time of issue, Series A bonds being callable at par and interest. An Adjustment Mortgage Reserve Fund is provided commencing July 1, 1921; the amount which may be reserved in any fiscal year thereafter shall not exceed 15% of the net income for said year, nor in any event \$660,000, and the amounts reserved at any time unpaid shall not exceed, exclusive of interest, \$2,000,000 in the aggregate. A lien on entire property of company, subject to the above Prior Lien bonds and other bonds and equipment trusts left undisturbed in reorganization. Interest paid without deduction for Normal Income Tax.

Interest Declared.—The net income for the fiscal year ended June 30, 1916, having been sufficient to pay in full the interest from July 1, 1915, to June 30, 1916, on both the Adjustment Mortgage bonds and the Income Mortgage bonds, announcement was made that both these issues would carry coupons for fixed interest for the fiscal year ended June 30, 1916, at the rate of 6% per annum. The six months' interest (3%) to Dec 31, 1916, on the Adjustment bonds has been declared payable April 1, 1917.

(4) \$35,192,000 Non-Cumulative Income Gold 6s, Series "A"; dated July 1, 1916 (but bearing interest from July 1, 1915); due July 1, 1960; interest, which is non-cumulative, is payable annually on Oct 1 (calculated to the June 30 next preceding), at company's office or agency in New York, out of the available net income as defined in the mortgage, but only after payment therefrom of the interest due on the Adjustment Mortgage bonds described above. No interest shall be payable unless the net income shall suffice to pay at least $\frac{3}{4}\%$ on the Income bonds and the rate of interest declared payable shall in every instance be $\frac{3}{4}\%$ or a multiple thereof. Coupon, \$100, \$500 and \$1,000; principal may be registered. Union Trust Co., New York, and Jay Herndon Smith, St. Louis, Mo., Trustees. Authorized, \$75,000,000, issuable in series maturing on the same or different dates and subject to whatever other provisions may be determined upon at the time of issue. The above amount was issued in part exchange for securities of the St. Louis & San Francisco RR Co. embraced in the reorganization plan. The unissued bonds are reserved as follows: (1) \$20,000,000 for issue after Jan 1, 1922, at cumulative rate of \$2,000,000 annually, for improvements, betterments, additions and equipment, and (2) the remaining \$19,808,000 for issue after Jan 1, 1932, at the cumulative rate of \$3,000,000 annually, for improvements, betterments, additions and equipment. Subject to call as a whole or in part on any April 1 or Oct 1, at whatever premium may be determined for each particular series at the time of issue, Series A bonds being callable at par and interest for the proportionate part of the current interest period. An Income Mortgage Reserve Fund is provided commencing July 1, 1921; the amount which may be reserved in any fiscal year thereafter shall not exceed 15% of the net income for said year, nor in any event \$660,000, and the amounts reserved at any time unpaid shall not exceed, exclusive of interest, \$2,000,000 in the aggregate. A lien on entire property of the company, subject to the above prior liens and equipment obligations. Interest paid without deduction for Normal Income Tax.

Interest Declared.—See under Adjustment Mortgage bonds above.

BONDED DEBT OF ST. LOUIS & SAN FRANCISCO RR SYSTEM LEFT OUTSTANDING.

(5) \$7,382,400 Kansas City, Fort Scott & Memphis Ry Pfd. Stock Trust Certificates; dated Oct 1, 1901; payable Oct 1, 1921; par, \$100. Issued in exchange for an equal amount of Kansas City, Fort Scott & Memphis Ry Pfd. stock. Dividends of 4% per annum were guaranteed by the St. Louis & San Francisco RR Co., payable quarterly (Jan, etc.) at Bankers Trust Co., New York. Subject to redemption at par and accrued dividends at any time on 30 days' notice.

Note.—The above \$7,382,400 Pfd. Stock Trust Certificates shown as outstanding represent the portion of this issue, \$15,000,000, which had not as of Jan 15, 1917, accepted the terms offered in the plan.

WHITE PASS & YUKON RY CO., LTD. (Independent).—Registered July 30, 1898, under the English Company Act, to acquire the capital of the Pacific & Arctic Ry & Navigation Co., the British Columbia Yukon Ry Co. and the British Yukon Ry Co. In 1901 acquired the 13 steamships and other properties of the Canadian Development Co.; this business has been transferred to the British Yukon Navigation Co., Ltd., incorporated in British Columbia, the equity in the stock of which is owned by the White Pass & Yukon Ry Co., Ltd.; and which operates steamers between White Horse and Dawson City and Caribou and Atlin. Line of road extends from Skaguay, Alaska, to White Horse, B. C., on the Yukon River, 112.25 miles. Gauge, 3 feet.

The White Pass & Yukon Ry Co., Ltd., is a holding company, owning the equity of the ordinary shares and stocks of the four companies operating the rail and river services, subject to rights of the debenture-holders. The combination of these four companies is known as the White Pass & Yukon Route.

Arrangements were concluded in the early part of 1914, putting an end to the rate war in which the local companies were involved during 1913. The American Yukon Navigation Co., whose steamers, plying on the Lower River, connect with the steamers of the White Pass and Yukon Route at Dawson, agreed to purchase the fleet and property of the Northern Navigation Co. and to operate the steamers so acquired in friendly connection with the steamers of the Route. A loan of \$300,000 was made to the American Yukon Navigation Co. to enable that Company to make the initial cash payment on the purchase.

In Aug, 1910, the British Yukon Ry completed an extension of the branch line to the Pueblo copper mine in the White Horse district, a distance of 11 miles, and hauling of ore from the Pueblo mine began. The White Pass & Yukon Ry Co., Ltd., guarantees the 5% bonds of the British Yukon Ry Co. issued in connection with this extension, limited to 16 miles, to the amount of £6,000 per mile.

Payment in Scrip.—The holders of the 5% Debenture stock and of the 6% Debentures met on Jan 13, 1915, and passed resolutions authorizing the Company to pay the interest due Jan 1, 1915, and July 1, 1915, by the issue of scrip, but with a bonus of 1% added thereto. The scrip certificates, which were issued immediately for the full year's interest and bonus, were afterward exchanged for 5% Debenture stock and 6% Debentures (in registered debentures of £7 each), respectively ranking *pari passu* with the existing Debenture stock and Debentures, and carrying interest from June 30, 1915. Further meetings of the holders were held Feb 16, 1916, at which resolutions were passed authorizing the company in respect of each of the years ending June 30, 1916, 1917, and 1918 to pay in 6% Income Debenture Stock as much of the interest as cannot be paid in cash.

Equipment (White Pass & Yukon Route), June 30, 1916.—Locomotives, 13; passenger cars, 17; freight cars—box, 83; stock, 31; flat, 74; dump, 11; caboose, 8; refrigerator, 1; Hart convertible, 1—total, 209. Service cars, 7. River steamers, 20; barges, 15; launches, 2.

Capital Stock and Dividends.—Authorized, £1,700,000; outstanding, £1,375,000; par, £10. Dividends have been paid as follows: 5%, cash, April 22, 1901; and 25% stock dividend Aug, 1901; representing profits appropriated to capital purposes to June 30, 1901; Dec, 1901, 5%; July, 1903, 2½%; 1904, 5%; 1905, 3½%; 1906 to 1908, inclusive, 5% each; 1909, 3%; 1910, 2%; Jan, 1911, 1%; Jan, 1912, 1%; Jan, 1913, 1%; none since.

Debentures.—£582,976 First Mortgage 5% Consolidated Debenture Stock; due Dec 31, 1930; int. payable J & J, in London. Subject to call at 110 at any time after Dec 31, 1920, on 6 months' notice. A sinking fund has been created on a 3% basis for the redemption of this debenture stock at maturity. Authorized and issued, £794,802, of which £211,826 was held in sinking fund as of June 30, 1916. In addition, the sinking fund held on that date £7,943 of the Income Debenture stock and £67,000 5% Branch Line bonds of the British Yukon Ry Co. A specific first charge upon £752,073 bonds of the local companies owning the railway from Skaguay to White Horse, together with their entire capital stocks.

£273,385 6% Mortgage Debentures; due Dec 31, 1930; int. J & J 1, in London. Authorized and issued, £273,440, of which £55 paid off. Subject to call at 105 on any interest date on 6 months' notice. A first lien on the floating equipment and property purchased from the Canadian Development Co.

Notes.—In March, 1914, the company sold £70,000 6% secured notes at 96, of which £28,000 were outstanding Dec 1, 1916. The notes are redeemable by drawings, at par, of not less than £14,000 annually, until by Nov 30, 1918, the whole is repaid. Out of the proceeds the above mentioned loan of \$300,000 was made to the American Yukon Navigation Co.

BOLIVIA RAILWAY (THE) (Controlled by Antofagasta (Chili) & Bolivia Ry).—Inc. Feb 18, 1907, in Conn. Owns perpetual concession from Republic of Bolivia for construction, ownership and operation of system of railways in that country. The original concession was granted under a contract and concession dated May 22, 1906, between the Republic of Bolivia and the National City Bank and Speyer & Co., New

York, and duly assigned to the Bolivia Ry Co. The contract and concession was amended on Nov 27, 1908, so that it now provides for the construction of the following system of lines:

	Kilo.	Miles.
A line of railroad extending from Oruro to Viacha.....	202	125.91
A line extending from some point on the line between Viacha and Oruro to the River Desaguadero (estimated).....	90	56.25
A line extending from Oruro to Cochabamba.....	203	126.14
A line extending from Rio Mulato to the Antofagasta & Bolivia Ry to Potosi..	174	108.12
A line extending from Uyuni to Tupiza (estimated).....	195	121.17
A line extending from La Paz to Puerto Pando (estimated).....	340	212.50
Total.....	1,204	750.09

The Oruro-Viacha line (of one metre gauge) was completed at end of 1908, and provides the only railroad connection between the northern section of Bolivia, including its capital, La Paz, and Oruro, one of the most important centres in Bolivia and the present terminus of the Antofagasta (Chili) & Bolivia Ry, which latter railroad furnishes an outlet to the Pacific Coast through the ports of Antofagasta, Mejillones and Coloso in Chili. In Dec, 1915, about 93 miles of the Oruro-Cochabamba, all of the Rio Mulato-Potosi line and about 56 miles of the Uyuni-Tupiza line, had been opened for provisional traffic.

Equipment, Dec 31, 1915.—Locomotives, 18; passenger cars: First class, 10; second class, 13; dining, 2; composite, 4; baggage and mail, 6; service, 8; kitchen, 2—total, 45; freight and service cars: Flat, 149; open, 50; covered, 177; cattle, 18; convertible, 50; powder, 10; ballast, 50; tank, 14; brake vans, 6; crane, 1; snow plough, 1—total, 526. Total engines and cars, 589.

Contract and Concession with Government of Bolivia.—Under terms of the contract and concession this company is entitled to import, free of customs duty, during a period of 30 years, the materials, equipment, and everything necessary for the construction, maintenance and operation of the railways, and is exempted from all taxes and imports of any nature, whether national, departmental or municipal.

The contract and concession provides for the expenditure by the Company of £5,500,000 in the construction and equipment of the railways, of which sum the Government of Bolivia contributes £2,500,000 in cash, purchasing therefor, at par, a like amount of Second (income) Mortgage bonds. In fulfillment of its obligation the Government of Bolivia deposited £2,500,000 cash with the National City Bank and Speyer & Co., New York, the bankers being authorized to apply these funds to take up for its account the Second (income) Mortgage bonds as they are issued, and under the amendment of Nov 27, 1908, one-half of the fund as it existed on Feb 2, 1909, was transferred to J. Henry Schroeder & Co., of London. The Government of Bolivia has also agreed to pay to the bankers £5,000 monthly to meet its guaranty of interest on the First Mortgage bonds. The Government may suspend these monthly payments when for two successive years net earnings of the railway shall have reached a sum sufficient to cover the service of the First Mortgage bonds guaranteed by the Government. The Government has been making this payment regularly since Jan 1, 1907, as called for by the contract and concession. The bankers are authorized to apply towards the service of the guaranty of the Government all funds on hand on account of the £2,500,000 deposited, the accumulated interest thereon and the sums received on account of the £5,000 monthly payments.

Control and Lease.—The Antofagasta (Chili) & Bolivia Ry Co. owns a controlling interest in the Bolivia Ry and has leased the property for a period of 99 years from Dec 31, 1908, on the following terms: 25% of gross earnings for first five years that any part of the road is operated, 30% for next five years, 35% for following five years and 40% thereafter. The rental is payable semi-annually, Jan 1 and July 1. Under the terms of the lease the Antofagasta Co. also guarantees unconditionally the interest on the Bolivia Ry Co.'s First 5s (see below).

The Antofagasta Co. has also agreed to purchase one-half of the Company's First Mortgage bonds (interest on which is guaranteed by Bolivian Government until maturity), when issued (the Company's bankers having agreed to purchase the other half).

Capital Stock.—Authorized and outstanding, \$10,000,000; par, \$100. A majority of the stock is owned by the Antofagasta (Chili) & Bolivia Ry Co. Secretary of Company acts as Transfer Agent and Registrar.

Bonded Debt.—\$18,225,000 (£3,750,000) First Gold 5s; dated Jan 1, 1907; due Jan 1, 1927; int. J & J 1, at Speyer & Co., New York, at the rate of \$4.86 to the £; also in sterling in London, and in Paris, Berlin, Frankfort, Amsterdam, Lausanne and

Geneva. Coupon, £20, £100 and £200; principal may be registered. Central Trust Co., New York, Trustee. Authorized, £3,750,000, the unissued bonds being issuable at the rate of £37,500 bonds for every £55,000 cash expended. Company is also authorized by the concession to issue £2,000,000 additional First Mortgage bonds with interest not exceeding 6% (but without any guaranty on the part of the Government), to defray expenditures for the completion of the railway, should the stipulated sum of £5,500,000 cash prove insufficient. Subject to call at 105 and interest on any interest date on three months' notice. Guaranteed as to interest by the Government of Bolivia by endorsement on each bond; also guaranteed as to interest by endorsement by Antofagasta (Chili) & Bolivia Ry Co., Ltd. This latter guaranty does not affect the liability of the Government of Bolivia. A first lien on entire property now owned or hereafter acquired. Listed (£1,168,200 bonds of £20 denomination only) on New York Stock Exchange. Of the outstanding amount, one-half is owned by the Antofagasta (Chili) & Bolivia Ry Co.

\$12,150,000 (£2,500,000) Second Income 5s; dated Jan 1, 1907; due Jan 1, 1932. New York Trust Co., Trustee. Authorized, £2,500,000; issuable at the rate of £25,000 in respect to every £55,000 cash expended for construction and equipment of the railway. All owned by Government of Bolivia, which has deposited £2,500,000 in cash to purchase at par the entire authorized amount as and when issued.

BRAZIL RAILWAY COMPANY.

History.—Incorporated Nov 12, 1906, in Me.; domiciled in Brazil, S. A. Company was formed for the purpose of building up and operating a comprehensive railway system in Southern Brazil. It owns large areas of timber and other lands, and controls, through majority stock ownership, the Sorocabana Ry Co., the Compagnie Auxiliare de Chemins de Fer au Bresil, and the Sao Paulo-Rio Grande Ry Co., including the Parana and Thereza-Christina Railways. Also owns 50% of the capital stock of the Madeira-Mamore Ry and has substantial interest in the capital stocks of the Mogyana Ry, the Paulista Ry, and the entire stock of the Southern Brazil Lumber & Colonization Co. The railroads of the Sorocabana Ry, Sao Paulo-Rio Grande Ry, Chemins de Fer au Bresil, and also the lines of the Parana Ry, and the Thereza-Christina Ry, are operated under lease. The Company has also acquired through subsidiary companies an important interest in various Uruguay railways and in the Antofagasta (Chili) & Bolivia Ry Co., Ltd.

The Sorocabana Ry is controlled through ownership of \$7,936,000 of its \$8,000,000 3% Com. stock, all its \$2,000,000 6% Pfd. stock, £825,000 of its 4½% First Debentures and entire issue of £660,000 Second Debentures. The length of completed line is 961 miles, which is operated under lease for the period of the lease granted by the State of Sao Paulo, viz., until June 30, 1967. There remains to be constructed 100 miles of the lines of this company.

Sao Paulo-Rio Grande Ry.—The Brazil Ry Co. owns about 95% of the stock of the Sao Paulo-Rio Grande Ry Co. and operates its system under lease. The system comprises (a) Sao Paulo-Rio Grande Ry, which has 790 miles in operation; (b) Parana Ry, which has 254 miles on operation; this line connects with the Itarare-Rio Uruguay line of the Sao Paulo-Rio Grande Ry at Ponta Grossa and also forms a junction with the San Francisco-Rio Parana line at Rio Negro; (c) concession for a new line from Serinha to Restringa-Secca; (d) Thereza-Christiana Ry, with 74 miles in operation. In addition to the 790 miles in operation, the Sao Paulo-Rio Grande Ry has 55 miles under construction and 1,315 miles remaining to be constructed. This construction is financed by the sale of bonds, which are guaranteed as to interest up to 6% for 30 years by the Federal Government of Brazil to the extent of from 30 to 40 cantos gold per kilometer. The Sao Paulo-Rio Grande Ry transferred to the Brazil Ry Co. its rights over a vast area of land included in the railway concession granted to them by the Federal Government of Brazil. These lands cover an area of about 6,000,000 acres.

Cia Paulista de Vias Ferreas e Fluviais (Paulista Ry), and Cia Mogyana de Estradas de Ferro e Navegacao (Mogyana Rys).—The lines of these two companies extend over practically the whole of the northern portion of the State of Sao Paulo. The Brazil Ry Co. has large holdings in the stocks of both companies, on which dividends of 10% each are paid. These companies have 1,935 miles of road.

The Compagnie Auxiliare de Chemins de Fer au Bresil operates under lease from the Federal Government of Brazil practically the entire railway system in the State of Rio Grande do Sul, having 1,357 miles in operation.

The Madeira-Mamore Ry Co. has constructed, on account of the Federal Government of Brazil, 228 miles of railway around the series of falls and cataracts of the Madeira River. The line connects the navigation of the Amazon and Madeira rivers below the Madeira Falls, with the navigation above the cataracts, thereby providing a convenient route via Manaus and Para for the transport to Europe of the export products of Bolivia. The line is operated under lease from the Federal Government, for 60 years, on favorable terms.

Uruguay Ry.—This road was incorporated July 15, 1912, in Me. and owns stock interests in certain railway companies operating in the Republic of Uruguay, and also has a concession from that Government for a railway line from the Port of La Paloma to Cebollati, 127 miles, upon which construction has been begun, the Government guaranteeing interest at the rate of 3½% to the extent of £5,000 per kilometer. Has also entered into a contract for the construction, on behalf of the Government, of a line between Montevideo and Colonia, 112 miles, and the establishment of a steamer line between Colonia and Buenos Aires; when completed, this line will be leased to the company for a period of 25 years. Has also contracted for the construction of a line from Montevideo to link in with the La Paloma line and proceed thence to a junction with the Brazilian system of railways on the frontier at Artigas. The entire capital stock (\$15,000,000) and First Mortgage 4½% bonds (£1,345,000) are owned by the Brazil Ry Co.

Southern Brazil Lumber & Colonization Co.—Successor, by change of name, Dec. 13, 1911, to the Southern Brazil Lumber Co. The Southern Brazil Lumber Co. was organized by the Brazil Ry Co. to exploit a vast tract of timber lands, constituting a railway concession granted by the Federal Government of Brazil to the Sao Paulo-Rio Grande Ry and by that company transferred to the Brazil Ry Co. The lands comprise about 6,000,000 acres, the greater part of which are located in the States of Parana and Santa Catharina. In addition to these lands the company has acquired on its own account about 561,000 acres of timber land and timber rights on 11,000 additional acres. During 1913, the lumber manufactured at Tres Barras amounted to 27,339,532 ft. and at Calmon to 1,170,092 ft.; the corresponding sales being 10,059,162 ft. and 1,348,793 ft., respectively. The entire capital stock (\$2,500,000 Com. and \$2,000,000 Pfd.) is owned by the Brazil Ry Co.

Receivership.—The U. S. District Court at Portland, Me., on Oct 13, 1914, placed the company (the management assenting), and also its subsidiary, the Madeira-Mamore Ry, in the hands of receivers, on application by Deane Mann of London, who owned \$116,800 of 5½% bonds of the Madeira-Mamore Ry Co., the interest on which, due Oct 1, 1914, guaranteed unconditionally by the Brazil Ry Co., was unpaid. The receivers are W. Cameron Forbes of Dedham, Mass., former Governor-General of the Philippines, for the Brazil Ry Co., and Mr. Forbes and David T. Davis of New York City for the Madeira-Mamore Ry Co. On Dec 18, 1914, Mr. Forbes and Charles E. Perkins, of Burlington, Iowa, were appointed receivers of the Brazil Land, Cattle & Packing Co. and the Uruguay Ry Co., by the Federal Court. A receiver of the assets in England was appointed in Jan, 1915.

Bondholders' Committees.—In view of the receivership and interest defaults made or expected, the following committees were announced in Jan, 1915: Brazil Railway 4½% First Mortgage bonds: William Plender, Chrm.; Herbert Jekyll Aitken, Claud P. Serocold. Depositary, Union of London & Smith's Bank, Ltd., London. Brazil Railway 5% Convertible Debentures: Lord Ritchie of Dundee, Chrm.; Arthur Hackling, Geoffrey Marks, F. Wise. Depositary, Glyn, Mills, Currie & Co., London. Madeira-Mamore Ry First Mortgage bonds: Sir William Haggard, Chrm.; G. Watson, A. M. Hawthorn, Henry A. Vernet. Depositary, London County & Westminster Bank, Ltd., London.

During 1915, the following committees were formed in the interest of Brazil Ry Co. security holders—for Debenture Gold 5s: W. Young, W. Dawson, C. R. Gilliatt, A. Middleton, London; for First Gold 4½s (French Committee): M. M. Guarbe, R. G. Levy with M. le Comte Crabuds as Counsel; for Pfd. shares: J. Gurney Fowler, W. M. Ackworth, H. Ashforth, P. Lacy, W. Sanderson; for 4½% bonds (French Series): Messrs. Blondel, Mercier, Rolland, with Mr. Montel as Counsel; for 6% Notes: Messrs. Bertinot, Bubrujeaud, Locherer, with M. de La Barre as Counsel.

Reorganization.—On Dec 8, 1916, it was announced that W. Cameron Forbes, Receiver of company, James Speyer, Sir Edgar Speyer, Sir William Haggard of London, Eng., Lord Ritchie of Dundee, representatives of the Banque de Paris et des Pays Bas and of the Societe General de Paris, etc., and the Rothchilds of Paris had agreed on a plan of reorganization of company. The plan, it was stated, had been perfected with the collaboration of Percival Farquhar and provides for payment of 20,000,000 francs by French Bankers. There is to be no change made in the amount of securities of company or any of its subsidiaries.

Transfer Agent: Corporation Trust Co., Jersey City, N. J. Registrar: Empire Trust Co., New York. Listed on Baltimore, London and Paris Stock Exchanges.

Dividends on the cumulative Pfd. stock are payable in priority to dividends on the non-cumulative stock. The non-cumulative Pfd. stock is entitled to share *pari passu* with the Com. stock in all surplus dividends, after a dividend of 6% has been paid on the Com. stock. In event of the liquidation of the company the holders of the Pfd. shares are entitled to a preference in any distribution of assets to the extent of the par value of their shares, and in the case of the cumulative Pfd. shares to any dividends accumulated and unpaid thereon. Dividends on both Pfd. stocks at rate of 6% per annum were regularly paid from April, 1910, to 1913, inclusive; Feb, 1914, 1½% on cumulative Pfd. stock; none since on either Pfd. No dividends have been paid on Com.

In May, 1912, the holders of the non-cumulative Pfd. stock received the right to convert their stock into cumulative Pfd. stock, with a cash bonus of 12½%, to provide which a further \$2,000,000 of Com. stock was issued, and is included in amount outstanding as above. The \$8,000,000 unissued Com. stock was reserved for the conversion of £2,000,000 5% Convertible Debentures at any time prior to Aug 1, 1915, on basis of \$150 Debentures for each \$100 Com. share.

RAILROADS CONTROLLED AND AFFILIATED WITH BRAZIL RAILWAY CO.

MADEIRA-MAMORE RY.—Inc. Aug 6, 1907, in Me. (domiciled in Brazil), to build a railroad from Porto Velho to Guajara Mirim, Brazil, 228 miles, which was completed and put in operation Sept 7, 1912. The treaty of Petropolis, made Nov 17, 1903, between Brazil and Bolivia, by which Brazil agreed to construct the Madeira-Mamore line, provided for the building of a branch starting from the terminus in Brazilian territory to the River Beni. This branch is expected to be about 62 miles in length. The concession for this line, which is perpetual, was granted Feb. 1, 1912, by the Government of Bolivia to the Madeira-Mamore Ry Co., with a guaranty of interest at rate of 5% per annum for 25 years on the cost of construction of the line. The company will also receive a land grant. Gauge, 3 ft., 3 $\frac{3}{8}$ in. Rail, steel, 60 lbs. Equipment: Locomotives, 13. Passenger cars, 4; hospital cars, 2; freight cars—flat, 161; box, 86; coal, 13; tank, 5; stock, 2; ballast, 40; service, 3—total, 316. Total engines and cars, 329.

Receivership.—On application of Deane Mann of London, Eng., owner of \$116,800 of the company's 5 $\frac{1}{2}$ % bonds, the U. S. District Court at Portland, Me., on Oct 13, 1914, appointed W. Cameron Forbes of Dedham, Mass., and David T. Davis of New York City, receivers for company. The Oct 1, 1914, and subsequent interest on bonds remains unpaid.

Capital Stock.—Authorized and outstanding, \$10,000,000 Com. and \$1,000,000 Pfd.; par, \$100. The Brazil Ry Co. owns 50% of the Com. and Pfd. stock, the balance being owned by the Port of Para (see statement in *Industrial and Public Utility Volume*). Transfer Agent: Corporation Trust Co., Jersey City, N. J. Registrar: Empire Trust Co., New York. No dividends have ever been paid.

Bonded Debt.—£3,000,000 First Gold 5 $\frac{1}{2}$ s and 6s; dated Oct 1, 1910; due Oct 1, 1970; int. A & O 1, at Bank of Scotland, London, England. Coupon, £20, £100 and £500; principal may be registered. Empire Trust Co., New York, Trustee. Authorized, £3,000,000. Of the bonds outstanding, £1,400,000 are 6s and the remainder 5 $\frac{1}{2}$ s. Sinking fund commenced Oct 1, 1915. The Port of Para guarantees as to principal and interest the £1,000,000 6% bonds and gave holders of such bonds option to convert same on any interest date to and including April 1, 1916, into 6% Participating Pfd. stock of the Port of Para at par. The Brazil Ry Co. guarantees the principal and interest of the £1,600,000 5 $\frac{1}{2}$ s. The latter company on Dec 31, 1913, owned £400,000 of the 6s and £263,500 of the 5 $\frac{1}{2}$ s. Listed on London Stock Exchange. Oct 1, 1914, and subsequent interest unpaid.

CHICAGO & WESTERN INDIANA RR CO.

(Joint Control.)

(See Accompanying Map)

History.—Incorporated June 5, 1879, in Ill., and on Jan 26, 1882, absorbed the South Chicago & Western Indiana RR and Chicago & Western Indiana Belt Ry. The company owns a valuable system of terminal tracks and belt lines, affording entrance into Chicago for all trunk lines. Also owns about 1,260 acres of land, together with passenger and freight depots, terminals, elevators, warehouses, etc., in and about the city of Chicago, including the Dearborn (Polk Street) Union Passenger Terminal. The Belt Line Division, including the Chicago Union Transfer Yards, is leased to the Belt Ry of Chicago under a 50-year exclusive lease dated Nov 1, 1912, such lease calling for the maintenance and operation of the Belt Line Division by and at the expense of the lessee, and the unconditional payment by such lessee of an annual rental of \$867,840, plus taxes on the leased property, also interest on bonds that may hereafter be used for improvements or additions to the Belt Ry. (See appended statement.) The remainder of the property, comprising the station and terminal properties of the railroad, including Dearborn Station and main line tracks leading thereto, are used under 999-year leases, for freight and passenger business, by the following named companies: Chicago & Eastern Illinois RR, Chicago, Indianapolis & Louisville Ry, Erie RR, Grand Trunk Western Ry and Wabash Ry. Each of these companies owns one-fifth of the capital stock of the Chicago & Western Indiana RR Co. In addition to the proprietary companies, the passenger terminals are used, under lease, by the Atchison, Topeka &

Santa Fe Ry. Part of the main line trackage is also used, under lease, by the Elgin, Joliet & Eastern Ry for freight traffic. In addition to their proportionate share of the operating expenses and taxes (paid on a wheelage basis), the railroads leasing the property, pay to the Chicago & Western Indiana RR Co. annual fixed rentals aggregating \$3,405,102. Under the terms of the leases, the fixed rentals will be increased by an amount sufficient to cover additional interest on all bonds that may be issued in the future for additions and improvements.

Enlargement of Joint Lease and Terminal Facilities.—In Feb, 1912, an agreement was made whereby seven additional companies joined with the five roads which had been operating the Belt Ry of Chicago under 999-year leases from the Chicago & Western Indiana RR. The agreement under which the other companies came in called for large improvement in the terminal facilities at Chicago. Additional tracks, clearing yards, etc., have been acquired, including the clearing yard, etc., formerly owned by the Chicago Union Transfer Co., comprising approximately 1,810 acres of land located just outside the city limits of Chicago, having thereon extensive clearing yard tracks and structures (150.57 miles of yard tracks) and represents an actual cash expenditure by the railroad company of approximately \$8,000,000. In addition to the above property, additional tracks, etc., have been constructed and acquired by Chicago & Western Indiana RR and leased by that company to the Belt Ry of Chicago. The railroad companies concerned in the agreement are: Atchison, Topeka & Santa Fe Ry, Chicago, Rock Island & Pacific Ry, Illinois Central RR (including Chicago, Madison & Northern RR), Pennsylvania Company, Chicago, Burlington & Quincy RR, Minneapolis, St. Paul & Sault Ste. Marie Ry, Chesapeake & Ohio Ry of Ind., Grand Trunk Western Ry, Wabash Ry, Erie RR, Chicago, Indianapolis & Louisville Ry and Chicago & Eastern Illinois RR, the last five companies being the old lessees. The existing leases to the trunk lines were readjusted so that the rentals thereunder are now equal to the interest at $4\frac{1}{2}\%$ on \$18,400,000, and 4% on \$996,000, the estimated value of the present Belt Co. properties. The Belt Ry of Chicago has increased its stock from \$1,200,000 to \$2,880,000, each of the lessee companies owing \$240,000.

Line of Road: Dearborn Station, Polk Street, Chicago to Dalton, Ill., 16.96 miles, with branches to Hammond, 10.27 miles; to Cragin, 15.63 miles; to Argo, 3.82 miles; to Elsdon, 1.51 miles, and to South Chicago, 5.31 miles—total, 53.50 miles; second track, 48.68 miles; third track, 16.79 miles; fourth track, 12.37 miles; additional main track, 13.36 miles; sidings, 400.38 miles. Gauge, standard. Rail (steel), 80 lbs.

Equipment, June 30, 1916.—Locomotives, 99. Cars: Passenger, 30; freight—box, 45; ballast, 841; caboose, 40—total, 926; service, 280. Total cars, 1,236. Of this equipment, 72 locomotives and 352 cars are leased to the Belt Ry of Chicago.

Capital Stock.—Authorized and outstanding, \$5,000,000; par, \$100. The stock is held in equal shares by the Grand Trunk Western Ry, Chicago & Eastern Illinois RR, Chicago, Indianapolis & Louisville Ry, Erie RR, and Wabash Ry companies. Dividends have been paid at the rate of not less than 6% per annum, quarterly, Jan, etc., since 1892.

DELAWARE & HUDSON COMPANY (THE).

History.—Incorporated April 23, 1823, under charter of the New York Legislature, as President, Managers and Company of the Delaware & Hudson Canal Company; name changed to present title by Act of the Legislature passed April 28, 1899. The company formerly operated the Delaware & Hudson Canal, from Honesdale, Pa., to Rondout, N. Y., but the canal was abandoned and the cost of this property was charged off in 1898. The old "Gravity" railroad, originally built as a narrow gauge line in 1829 was broadened to the standard gauge, and opened for regular freight and passenger service in Feb. 1900. The following companies have been merged with The Delaware & Hudson Co.; Adirondack Ry, Saratoga to North Creek, N. Y., 56.68 miles, in Nov, 1902; Schenectady & Duaneburgh RR, Schenectady to Duaneburgh Junc., N. Y., 14.15 miles, in Aug, 1903; New York & Canada Ry, Whitehall to Rouses Point, N. Y., 149.35 miles, in May, 1908; Cherry Valley, Sharon & Albany RR, Cobleskill to Cherry Valley, N. Y., 21.04 miles, in July, 1908.

The railroad lines operated by the company extend from Wilkes-Barre, Pa., via Albany and Schenectady to Rouses Point, N. Y., on the Canadian Line, with branches to Binghamton, Troy, Lake Placid, N. Y., Rutland, Vt., and other points, a total of 909.07 miles, of which 345.19 miles are owned in fee, and 459.70 miles are leased or controlled through stock ownership.

Allied Steam Railways.—The Delaware & Hudson Co. owns the entire capital stocks of the following companies, which are operated independently by their own organizations: Quebec, Montreal & Southern Ry Co.; Napierville Junction Ry Co.; Greenwich & Johnsonville Ry Co., and Schoharie Valley Ry Co., also one-half of the capital stock of the Wilkes-Barre Connecting RR Co.

Electric Properties.—The Delaware & Hudson Co. owns the entire capital stock of the United Traction Co., operating electric lines in Albany, Rensselaer, Troy, Watervliet, Cohoes, Waterford, etc., N. Y., embracing a total mileage of 110.71 miles, of which 91.86 miles are owned. The United Traction Co. owns all bonds and stocks of the following electric lines aggregating 9.79 miles, which it also operates: Cohoes Ry Co. and the Capitol Ry Co. It also owns 71% of the stock of the Waterford & Cohoes RR Co., which owns 2.22 miles of electric line. The United Traction Co. owns over 95% of the bonds and stocks of the Hudson Valley Ry Co., operating line of electric railway extending from Waterford to Warrensburgh, N. Y., and Glens Falls to

Mechanicville, N. Y., embracing a total mileage of 139.28 miles, of which 126.81 miles are owned. The Delaware & Hudson Co. owns one-half of the capital stock of the Schenectady Ry, operating 137.99 miles of electric lines in the Counties of Schenectady, Albany and Saratoga, N. Y., of which 112.68 miles are owned; the entire bonds and stocks of the Troy & New England Ry Co., owning and operating 9.15 miles of electric lines in the County of Rensselaer, N. Y., and the entire capital stock of the Plattsburgh Traction Co., owning and operating 7.16 miles of electric railroad in Plattsburgh, N. Y. and vicinity.

Steamboat Lines.—The Delaware & Hudson Co. and the Rensselaer & Saratoga RR Co. own all the stock of the Champlain Transportation Co., operating a steamboat line on Lake Champlain, N. Y. The Champlain Transportation Co. owns all the stock of the Lake George Steamboat Co., operating a steamboat line on Lake George, N. Y. In a proceeding brought under the provisions of the Panama Canal Act, the Interstate Commerce Commission authorized in July, 1916, The Delaware & Hudson Co. to retain control of the Champlain Transportation Co.

Coal Lands.—The Delaware & Hudson Co. is one of the large miners and carriers of anthracite coal. All of the coal produced from the mines belonging to this company is sold at the pit mouth to the Hudson Coal Co.

Sinking Fund.—A sinking fund, created May 9, 1899, amended May 10, 1910, requires not less than 5 cents per ton on coal mined to be charged against the yearly net profits and applied towards defraying the cost to the company of acquiring additional coal lands, or to the acquisition of other property needed in the company's business, or to other capital purposes. In accordance with these requirements, there was accumulated in the coal department sinking fund \$4,924,276 during the period 1900 to 1915, which amount has been applied to the purchase and retirement in part of the company's capital stock and in part to the purchase of coal lands in the Wyoming and Schuylkill Regions.

RAILROADS LEASED BY THE DELAWARE & HUDSON CO.

ALBANY & SUSQUEHANNA RR (Operated under Lease).—Inc. April 19, 1851, in N. Y.; road completed in Jan. 1869. Leased to The Delaware & Hudson Co. from Feb. 24, 1870, for term of charter (150 years), rental being interest on bonds, and dividends on stock at rate of 7% per annum until July, 1902, and at 9% per annum thereafter. During the life of the present mortgage bonds, maturing in 1946, the lease, as finally construed by the United States Courts, provides that, after payment of all expenses, interest on bonds and a guaranty of 9% dividends upon the stock, there should be an annual additional payment of \$120,750 to the Susquehanna corporation, equal to 3.45% on Susquehanna stock, which is available for dividends. Line of road: Albany to Binghamton, N. Y., 142.59 miles; second track, 35.33 miles; sidings, etc., 155.48 miles. Gauge, standard.

Capital Stock.—Authorized and outstanding, \$3,500,000; par, \$100. Dividends, 9% per annum, semi-annually, J & J 1, at D. & H. office, New York, where also stocks and bonds are transferred and registered. A special dividend of 30% was paid on Nov. 15, 1909, from the sum received from The Delaware & Hudson Co. under the judgment awarded against that company for interest saved by refunding of bonds; an extra dividend of 3½% was also paid Jan. 6, 1917. See also above for additional payment on stock. Listed on N. Y. Stock Exchange.

Bonded Debt.—\$10,000,000 First Gold 3½% dated April 1, 1906; due April 1, 1946; int. A & O 1, at office of Delaware & Hudson Co., New York. Coupon (principal may be registered), \$1,000; and registered, \$5,000. U. S. Mortgage & Trust Co., New York, Trustee. Convertible into stock of the Delaware & Hudson Co., until April 1, 1916, on the basis of \$500 in stock for each \$1,000 bond. Up to Jan. 1, 1916, \$3,556,000 of the bonds had been converted. Issued to redeem \$3,000,000 7% and \$7,000,000 6% First Mortgage bonds, due April 1, 1906. A first lien on property of company. Guaranteed, principal and interest, by endorsement by The Delaware & Hudson Co. Listed on New York Stock Exchange. First offered in June, 1905, to stockholders of the Delaware & Hudson Co. for subscription at par. Interest paid without deduction for Normal Income Tax.

General Balance Sheet, June 30, 1916.—Capital stock, \$3,500,000; bonded debt, \$10,000,000; other liabilities, \$861; profit and loss, \$755,164—total, \$14,256,025. Contra: Road and equipment, \$14,200,767; bonds owned, \$45,490; cash on hand, \$7,236; other assets, \$2,532—total, \$14,256,025.

DELAWARE, LACKAWANNA & WESTERN RAILROAD CO.

History.—Incorporated March 19, 1849, in Pa., as the Ligetts Gap RR, by special Act of the Pennsylvania Legislature; name changed to Lackawanna & Western RR by special Act of the Legislature, approved April 14, 1851. A consolidation with the Delaware & Cobbs Gap RR and change of title to the Delaware, Lackawanna & Western RR were effected April 30, 1853, under special Act of the Legislature, approved March 11, 1853. The Keyser Valley RR was absorbed on Dec 27, 1865; the Nanticoke Coal & Iron Co. Aug 12, 1870, and the Lackawanna & Bloomsburg RR on June 17, 1873. In 1905, a controlling interest was acquired in the Harlem Transfer Co., owning valuable terminals on the Harlem River, New York, and in April, 1906, the properties of the Brooklyn Dock & Terminal Co., and the Brooklyn Warehouse & Dry Dock Co., were acquired, comprising dry docks, slips, bridges, warehouses, etc. In 1909, the Bangor & Portland Ry, 38.38 miles, and the Hanover & Newport RR, 6.81 miles, were absorbed. Effective Oct 1, 1912, the Syracuse, Binghamton & New York RR was leased in perpetuity to the Delaware, Lackawanna & Western RR at a rental of 12% per annum on the stock. On Jan 13, 1913, the stockholders of the Erie & Central New York RR Co., voted to lease the road to the Delaware, Lackawanna & Western RR Co. from July 1, 1913, for the full term of its corporate existence.

Under its charter, the company is specifically empowered to own coal lands, and to mine, purchase, transport and engage in the merchandising of coal. It owns in fee simple valuable anthracite coal lands located in Lackawanna and Luzerne counties, Pa. These lands were estimated in 1904 to contain 400,000,000 tons of unmined coal.

Segregation of Coal Properties.—In conformity with the decision rendered by the United States Supreme Court that railroad companies cannot lawfully transport in inter-state commerce coal owned by themselves, the sales division of the coal department of the Delaware, Lackawanna & Western RR Co. was discontinued Aug 1, 1909, and a coal selling company was organized under the title of the Delaware, Lackawanna & Western Coal Co., under the laws of New Jersey. A contract was entered into with that company whereby the railroad company agreed to sell its coal on board cars at the mines on the same basis as generally prevails in the anthracite region, or what is known as the 65% basis of tidewater prices; and also to sell and turn over all stocks of coal along its lines and on western docks, and to lease its trestles, to the Coal Company. For statement of this company see *Industrial Volume*.

Decision.—In a suit brought by the U. S. Government against the Delaware, Lackawanna & Western RR, for alleged violation of the Hepburn Act, the United States Supreme Court handed down a decision on June 21, 1915, in which it held that the Railroad's relationship with the Delaware, Lackawanna & Western Coal Co. was in violation of the commodity clause and the contract between the companies constituted a monopoly, and a decree was entered enjoining the Railroad company from further transportation of coal under its contract with the Coal Company.

New Contract.—Steps were taken to comply promptly with the decision of the U. S. Supreme Court, in the above suit brought by the Government. The board authorized the officers to execute a new contract which should conform to all matters questioned by the Supreme Court as either illegal or objectionable. The only directors of the Coal Company who were directors of the Railroad, W. H. Truesdale and G. F. Baker, Jr., resigned from the board, and C. D. Norton and T. J. Mumford were elected in their stead. The new contract does not, it is understood, deny the Coal Company the privilege of buying coal from producers other than the D., L. & W. RR. The latter will continue to sell to the Coal Company all of its output, except what it must use to run its engines, but the price will be fixed and the 65% clause of the old contract, under which the Coal Company paid the Railroad 65% of the prevailing tidewater price for all the coal it took, eliminated.

Coal Production.—The tonnage produced in 1915 from the collieries and washeries owned by the company was 8,765,247 tons, compared with 9,050,076 tons in 1914.

New York & Hoboken Ferry Co.—The Delaware, Lackawanna & Western RR owns the entire \$3,300,000 capital stock of this company, operating ferry services between New York and Hoboken, N. J. (See statement for this company in *Public Utility Volume*).

Lackawanna RR Co. of N. J.—The line of railway built by this company was completed and put in service Dec 24, 1911, and was leased in perpetuity to the Delaware, Lackawanna & Western RR at a rental of 4% per annum on the stock. The capital stock of the company which the Delaware, Lackawanna & Western RR held in its treasury was distributed pro rata to its stockholders as a dividend of 35% on their holdings.

New Cut-Off.—The company formally opened on Nov 6, 1915, its new 39.6 mile cut-off, between Clark's Summit and Hallstead, Pa., which reduces the length of the main line 3.6 miles, and by cutting down grades and curves permits a saving of 20 minutes in the time of passenger trains and an hour in the time of every freight train, besides reducing the number of engines required to haul heavy freight trains up the heavy grades between Scranton and Binghamton from five to two. The improvement, it is stated, has cost \$12,000,000. The Tunkhannock viaduct, 2,375 feet long and 240 feet high, is one feature of this cut-off, being a concrete structure and by far the largest of its kind in the world.

Lease Decision.—Justice Giegerich in the New York Supreme Court on Nov 16, 1916, handed down a decision which, unless reversed, will require the Delaware, Lackawanna & Western RR Co. to give up or modify the lease under which it has been operating the Syracuse, Binghamton & New York RR Co.'s property. The lease is held to be unfair to the latter company.

Litigation and Committee.—See Morris & Essex RR.

MORRIS & ESSEX EXTENSION RR (Operated under Agreement).—Inc. in May, 1889, in N. J.; road opened in September of same year. Line of road, in city of Paterson, N. J., 1.87 miles; sidings, 7.95 miles. Operated by D. L. & W. RR Co. as lessee of Morris & Essex RR, under agreement dated May 6, 1889, to pay annually dividends of 4% on the \$221,000 capital stock (par, \$100), of which it owns \$42,300. Dividends payable semi-annually, M & N, at 90 West St., New York.

Officers: W. H. Truesdale, Pres.; E. E. Loomis, V-P; A. D. Chambers, Sec. & Treas., New York.
General office, 90 West St., New York.

MORRIS & ESSEX RR (Operated under Lease).—Inc. Jan 29, 1835, in N. J.; main line completed in 1866. Leased Dec 10, 1868 in perpetuity to D. L. & W. RR Co. at rental of interest on bonds and 7% on stock; the lessee assuming all liabilities of this company. Line of road: Hoboken to Phillipsburg, N. J., 84.56 miles; West End, N. J., to Denville, N. J., 34.43 miles—total, 118.99 miles; second track, 101.92 miles; third track, 15.98 miles; fourth track, 9.21 miles; sidings, 233.52 miles. Gauge, standard. Rail (steel), 80 to 141 lbs. Equipment: Locomotives, 113; passenger cars, 337; freight and other cars, 3,215.

Suit.—A suit was begun April 24, 1915, at the Chancery Court of N. J. in the name of the American Insurance Co. of N. Y., Chas. B. Savage and Anna B. Savage, holders of 5,148 shares of Morris & Essex RR stock, for an accounting by the Delaware, Lackawanna & Western RR Co., the lessee, and the payment of a large amount in dividends claimed to be due on the \$15,000,000 stock over the 7% rate heretofore paid. Vice-Chancellor Howell of N. J., on Oct 5, 1915, signed an order admitting 500 additional stockholders of the Co. as co-complainants in the above suit. It is stated that the complainants now represent about 25% of the entire \$15,000,000 capital stock. Final hearing of the suit began before Vice-Chancellor Howell at Newark, N. J., on Feb 7, 1916.

Counter Suit.—The Delaware, Lackawanna & Western RR Co. on May 19, 1916, brought suit in the New Jersey Court of Chancery at Trenton on an accounting with the Morris & Essex RR as to monies expended by the former for payment of bonds and the making of improvements on the Morris & Essex RR, reimbursement for which had been refused. This is a counter suit to that brought on April 24, 1915, by shareholders of the Morris & Essex RR against the Delaware, Lackawanna & Western RR to require an accounting and to compel payment of \$1,500,000 alleged to be due as additional dividends.

Stockholders' Protective Committee.—In April, 1915, a stockholders' committee was formed, consisting of Geo. C. Van Tuyl, Jr., Chrm.; Philemon L. Hoadley, Edward Milligan and A. N. Williams, with James F. McNamara, Sec., 49 Wall St., New York, the Metropolitan Trust Co., New York, depository, with agents in various cities, and Pitney, Hardin & Skinner, Newark, N. J., and Joline, Larkin & Rathbone, New York, as counsel. Stockholders were asked to deposit their stock and also to for-

ward to the committee proxies for use at the annual meeting to be held on June 30, 1915, in order to make an effort to secure the election of directors favorable to the Company's interests as opposed to those of the Delaware, Lackawanna & Western RR. The stockholders' committee claimed that the dividend rate should be 8%, instead of 7% as heretofore. Various circulars have been issued by this committee, which have been answered by the Delaware, Lackawanna & Western RR.

The above committee in Aug, 1915, asked all those who desired to participate in the benefits of any proceedings taken by the committee to contribute \$1 for each share of stock held by them respectively.

Capital Stock.—Authorized and outstanding, \$15,000,000; par, \$50. Stock transferred at D., L. & W. office, New York. Registrar: Farmers' Loan & Trust Co., New York. Dividends: 7% per annum, paid semi-annually, Jan & July, at 90 West St., New York. Listed on New York Stock Exchange.

ERIE RAILROAD COMPANY

History.—Incorporated Nov 14, 1895, in N. Y., and on Dec 1, 1895, succeeded to the properties of the New York, Lake Erie & Western RR Co., sold under foreclosure on Nov 6, 1895, of its Second Consolidated Mortgage. Under the reorganization plan the company acquired the ownership in fee, or by control of all or a majority of stock, of practically all its subsidiary roads, including the Chicago & Erie RR and the Nypano RR. In pursuance of the policy to vest the reorganized company with the direct ownership of the several properties acquired, the Buffalo & Southwestern RR was merged into it on Nov 19, 1895, and the Erie International Ry and the Lockport & Buffalo Ry on Nov 27, 1895. The Buffalo, New York & Erie RR and the Suspension Bridge & Erie Junction RR were formally absorbed, as of June 11, 1906, and in 1915 the Erie & Jersey RR and the Genesee River RR were merged.

The Columbus & Erie RR, a low-grade line between Niobe, N. Y., and Columbus, Pa., was completed and put in operation on Dec 31, 1908. The low-grade line constructed under the charter of the Genesee River RR, between Hunts and Cuba, N. Y., together with the improvement of the existing line between Hornell and Hunts, was completed and placed in operation on Oct 1, 1910. The construction of the open cut through Bergen Hill by the Penhorn Creek RR, connecting the lines west of the old tunnel with the existing tracks east of the tunnel at Jersey City was completed and the line opened for traffic on June 12, 1910. This open cut furnishes access to the Jersey City station through the medium of six main tracks, both east and west of the open cut.

The System comprises a trunk line from Jersey City to Chicago, 998 miles, with branches to Buffalo and Rochester, N. Y., to Cleveland and Dayton, O., and intervening points. The New York, Susquehanna & Western RR, operating 225 miles of road, is controlled through ownership of over 97% of its outstanding stock; the New Jersey & New York RR, 48 miles, and the Bath & Hammondsport RR, 10 miles, are controlled through majority stock ownership.

Coal Properties.—The company controls directly coal properties aggregating 12,400 acres of anthracite and 67,000 acres of bituminous lands, of which 9,000 acres of anthracite and approximately 53,000 acres of bituminous are held in fee. In addition, it owns \$4,910,600 of the \$5,000,000 capital stock of the Pennsylvania Coal Co., holding extensive coal lands at Pittston, Avoca, Old Forge and Dunmore, Pa.

Steamship Lines.—The Interstate Commerce Commission on June 9, 1915, granted the application permitting the company to continue its ownership of the Lake Keuka Navigation Co., which operates four boats serving ports located on Lake Keuka, N. Y., and then connects with the Bath & Hammondsport RR, a subsidiary of the Erie RR. In compliance with an order of the Interstate Commerce Commission, the company in 1915 divested itself by sale of its fleet of eight lake steamers at a price somewhat in advance of the appraised value.

Joint Operations.—The single-track railroads of the Erie and the Cleveland, Cincinnati, Chicago & St. Louis Ry parallel each other between Galion and Marion, O., a distance of about 20 miles. Under agreement made in June, 1901, this section is operated jointly by the two companies as a double-track railroad. A similar arrangement is in effect with the Cincinnati, Bluffton & Chicago RR, covering the operation of the line between Huntington and Uniondale, Ind., a distance of about 14.5 miles.

The bonds are, therefore, virtually a first collateral lien on over 500 miles of road, including the main line from Salamanca, N. Y., to Dayton, O., and a general lien, subject to the prior mortgages, on other 1,150 miles of road. They are, in addition, a first lien on a number of valuable coal and iron properties, not including the Pennsylvania Coal Co. properties, and, subject to outstanding liens, are a mortgage upon important terminals and water lines at Jersey City, Buffalo, etc., etc. The bonds have voting power at the rate of ten votes for each \$1,000 bond. Listed on New York Stock Exchange.

(10) \$52,724,000 Erie RR First Consolidated General Lien Gold 4s; dated Dec 10, 1895; due Jan 1, 1996; int. J & J 1, at company's office, New York. Coupon (principal may be registered), \$1,000; and registered, \$500, \$1,000, \$5,000 and \$10,000. Farmers' Loan & Trust Co., New York, Trustee. Authorized, \$140,000,000; issued, \$52,724,000,

of which \$16,839,000 were pledged as collateral for notes on Dec 31, 1915. Of the unissued bonds, a sufficient amount is reserved for the retirement of all the underlying liens, and \$4,000,000 are available for new construction at not exceeding \$1,000,000 per annum. Secured on the same properties and by the same mortgage as the Prior Lien bonds, but subject thereto, and having similar voting power to that issue. Listed on New York Stock Exchange.

Additional Bonds Authorized.—The New York Public Service Comm. in Sept, 1916, authorized the company to issue \$2,380,000 of above First Consolidated General Lien 4s, to be sold at not less than 70, the proceeds to be used to retire a like amount of 7% bonds of the Buffalo, New York & Erie RR Co. which matured on June 1, 1916.

(11) \$250,000 Newburgh & New York RR First Gold 5s; dated Aug 1, 1868; due Jan 1, 1929; int. J & J 1, at J. P. Morgan & Co., New York. Coupon, \$1,000; principal may be registered. These bonds were issued in 1868 as currency bonds; they were extended in 1889 to Jan 1, 1929, interest being reduced from 7% to 5%, and principal and interest made payable in gold. Assumed by Erie RR Co., and provided for in the First Consolidated General Lien Mortgage. A first lien on line from Arden Junc. to Vails Gate Junc., N. Y., 12.64 miles.

(12) \$2,380,000 Buffalo, New York & Erie RR First 7s; dated June 1, 1876; matured and paid off June 1, 1916.

(13) \$1,500,000 Buffalo & Southwestern RR First Gold 5s; dated Dec 17, 1877; due July 1, 1908, but extended to July 1, 1918 (interest reduced from 6%), without impairment of lien; int. Series "D" bonds were issued in Jan, 1916, and the proceeds thereof were used as to \$10,000,000 to retire that amount of notes which matured April 1, 1916, for various improvements and to provide in part for the retirement of an issue of \$13,280,000 notes maturing April 1, 1917. Of the \$19,627,130 Series "D" bonds, \$10,000,000 were previously known as Series "C," were convertible into Com. stock at \$66.2-3 per share between April 1, 1905 and April 1, 1915; these Series "C" bonds had been pledged as collateral for an issue of 5% notes which matured and were paid off on April 1, 1916. This collateral was thereupon released and the serial designation changed from "C" to "D" and the time and the terms of conversion into Com. stock altered as described. The unissued bonds may be issued from time to time, and may be made convertible into Com. stock at a price to be fixed when the bonds are issued, but not less than \$41 $\frac{5}{8}$ per share. This mortgage is a lien, subject to prior liens, on the Erie RR system comprising about 2,200 miles of line, being a direct lien on 800 miles, including the main line from the Hudson River to its junction with the Nypano RR at Salamanca and to Buffalo, and a lien on the company's rights by stock ownership, leasehold and otherwise in the rest of the system covered by the mortgage, including its lines to Chicago, Cleveland, Youngstown, etc. It is also a first lien on the entire capital stock of the Penhorn Creek RR Co., which owns the four-track cut through Bergen Hill, west of Jersey City. Subject to the prior lien of the Pennsylvania Collateral Indenture this mortgage is also a lien on the entire capital stock of the Pennsylvania Coal Co., the Erie & Wyoming Valley RR Co., and on 51% of the capital stock of the New York, Susquehanna & Western RR Co. Listed on New York Stock Exchange. Stockholders of record March 23, 1916, and holders of Series "B" bonds were offered the right to subscribe at 85 and interest for \$19,627,130 Series "D" bonds—stockholders to the amount of 10% of the par value of their holdings and bondholders to the extent of 16.2-3% of the principal amount of their Series "B" bonds.

Note.—To Dec 31, 1915, there had been issued only \$32,000,000 of the above issue of bonds, but the description has been brought up to date showing bonds issued since that date, etc.

NEW REFUNDING & IMPROVEMENT MORTGAGE.

The stockholders at special meeting on Dec 1, 1916, authorized a New Refunding & Improvement Mortgage, limited to \$500,000,000, such action superseding the authorization on Oct 13, 1914, of a Refunding & Improvement Mortgage limited to three times the amount of capital stock at any time outstanding. The new bonds are to be issuable in series, each series to be dated on or after Dec 1, 1916, to bear such rate of interest, to mature on such date or dates as shall be stated in the mortgage, not later than Dec. 1, 2000. The new mortgage will cover all the company's railroads, property and franchises and will make provision for the payment of all prior or underlying mortgage bonds (of which \$31,531,500 will mature prior to 1922), and of the equipment trust obligations payable in varying amounts from year to year, and also for obtaining moneys from time to time, for additions, betterments, etc.

ADDITIONS AND BETTERMENTS, YEAR ENDED DEC 31, 1915.

The Capital Account Additions and Betterments for the year ended Dec 31, 1915, was charged with \$423,667, representing a portion of the expenditures for additions and betterments made to the property; Capital Account was also charged during the year with \$1,521,016 for additional equipment; there was appropriated from Income for additions and betterments (including equipment) during the year the (net) amount of \$1,383,754—a total of \$3,328,437.

GRAND TRUNK RAILWAY CO. OF CANADA

(See Accompanying Map)

History.—Incorporated by Special Act of the Canadian Parliament in 1852; on Nov. 10, 1882, the Great Western Ry Co was consolidated. The company thus formed absorbed the Midland Ry of Canada on Jan 1, 1884, the Northern Ry of Canada and its leased line, the Hamilton & Northwestern Ry, on Jan 24, 1888, and the Northern & Pacific Junction Ry and various other subsidiary lines in 1892 and 1893. In Jan, 1905, control of the Canada Atlantic Ry was acquired through acquisition of practically its entire capital stock and on July 1, 1914, it was merged with the Grand Trunk Ry Co. The system comprises a trunk line from Portland, Me., and Quebec, via Montreal, to Chicago, with branches to Buffalo, Detroit, Muskegon, Grand Haven, etc.

Controlled Companies.—The Grand Trunk Ry Co. owns the entire capital stocks of the Detroit, Grand Haven & Milwaukee Ry, the Grand Trunk Western Ry, Michigan Air Line Ry and the Toledo, Saginaw & Muskegon Ry; \$2,191,100 of the \$3,000,000 capital stock of the Central Vermont Ry Co., and \$218,925 of the \$230,000 stock of the United States & Canada RR. The Cincinnati, Saginaw & Mackinaw RR is operated under lease until Jan 1, 2000, and the Chicago, Detroit & Canada Grand Trunk Junction RR under agreement to pay interest on bonds and dividends of 4% on stock. Statements of controlled and leased companies will be found on subsequent pages.

Grand Trunk Western Ry.—Under provisions of "The Grand Trunk Act, 1911," the Grand Trunk Ry Co. is authorized to guarantee principal and interest of First Mortgage 50-year 4% bonds to be issued by Grand Trunk Western Ry Co., to an amount not exceeding \$30,000,000, provided that to the extent necessary the proceeds of such bonds shall be utilized in the payment, or redemption, of any outstanding bonds (and any overdue coupons) of the Grand Trunk Western Ry and guaranteed by the Grand Trunk Ry Co. under a former Act of Parliament.

Grand Trunk Pacific Ry.—In Oct, 1903, this company was chartered by the Canadian Legislature to build a western extension of the Grand Trunk Ry system, to extend about 3,200 miles westerly to Prince Rupert on the Pacific Coast, about 350 miles north of Vancouver. It is proposed to work this line, which is being built jointly by the Canadian Government and the Grand Trunk Pacific Ry Co., in connection with the Grand Trunk Ry Co., which latter company owns \$25,000,000 of the \$45,000,000 capital stock, and guarantees certain of the bond issues. On June 30, 1916, there had been completed 1,745 miles of main line from Winnipeg, Man., to Prince Rupert, B. C.; branches, 1,491 miles—total, 3,236 miles.

Grand Trunk Pacific Branch Lines.—Incorporated in 1906 by Act of the Canadian Parliament, with power to construct approximately 4,800 miles of branch lines, connecting with the lines of the Grand Trunk Pacific Ry, which has been increased by subsequent amendments to the Act to a total mileage of about 8,000 miles.

Southern New England RR Corporation.—Inc. in 1910, in Mass. as the Southern New England RR Corp. and in R. I. as the Southern New England Ry Co., to build a line from Palmer, Mass., on the New London Northern RR to Providence, R. I., giving the Central Vermont Ry (controlled by the Grand Trunk Ry Co.) a through line from Montreal to Providence. It is planned to construct an extensive dock system at Providence. Authorized capital stock of the Southern New England RR Corp. is \$3,000,000, of which \$1,171,200 is outstanding, and the authorized issue of bonds is \$6,000,000. In Nov, 1913, active construction of the line was resumed, after several months' suspension of the work. In Jan, 1916, the Mass. Committee on RRs heard a petition to extend the time to Dec 31, 1918, within which the Southern New England RR Corp. shall complete and operate its lines in Massachusetts. It is stated that up to Jan 31, 1916, the road had spent \$3,618,390 in Massachusetts and \$2,446,390 in Rhode Island on construction.

The Rhode Island Legislature early in 1914 passed a bill permitting the lease of the Southern New England Ry, either before or after its consolidation with the Southern New England RR Corp. of Mass., for a term not to exceed 99 years, on terms to be approved by the Public Utilities Commission. Edw. C. Smith is president of the two corporations.

Two suits were filed in the Superior Court at Springfield, Mass., on Nov 27, 1916, by John Marsch, of Chicago, in actions to recover the balance, the plaintiff alleges is due him for construction of 58 miles of road between Palmer, Mass., and the Rhode Island line. One suit is for \$3,000,000 against the Southern New England RR Corp., and the other is for a similar sum against the Southern New England RR Corp., Central Vermont Ry and Grand Trunk Ry of Canada.

AND CONNECTIONS
MOODY MANUAL CO., N.Y. AND CONNECTIONS

Ottawa Terminals Ry Co.—Inc. in 1909, to construct a new station, terminals and hotel at Ottawa. The company will have as tenants and part users the Canadian Pacific, Canadian Northern and New York & Ottawa Ry (N. Y. Central system). Capital stock, \$250,000, all owned by the Grand Trunk Ry Co. Bonds authorized, \$6,000,000.

Lachine, Jacques Cartier & Maisonneuve Ry.—Inc. in 1909, to build a line which will form a necessary addition to the Grand Trunk Ry Co.'s facilities for dealing with its rapidly growing business at Montreal. Estimated cost of completed line, \$1,884,501.

Grand Trunk Pacific Terminal Elevator Co., Ltd.—Inc. Dec 24, 1908, to lease the terminal elevator and warehouse erected in Fort William, Ont. The capacity of this elevator is about 3,500,000 bushels and its cost about \$1,300,000. An extension with capacity of 2,500,000 bushels, costing \$600,000, was subsequently added. Capital stock, \$1,000,000.

On April 14, 1910, the shareholders approved the provisions of an Act of the Parliament of Canada, authorizing the Grand Trunk Ry Co., to acquire, guarantee, hold, pledge and dispose of stocks and securities of the Lachine, Jacques Cartier & Maisonneuve Ry Co., the Ottawa Terminals Ry Co., and the Grand Trunk Pacific Terminal Elevator Co., Ltd. The money needed for construction of these properties will be raised by the issue of Grand Trunk Ry securities.

Montreal & Southern Counties Ry.—By an Act of the Parliament of Canada, the Grand Trunk Ry Co. is authorized to acquire, hold, guarantee, pledge, sell, or otherwise dispose of stock, bonds, or other securities heretofore or hereafter issued by the Montreal & Southern Counties Ry Co. This company has given notice that it will apply to Parliament at its next session for an extension of its charter.

Acquisition of Whipple Car Co.—It was officially announced in Dec, 1913, that the entire capital stock of the Whipple Car Co., of Chicago, had been acquired by the Grand Trunk Ry Co. In connection with the purchase, the Grand Trunk Ry Co. directly assumed the payment and interest of all outstanding bonds of the Whipple Co.

Trackage Rights.—Late in 1911 an arrangement was made for trackage rights over the Temiskaming & Northern Ontario Ry, in consideration of which the Grand Trunk Ry Co. assumes an equitable share of the general maintenance of the road and pays the sum of \$300,000 per annum as rental.

In addition to the £308,215 outstanding, £55,135 is held by the Grand Trunk Ry Co., having been exchanged for 4% Consolidated Debenture stock. These debentures constitute a second lien upon the undertaking of the Northern Ry Co. of Canada, its real and personal property, tolls and revenues. Listed on London Stock Exchange.

£65,200 Wellington, Grey & Bruce Ry First 7s; date of maturity has been extended indefinitely; int. J & J 1, at Company's office, London, Eng. These bonds are the balance of an issue of £532,000 bonds matured in July, 1891; the remainder have either been paid off or exchanged for Grand Trunk 4% Debentures. Interest is now paid in accordance with a traffic agreement which gives the bonds 30% of the gross receipts of the "Wellington" lines as interest, and sets aside 20% of extra traffic interchanged for redemption of bonds semi-annually M & N. The 30% of the gross receipts has been insufficient to pay the full interest on the bonds, which is consequently in arrear; the latest payments of interest have been as follows: July 1, 1911, £2, 14s. 4d., being a further payment on account of interest due July 1, 1898; Jan 1, 1912, £3, 9s, 7d, being 14s, 7d, balance of interest due July 1, 1898, and £2, 15s, 0d, on account of interest due Jan 1, 1899; July 1, 1912, £2, 18s, 9d, being 15 shillings in final discharge of interest due Jan 1, 1899, and £2, 3s, 9d on account of interest due July 1, 1899; Jan 1, 1913, £3, 13s, 3d, being £1, 6s, 3d in final discharge of interest due July 1, 1899, and £2, 7s, 0d on account of interest due Jan 1, 1900; July 1, 1913, £3, 9s, 7d, being £1, 3s, 0d in final discharge of interest due Jan 1, 1900, and £2, 6s, 7d on account of interest due July 1, 1900; Jan 1, 1914, £3, 15s, 6d, being £1, 3s, 5d in final discharge of interest due July 1, 1900, and £2, 12s, 1d on account of interest due Jan 1, 1901; July 1, 1914, £2, 18s, 9d, being 17s, 11d, in final discharge of interest due July 1, 1901, and £2, 0s, 10d on account of interest due July 1, 1901. Secured on 168 miles of road.

£700 Bonds; matured but not paid off.

OTHER RAILROADS CONTROLLED BY GRAND TRUNK RY OF CANADA.

CENTRAL VERMONT RY (Controlled by Stock Ownership).—Inc. Nov 18, 1898, in Vt.; reorganization of the Central Vermont RR per plan dated Sept 29, 1898. Subsequently the following companies were acquired and merged: Burlington & Lamoille Valley RR, 26 miles; Missisquoi Valley RR, 28 miles, and the Montreal & Vermont Junction Ry, 23.6 miles.

The New London Northern RR, including the West River RR (formerly the Brattleboro & Whitehall RR) are leased by the Central Vermont Ry Co. at an annual rental of \$216,552.50, payable monthly. The Stanstead, Shefford & Chambly RR is controlled through ownership of its entire capital stock and about four-fifths of the \$800,000 first mtge. bonds.

Central Vermont Transportation Co.—Incorporated in 1909, in Me., with \$1,000,000 capital stock, for the purpose of conducting the freight business of the Central Vermont Ry by boat, from New London, Conn., to New York City.

Control.—The Grand Trunk Ry Co. of Canada owns \$2,164,500 of the capital stock of the Central Vermont Ry Co. and guarantees the interest on its bonds under a traffic contract, by the terms of which it agrees to provide for any deficiency up to an amount equal to 30% of the gross receipts from business interchanged between it and the C. V. Ry.

Proposed Acquisition—New Bond Issue.—The Massachusetts Legislature in June, 1916, passed a bill authorizing the company to pledge its leasehold interest in the New London Northern RR and to acquire the stock of the Southern New England RR Corp., preparatory to the making of an issue of \$30,000,000 First & Refunding Mtge. bonds. The new bonds are to be issuable as follows: (a) To provide for retiring at or before maturity \$12,000,000 First Mortgage 4s, due May 1, 1920; (b) pay floating debt incurred for improvements, new rolling stock, etc.; (c) complete the Southern New England Ry to Providence; (d) pay for future improvements, additions, etc. None of the bonds had been issued up to Jan 15, 1917.

Steamboat Decision.—The Interstate Commerce Commission in July, 1916, authorized the company to continue its steamboat service between New York City and New London, Conn., and to install a similar service between New York City and Providence, R. I.

GRAND TRUNK PACIFIC RAILWAY COMPANY

(Controlled by Grand Trunk Ry Co. of Canada)

History.—Incorporated Oct 24, 1903, in Canada, to construct a transcontinental railway line from Moncton, N. B., passing through the following provinces and territories: New Brunswick, Quebec, Ontario, Manitoba, Saskatchewan, Alberta, British Columbia and the Yukon Territory, terminating on the Pacific Coast at Prince Rupert, a few miles south of the Alaskan boundary. The mileage of the main line is approximately 3,551 miles, together with a branch from Thunder Bay on Lake Superior, to a junction with the eastern division, east of Winnipeg, 188 miles—a total of 3,739 miles.

The Grand Trunk Pacific Branch Lines Co.—Incorporated by special Act of Canadian Parliament, in 1906, with power to construct approximately 4,800 miles of branch lines, connecting with the lines of the Grand Trunk Pacific Ry, which has been increased by subsequent amendments to the Act to a total mileage of about 8,000 miles.

Grand Trunk Pacific Development Co., Ltd.—Inc. Aug. 3, 1907, in Canada, as the Grand Trunk Pacific Town & Development Co.; name changed as above, Jan 20, 1910. The Grand Trunk Pacific Ry Co. owns the entire issue of ordinary stock. Organized as a holding Company for lands, town sites, etc. Under an agreement the company agrees to purchase from the Canadian Government 135 tracts of land, aggregating 19,931 acres, available for town sites and located along the line of the road, at the nominal price of \$3 an acre.

The Grand Trunk Pacific Ry, as completed, consists of three principal divisions as follows:

Eastern Division: Moncton, N. B., to Winnipeg, Man., 1,805 miles. This division being built at the expense of the Dominion Government, and was to be leased to Grand Trunk Pacific Ry Co. for 50 years—for the first 7 years at cost of operation, and for the remainder of term at rental of 3% on the cost of construction. The company, however, having refused to take this line over, the Canadian Government began operating it on May 1, 1915.

Western Division: Consisting of Prairie Section, Winnipeg to Rocky Mountains, about 916 miles, and Mountain Section, Rocky Mountain to Prince Rupert, about 830 miles—a total length of about 1,746 miles. This division was built and is owned by the Grand Trunk Pacific Ry Co., the Dominion Government guaranteeing during the life of the bonds (which mature Jan 1, 1962) principal and interest, at rate of 3%, on bonds covering 75% of the cost of the line; the cost, however, not to exceed \$13,000 per mile for the Prairie Section.

Lake Superior Branch: Thunder Bay on Lake Superior to junction with the main line of the Eastern Division, east of Winnipeg, 188 miles, built and owned by the Grand Trunk Pacific Ry Co. In aid of this line, the Provincial Government of Ontario granted a cash subsidy of \$2,800 per mile, and a land grant of 6,000 acres per mile; and the Dominion Government granted a cash subsidy of \$6,400 per mile. This line was taken over by the Canadian Government on May 1, 1915, under a 999-year lease and has since been operated by the Government.

Mileage and Equipment, June 30, 1916.—Lines in operation: Main line, Winnipeg, Man., to Prince Rupert, B. C., 1,746 miles; Winnipeg, Man., to Westfort, Ont., 447 miles; branch lines, Melville to Canora and northerly, 87 miles; Melville to Regina, 94 miles; Regina to Moose Jaw, 40 miles; Moose Jaw northwesterly, 70 miles; Regina to International Boundary, 155 miles; Prince Albert Branch, 111.5 miles; Battleford Branch, 48 miles; Cut Knife Branch, 50 miles; Biggar Southwest, 104 miles; Alberta Coal Branch, 58 miles; Tofteld to Calgary, 201.5 miles—total, 3,212 miles. Equipment: Locomotives, 225; passenger cars, 346; freight cars (box, 13,325; flat, 586; caboose, 99), 14,010.

CAPITAL STOCK.

Authorized, \$25,000,000 Com and \$20,000,000, which may be issued as Pfd; outstanding, \$24,940,000 Com; par, \$100. In consideration of guarantees, the Grand Trunk Ry Co. of Canada holds the entire issue of Com stock, a majority of which it must hold during the entire term of the lease of the Eastern Division mentioned above, and so long as any of the bonds guaranteed by the Government remain outstanding and unpaid.

Debenture Stock.—Authorized and outstanding, \$25,000,000 (£5,000,000) 4% Perpetual Debenture stock, interest M & S 1, guaranteed by Grand Trunk Ry Co. of Canada, but only out of the earnings of that company after it has earned and paid its own fixed charges. Subject to redemption at £105 at any time after March 1, 1936,

on one year's notice. Secured by lien or charge (without trust deed) on the undertaking included in the trust deed securing the First Mortgage bonds, and ranking after such securities, and the securities granted or to be granted to secure the Second Mortgage bonds and Lake Superior Branch bonds. Listed on London Stock Exchange.

New Debenture Stock.—An act empowering the Company to issue not exceeding \$25,000,000 Perpetual or Terminable Debenture stock was passed March 7, 1913, which constitutes a lien or charge ranking *pari passu* in all respects with the existing stock. Of the new stock, £2,000,000 has been sold.

BONDED DEBT.

£14,000,000 Western Division First Gold Sterling 3s; dated June 10, 1905; due Jan 1, 1962; int. J & J 1, at London, Eng., and Bank of Montreal, New York. Royal Trust Co., Montreal, Trustee. GRAND TRUNK PACIFIC BRANCH LINES CO. (Controlled by Stock Ownership).—Inc. by special Act of Canadian Parliament in 1906, to construct branch lines of railway in connection with the main line of the Grand Trunk Pacific Ry. The original charter authorized the construction of approximately 4,800 miles, but this has been increased by subsequent amendments to the Act to a total of about 8,000 miles, of which about 1,000 miles are under construction in the Provinces of Alberta, Saskatchewan and Manitoba. For mileage in operation, see statement of Grand Trunk Pacific Ry Co., preceding.

Capital Stock.—Authorized, \$50,000,000 (of which not more than \$20,000,000 may be Pfd.); outstanding, \$1,000,000 Com. (20% paid); par, \$100. All owned by Grand Trunk Pacific Ry Co. A majority of the Com. stock must be held by the controlling company so long as any of the guaranteed bonds remain outstanding and unpaid.

Bonded Debt.—**\$500,000 Alberta Lines First Gold 4s;** dated July 28, 1909; due Feb 25, 1939; int M & N 1, in New York, Montreal and London. Coupon, £100 and £200; principal may be registered. National Trust Co., Ltd., Toronto, Trustee. Authorized amount limited to \$13,000 per mile (£1,313,300), but power is reserved, subject to the sanction of the Provincial Government, to increase the amount to \$15,000 per mile. Guaranteed unconditionally, principal and interest, by the Government of the Province of Alberta. The bonds will rank *pari passu* with any similar bonds which the company may issue (up to \$15,000 per mile), for the construction of any additional lines in the Province of Alberta, in respect of which the Provincial Government may give its guarantee. A first lien on 491 miles of lines in the Province of Alberta, and on equipment, etc. Listed on London Stock Exchange.

In accordance with terms of above mortgage, additional bonds at rate of \$2,000 per mile have been authorized on the Toftfield-Calgary Branch, 201.5 miles, under first supplementary mortgage, dated April 4, 1914; none issued to Nov 1, 1916.

\$2,032,800 Saskatchewan Lines First Gold 4s; dated 1909; due Feb 25, 1939, int. M & N 1, in New York, Montreal and London. Coupon, £100 and £200; principal may be registered. Royal Trust Co., Montreal, Trustee. Authorized amount limited to \$13,000 per mile but power was reserved, subject to the sanction of the Provincial Government, to increase the amount to \$15,000 per mile. Guaranteed unconditionally, principal and interest, by the Government of the Province of Saskatchewan. The bonds will rank *pari passu* with any similar bonds which the company may issue (up to \$15,000 per mile) for the construction of any additional lines in the Province of Saskatchewan, in respect of which the Provincial Government may give its guarantee. A first lien on 670 miles of lines in the Province of Saskatchewan, and on equipment, etc. Listed on London Stock Exchange.

In accordance with terms of above mortgage, additional bonds at rate of \$2,000 per mile have been authorized on 760 miles of branch lines in Saskatchewan, under a third supplementary mortgage, dated April 4, 1914.

\$238,600 Alberta Lines First Sterling 4s; dated July 31, 1912; due Feb 15, 1942. National Trust Co., Ltd., Toronto, Trustee. Guaranteed unconditionally, principal and interest, by the Government of the Province of Alberta. A first lien on the Alberta Coal Branch, 58 miles, at \$20,000 per mile.

\$709,800 (authorized issue; none issued) 30-Year 4% Terminal Bonds; issuable under mortgage dated June 5, 1914, made by Grand Trunk Pacific Branch Lines Co. in Saskatchewan. Royal Trust Co., Montreal, Trustee. Guaranteed by Province of Saskatchewan.

All the stock of the New York State Realty & Terminal Co. is owned by the Consolidated Corporation (The New York Central RR Co.).

Extension of Liens of Mortgages Securing New York Central & Hudson River RR and Lake Shore & Michigan Southern Ry Bonds, Etc.—On or about March 1, 1915, the New York Central RR Co., with the authorization of stockholders, executed the following:

(1) A supplemental indenture, dated Jan 1, 1915, assuming the obligations of the mortgage dated June 1, 1897, securing the Lake Shore & Michigan Southern Ry Co. \$50,000,000 First Mortgage $3\frac{1}{2}\%$, and extending the lien of that mortgage over the railroads, franchises and properties formerly owned by Detroit, Monroe & Toledo RR Co., Northern Central Michigan RR Co., Kalamazoo & White Pigeon RR Co. and Swan Creek Ry Co. of Toledo. (2) A supplemental indenture, dated Jan 2, 1915, assuming the obligations of the mortgage dated July 1, 1914, securing the Lake Shore & Michigan Southern Ry Co. 25-Year 4% Gold bonds of 1903 and of 1906, aggregating \$100,000,000 (two issues, \$50,000,000 each), and extending the lien of that mortgage over the before-mentioned railroads. (3) A mortgage, dated Jan 15, 1915, to secure the payment of (a) the New York Central & Hudson River RR Co. $3\frac{1}{2}\%$ Gold Bonds, Lake Shore Collateral, and (b), by secondary lien thereunder, so many of the 4% Consolidation Mortgage Gold Bonds, Series A, as might be issued to pay and retire an equal amount of the $3\frac{1}{2}\%$ Lake Shore Collaterals (the two issues aggregating \$90,578,400), by a lien upon the railroads and properties formerly owned by the Lake Shore & Michigan Southern Ry Co. and by the same four former subsidiaries and upon the Company's leasehold interest in the Erie & Kalamazoo RR. (4) A supplemental indenture, dated June 15, 1915, assuming the obligations of the New York Central & Hudson River RR Co. Refunding & Improvement Mortgage, dated Oct 1, 1913, and extending the lien of that mortgage so as to include the former Lake Shore & Michigan Southern Ry and other properties. (See Refunding & Improvement Mortgage in a subsequent paragraph).

Additional Acquisitions.—On March 1, 1915, the stockholders also voted in favor of acquiring by deeds of conveyance the railroads, franchises and properties of the following companies: Jamestown, Franklin & Clearfield RR, Elkhart & Western RR, Cleveland Short Line Ry., and Sturgis, Goshen & St. Louis Ry. The mergers took place on the following dates: Jamestown, Franklin & Clearfield RR, on April 7, 1915; Cleveland Short Line Ry, on May 8, 1915, and Elkhart & Western RR and Sturgis, Goshen & St. Louis Ry, on June 11, 1915. Inasmuch as the capital stock of these four companies were all owned by, and the properties operated in the interest of, the New York Central RR, the issue of neither stock nor bonds was necessary for their acquisition. The lien of the Refunding & Improvement Mortgage was authorized extended, at the same meeting, by execution of a supplemental indenture, to the railroads, franchises and properties of each of these four companies when and as the same should be acquired.

Proposed Purchases.—In Jan, 1917, the company applied to the New York Public Service Commission for authority to purchase the entire capital stock of the Fulton Chain Ry Co. and the Raquette Lake Ry Co. (see appended statements).

Dolgeville & Salisbury RR—Merger.—In Oct, 1916, it was announced that the New York Public Service Commission (Second District) had authorized the New York Central RR Co. to acquire all the capital stock of the Dolgeville & Salisbury RR Co., and to merge that company into itself. Prior to this the company already owned \$110,000 of the \$150,000 stock of the Dolgeville & Salisbury RR Co. The merger was effected in Jan, 1917.

Kanawha & Michigan Railway Stock—Disposal of.—Early in 1910, the Lake Shore & Michigan Southern Ry and the Chesapeake & Ohio Ry Cos had acquired \$4,510,000 stock of the Kanawha & Michigan Ry Co. and up to June 1, 1914 had purchased 35,484 additional shares from minority stockholders, making a total of \$8,058,800 of the stock held by the Lake Shore and Chesapeake & Ohio companies, as of that date, the former owning \$4,029,600 of the stock and the latter \$4,029,200. In obedience to a decree of the Circuit Court of the United States for the Southern District of Ohio entered on March 14, 1914, the Lake Shore & Michigan Southern Ry Co. disposed of its holdings of the Kanawha & Michigan Ry Co. to the Toledo & Ohio Central Ry Co., receiving in payment therefor, the 1-yr 5% Note of that Company, dated Oct 1, 1914, amounting to \$2,901,312. The Lake Shore and Michigan Southern Ry Co. and (later) the New York Central RR Co., also loaned to the Toledo & Ohio Central Ry Co. \$4,917,700 in cash to enable it to purchase the holdings of the Chesapeake & Ohio Ry Co. and others in the stock of the Kanawha & Michigan Ry Co., receiving 5% promissory notes for the amount so loaned, all of which notes are secured by pledge of the stock of the Kanawha & Michigan Ry Co. so acquired.

New York, Chicago & St. Louis RR Stock—Disposal of.—On July 6, 1916, it was announced that the New York Central RR Co. had disposed of its entire holdings of New York, Chicago & St. Louis RR Co. stock (see *General Index*), consisting of \$2,503,000 First Pfd., \$6,275,000 Second Pfd. and \$6,240,000 Com. stock to Cleveland interests, represented by O. P. and M. J. Van Sweringen. The price paid was stated to be \$2,000,000 in cash and \$6,500,000 in notes.

West Side Improvements.—In order to do away with the moving of trains through the streets and to stop the smoke and noise nuisance on the West Side, the company, after prolonged negotiations with the city of New York, on Jan 15, 1916, arrived at an agreement whereby the road will spend upwards of \$50,000,000 on improvements and will receive from the city certain land and rights valued at about \$5,000,000. Construction will begin when legal approval is secured and it is estimated will require about six years' time.

Additional Lines Leased.—By lease dated Sept 27, 1915, to become effective Jan 1, 1916, the New York Central RR Co. leased the railroads and properties of the St. Lawrence & Adirondack Ry Co. and also of the Ottawa & New York Ry Co. In both cases the terms of the lease are for 21 years and the annual rental a sum equivalent to the interest payable on the bonds of the lessor company to be paid direct to the holders of such bonds. The line of the Ottawa & New York Ry Co. extends from the international boundary in the St. Lawrence River, near Nyando, to the city of Ottawa, Ont., and connects directly with the Ottawa branch of the New York Central RR. In the case of St. Lawrence & Adirondack Ry the New York Central RR also assumed that company's lease of a portion of the Grand Trunk Ry Co.'s road extending from Valleyfield to Beauharnois and also its trackage rights over the Canadian Pacific Ry from Adirondack Junction into the city of Montreal.

Purchase of Bonds.—It was announced in Dec, 1916, by the Bondholders' Committee for Continental Coal Co. First Mortgage 5% bonds, that the bonds which had been deposited with the Committee (\$1,498,000) had been sold to New York Central RR Co., together with the Committee's judgment against the Toledo & Ohio Central Ry Co. and all the Committee's rights of action against the Hocking Valley Ry Co. for the principal amount of the judgment and the par amount of the bonds not included in the judgment, with interest on the judgment and bonds accrued up to Dec 21, 1916. It was also announced in Dec, 1916, that the New York Central RR Co. had been authorized by the Court to purchase at par and interest the First Mortgage 5% bonds of the Kanawha & Hocking Coal & Coke Co. of those owners who had deposited them with the Bondholders' Committee. The amounts of bonds so acquired up to Jan 17, 1917, were as follows: Continental Coal Co. First 5s, \$1,500,000; Kanawha & Hocking Coal & Coke Co. First 5s, \$2,513,000.

Purchase of Continental Coal Co. Property.—The New York Central RR Co. purchased at foreclosure sale on Jan 13, 1917, the property of the Continental Coal Co. in Athens and Perry counties, O., for \$1,268,795, or 83 cents more than the upset price. The U. S. Court at Cincinnati on Feb 6, 1917, authorized the transfer of this property to George M. Jones, of Jackson, O. Mr. Jones is to pay the costs and expenses of the foreclosure proceedings, including receiver's certificates, and \$993,000 in cash.

Interest in Electric Properties.—The New York Central RR owns \$13,604,300 Com. and \$600 First Pfd stock of the New York State Railways, owning or controlling about 588 miles of electric railway in New York State. It also owns \$5,114,300 stock of the Mohawk Valley Co., which was organized as a holding company for the securities of various electric railway, light and power companies in New York State, which had previously been controlled by the New York Central & Hudson River RR. In March, 1909, the electric railway properties were transferred to the New York State Railways, so that the Mohawk Valley Co. now controls only electric light properties.

CAPITAL STOCK.

Authorized, \$400,000,000; outstanding, \$249,590,460; par, \$100. The amount of stock authorized by the Consolidation Agreement was \$300,000,000; this amount was increased in April, 1915, to \$400,000,000, to provide for the conversion of the Convertible Debentures due May 1, 1935, described below. The outstanding stock was issued to stockholders of constituent companies entering the merger in exchange for the stock of those companies on the terms shown in a previous paragraph. Stock transferred at company's office. Registrars: Union Trust Co., New York and Union of London & Smith's Bank, Ltd., London, Eng.

Dividends at rate of $1\frac{1}{4}\%$ paid quarterly, Feb, May, Aug & Nov 1, at company's office, Grand Central Terminal, New York, and at office of Morgan, Grenfell & Co., London, Eng., initial disbursement having been made Feb 1, 1915. Listed on New York Stock Exchange.

New Stock Issue—Subscription Privilege.—The directors on Nov 15, 1916, directed that \$25,000,000 additional stock be issued and the privilege first offered to stockholders to subscribe therefor to the extent of 10% of their present holdings. Therefore stockholders of record Jan 2, 1917, were given the right to subscribe on or before Feb 13, 1917, for the new stock, payment for subscriptions to be made on and after Jan 20 and on or before Feb 16, 1917. Proceeds of the new stock were to be used to reimburse the treasury for expenditures made on capital account.

(2) **\$94,000,000 New York Central & Hudson River RR. Mortgage Gold 3½s;** dated June 1, 1897; due July 1, 1997; int. J & J 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000; and registered, \$1,000, \$5,000, \$10,000 and \$50,000. Central Trust Co., New York, Trustee. Authorized, \$100,000,000; the unissued bonds being available at not exceeding the cumulative rate of \$1,000,000 per annum for the acquisition or construction of branches, extensions, equipment, terminal properties, etc. A first lien on the main line from New York to Buffalo and on certain branches, aggregating about 835 miles, and a lien (subject to prior liens amounting to \$28,107,000) on approximately 930 miles owned by companies merged into the N. Y. C. & H. R. RR. Co. in 1913 (Rome, Watertown & Ogdensburg RR., Mohawk & Malone Ry., etc.), making a total of approximately 1,765 miles covered by these bonds. Also a lien on: (a) Three-quarters of the capital stock of the Hudson River Bridge Co., owning two bridges from East Albany to Albany; (b) all real estate owned by the company and used in connection with the Grand Central Terminal in New York City, subject to the rights of the N. Y., N. H. & H. RR Co.; (c) a contract between New York & Harlem RR and the N. Y., N. H. & H. RR Co. for the use of railroad and property between Woodlawn and 42nd Street, New York City; (d) certain other trackage contracts. Also a first lien on the leasehold interests in the following roads: Beech Creek RR, New York & Harlem RR, Troy & Greenbush RR and West Shore RR. Also on all branches, extensions, equipment or franchises which may be acquired with the proceeds of these bonds. Provided for in the New York Central & Hudson River RR Refunding & Improvement Mortgage dated Oct 1, 1913. Listed on New York, London and Amsterdam Stock Exchanges. Interest paid without deduction for Normal Income Tax.

(3) **\$25,589,000 Lake Shore Collateral Gold 3½s;** dated Feb 4, 1898; due Feb 1, 1998; int. F & A 1, at Grand Central Terminal, New York. Coupon (principal may be registered), and registered, \$1,000. Guaranty Trust Co., New York, Trustee. Authorized, \$100,000,000, but by the terms of the Consolidation Mortgage, due Feb 1, 1998, this mortgage is closed. Originally issued, \$90,578,400, of which \$64,989,000 had been exchanged up to Aug 31, 1916, for an equal amount of the below-described Consolidation Mortgage 4% bonds, Series "A," and \$400 have been cancelled.

Security.—These bonds were formerly secured by deposit with the Trustee of \$45,289,200 stock of the Lake Shore & Michigan Southern Ry Co. They had no mortgage lien, but the trust deed provided that no new bonds should be placed on the property of the N. Y. C. & H. R. RR. Co. which would have priority over these 3½s and no bonds in excess of \$22,000,000 could be placed on these properties whose lien would be equal to that of these 3½s. Following the consolidation of the Lake Shore & Michigan Ry Co. with the New York Central & Hudson River RR Co. in Dec, 1914, these bonds by the terms of the Consolidation mortgage dated June 20, 1913, and of the mortgage dated Jan 15, 1915, became, in effect, jointly with the Michigan Central Collateral 3½s described below, a second general lien on all lines and leasehold interests east of Buffalo upon which the bonds described in paragraph 2, are a first lien, and a third general lien (in which the Michigan Central Collateral 3½s do not share) on all the lines of the former Lake Shore & Michigan Southern Ry and certain of its subsidiaries and on the lease of the Erie & Kalamazoo RR. By the terms of the Consolidation mortgage these collateral 3½s are exchangeable at par for Consolidation mortgage 4s, Series "A," which series is similarly secured, subject, however, to the prior lien of any Lake Shore Collateral 3½s which may not be exchanged for said Series "A" bonds, and also of Michigan Central Collateral 3½s. Listed on New York Stock Exchange. Interest paid without deduction for Normal Income Tax.

The exchange for Consolidation mortgage bonds was temporarily held up by litigation; in June 1915, however, holders of these bonds were notified that if they desired to exchange their holdings for an equal amount of New York Central RR Co. 4% Consolidation Mortgage bonds, they might deposit their holdings with either J. P. Morgan & Co., New York; Morgan, Grenfell & Co., London, or Morgan, Harjes & Co., Paris, who would issue assignable receipts therefor. During the continuance of such deposit, the Company agreed to pay to the depositors interest at rate of 3½% per annum on deposited bonds, and when the litigation should be determined in favor of the Company, 4% bonds would be exchanged for the 3½% bonds deposited, with an adjustment of interest. The official circular notifying bondholders to this effect contained the following: "To those surrendering deposit receipts for 3½% bonds deposited on or prior to Aug 1, 1915, additional interest at the rate of ½ of 1% per annum will be paid from Feb 1, 1915 to the interest date next prior to the date on which

such exchange is made; to those surrendering deposit receipts for 3½% bonds deposited after Aug 1, 1915, such additional interest will be paid for the period beginning on the date of deposit and terminating on the interest date next prior to the date of the exchange, the 4% bonds to bear interest from such last-mentioned date."

Holders of Lake Shore Collateral bonds who had consented to the consolidation of the New York Central & Hudson River RR and other companies were notified on Jan 31, 1916, that they could exchange their bonds for 4% Consolidation Mortgage bonds upon surrender of the bonds or certificates of deposit at office of J. P. Morgan & Co., New York, on or after Feb 4, 1916. An adjustment of interest as called for in the certificates of deposit was made at the same time. Up to Aug. 31, 1916, \$64,989,000 bonds had been deposited and exchanged and the difference in the interest rates was charged to income.

(4) **\$19,336,000 Michigan Central Collateral Gold 3½s**; dated April 13, 1898; due Feb 1, 1998; int. F & A 1, at Grand Central Terminal, New York. Coupon (principal may be registered), and registered, \$1,000. Guaranty Trust Co., New York, Trustee. Authorized, \$21,550,000, but by the terms of the Consolidation Mortgage due Feb 1, 1998 no more of these bonds can be issued.

Security.—These bonds were originally secured only by deposit with the Trustee of \$16,819,300 Michigan Central RR stock on the basis of \$115 bonds for each \$100 share of capital stock. They had no mortgage lien, but it was provided in the trust deed that no new mortgage should be placed upon the N. Y. C. & H. R. RR, or any substantial part thereof, without also including therein in favor of these bonds a lien prior to any other bond or debt secured by such mortgage, except that such mortgage might provide for the equal security of the \$100,000,000 bonds authorized by the company's Lake Shore Collateral Indenture. By the terms of the Consolidation mortgage dated June 20, 1913, these bonds became, jointly with the above described Lake Shore Collaterals, a second lien on all the properties of the company east of Buffalo, upon which the bonds described in paragraph 2, are a first lien. By the terms of the Consolidation mortgage these bonds were also exchangeable at par for Consolidation Mortgage bonds, Series "B," but this provision has been changed and the Michigan Central Collateral 3½s are not now so exchangeable. Listed on New York Stock Exchange. Interest paid without deduction for Normal Income Tax.

(5) **\$40,000,000 New York Central & Hudson River RR Refunding & Improvement 4½s, Series "A"**; dated Oct 1, 1913; due Oct 1, 2013; int. A & O 1, in New York. Coupon (principal may be registered), \$500 and \$1,000; and registered, \$1,000 and multiples; interchangeable. Guaranty Trust Co., New York, Trustee.

Authorized issue is limited so that amount of bonds at any one time outstanding, together with all outstanding prior debt of Railroad Company after deducting therefrom the amount of all bonds reserved under provisions of the indenture to retire prior debt at or before maturity, shall never exceed three times the outstanding capital stock of company. If at any time the amount of bonds outstanding (not including bonds then reserved for retiring prior debt) shall be \$500,000,000, no additional amount shall thereafter be issued, except to refund prior debt, unless such further issue shall have been authorized by a majority vote at a stockholders' meeting called for such purpose, and then only for not exceeding 80% of the cost of work done or property acquired. Furthermore, of the total amount of bonds at any time outstanding not more than one-third may have been used in the acquisition of bonds or stock of other companies. Bonds to the amount of \$493,633,400 are reserved for the retirement of prior debt, the respective liens of such prior debt on the several properties covered being prior to the lien of the Refunding & Improvement Mortgage on the same properties. This prior debt is as follows: \$100,000,000 (of which \$6,000,000 are yet to be issued) New York Central & Hudson River RR Mortgage 3½s, due July 1, 1997; \$90,578,400 (original issue) New York Central & Hudson River RR, Lake Shore Collateral 3½s, due Feb 1, 1998; \$19,336,000 New York Central & Hudson River RR, Michigan Central Collateral 3½s, due Feb 1, 1998; \$48,000,000 New York Central & Hudson River RR Debenture 4s, due May 1, 1934; \$9,188,000 New York Central & Hudson River RR Debenture 4s, due Jan 1, 1942; \$167,102,400 (authorized; \$64,989,000 issued to Aug. 31, 1916,) New York Central & Hudson River RR Consolidation 4s, due Feb 1, 1998, which were issuable only in exchange, par for par, for or to retire the four before-mentioned issues aggregating \$167,102,400 (the aggregate of the five issues is never to exceed this amount); \$2,500,000 Spuyten Duyvil & Port Morris RR First 3½s, due June 1, 1959; \$1,200,000 New York & Northern Ry First 5s, due Oct 1, 1927; \$3,987,000 New York & Putnam RR First Consolidated 4s, due Oct 1, 1993; \$250,000 Little Falls and Dolgeville RR First 3s, due July 1, 1932; \$2,500,000 Mohawk & Malone Ry First 4s, due Sept 1, 1991; \$3,900,000 Mohawk & Malone Ry Consolidated 3½s due March 1, 2002; \$9,995,000 Rome, Watertown & Ogdensburg RR Consolidated 5s, 4s and 3½s, due

The Public Service Comm. of New York, Second District, and the Board of Public Utilities Commissioners of N. J., in Feb, 1914, authorized the issuance of not exceeding \$70,000,000 4½% bonds to retire \$30,000,000 notes which matured March 1, 1914, and \$39,662,000 additional 1-year notes falling due in 1914. Of this amount, \$40,000,000 bonds were sold in April, 1914.

Security.—The Refunding & Improvement Mortgage is a lien next to the lien of the New York Central & Hudson River RR Consolidation Mortgage on the railroad formerly owned by that company on all real estate owned by the New York Central RR Co. and used in connection with its Grand Central Terminal, New York, subject to the rights therein of the New York, New Haven & Hartford RR Co. on \$375,000 (three quarters) of the stock of the Hudson River Bridge Co., at Albany, and on the leasehold interests in the Troy & Greenbush, New York & Harlem, West Shore and Beech Creek RRs subject, as to the New York & Harlem RR to the rights of the N. Y., N. H. & H. RR Co. between Woodlawn and 42nd St., New York, and as to the West Shore RR to the rights of the New York, Ontario & Western Ry between Cornwall and Weehawken. Also a first lien on the leases of the Beech Creek Extension, New Jersey Junction and Wallkill Valley RRs and also a first collateral lien on \$500,000 Beech Creek RR Second 5s and \$3,964,000 Beech Creek Extension RR Consolidated 4s owned. It is also a first lien on the following amounts of capital stock: \$5,069,400 Com. and \$1,111,300 Pfd. stock of the New York & Harlem RR; \$10,000,000 (entire issue) West Shore RR stock; \$5,174,000 Beech Creek Extension RR stock; and \$95,000 New Jersey Junction RR stock.

Extension of Lien.—By a supplemental indenture dated June 15, 1915, executed by the New York Central RR Co., the lien of the above mortgage was extended so as to include the railroads, property, etc., formerly owned by the following companies, subject to certain prior liens: (a) Lake Shore & Michigan Southern Ry Co., subject to its First mortgage, securing \$50,000,000 bonds; to its Gold Bond Mortgage, securing two debenture issues of \$50,000,000 each; and to the New York Central RR Co. Mortgage dated Jan 15, 1915, securing the N. Y. C. & H. R. RR Co. \$90,578,400 3½% Lake Shore Collateral bonds (of which \$64,989,000 have since been exchanged for Consolidation Mortgage bonds and \$400 cancelled), and to secure the New York Central 4% Consolidation Mortgage bonds, Series "A," issuable only in exchange for Lake Shore Collateral bonds. (b) Jamestown, Franklin & Clearfield RR Co., subject to its First mortgage, securing \$11,000,000 bonds. (c) Cleveland Short Line Ry Co., subject to its First mortgage, securing \$11,800,000 bonds. (d) Sturgis, Goshen & St. Louis Ry Co., subject to its first mortgage, securing \$322,000 bonds. (e) Chicago, Indiana & Southern RR Co., part subject only to its Gold Bond Mortgage, securing \$15,150,000 bonds; remainder subject to Indiana, Illinois & Iowa RR Co. First mortgage, securing \$4,850,000 bonds, and to Chicago, Indiana & Southern RR Co. Gold Bond Mortgage. Also (subject to these two mortgages) the New York Central's interest in a trackage agreement over Chicago & North Western Ry between Seatonville Junc. and Ladd. (f) Detroit, Monroe & Toledo RR Co., Northern Central Michigan RR Co. and Swan Creek Ry Co. of Toledo, subject in each case to the three mortgages mentioned in "a." (g) Geneva, Corning & Southern RR Co., part free from prior lien; remainder subject to Jersey Shore, Pine Creek & Buffalo Ry First mortgage securing \$3,500,000 bonds.

(h) Kalamazoo & White Pigeon RR Co., subject to its First Mortgage securing \$400,000 bonds, and to the three mortgages mentioned in "a." (i) Detroit & Chicago RR Co., Elkhart & Western RR Co., Terminal Ry of Buffalo and Dunkirk, Allegheny Valley & Pittsburg RR Co., free in each case from prior lien. Also a lien on the leasehold interest of the New York Central RR in the Erie & Kalamazoo RR, subject to the three mortgages mentioned in "a." These bonds are thus, in effect, secured by a blanket mortgage covering all property included in the consolidation of Dec, 1914, not, however, including treasury securities, except those securities mentioned above. Listed on New York Stock Exchange. First publicly offered (\$25,000,000) in April, 1914, at 95¾ and interest. Normal Income Tax deducted from interest.

(6) \$48,000,000 New York Central & Hudson River RR 4% Gold Debentures; dated May 12, 1904; due May 1, 1934; int. M & N 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000; and registered, \$1,000, \$5,000 and multiples of \$5,000; interchangeable. United States Trust Co., New York, Trustee. Authorized, \$50,000,000, but by the terms of the Consolidation Mortgage due Feb 1, 1998, no more of these bonds can be issued. The indenture provided that so long as any of these debentures remained outstanding, the company would not place any new mortgage upon its property without also including these debentures in such new mortgage. Therefore by the terms of the N. Y. C. & H. R. RR Co. Consolidation Mortgage dated June 20, 1913, these debentures are secured by a direct lien on the railroad and property formerly of that company described in that mortgage; this lien is subject to the lien of that securing the Lake Shore Collateral 3½% bonds and also that securing the Michigan Central Collateral 3½% bonds, and is equal to the lien securing the \$9,188,000 4% Debentures of 1912 and to that securing the 4% Consolidation Mortgage bonds, which may be issued only in exchange, par for par, for and to retire the Lake Shore Collateral bonds, the Michigan Central Collateral bonds and the two issues of debentures. Listed on New York Stock Exchange. First publicly offered (\$10,000,000) in June, 1904, at 97½ and interest. Interest paid without deduction for Normal Income Tax.

(7) \$5,500,000 New York Central & Hudson River RR Co. 3½% Gold Debenture (one bond); dated July 1, 1900; due July 1, 2000; int. J & J 1, at Grand Central Terminal, New York. Authorized, \$5,500,000. Issued in payment for Boston & Albany RR property not covered in the lease. This bond is owned by Boston & Albany RR Co.

(8) \$2,500,000 Spuyten Duyvil & Port Morris RR First Gold 3½s; dated June 1, 1909; due June 1, 1959; int. J & D 1, at Grand Central Terminal, New York. Coupon, (principal may be registered), \$1,000; and registered, \$5,000, \$10,000 and \$50,000; interchangeable. Central Trust Co., New York, Trustee. Authorized, \$20,000,000, but mortgage is closed. A first lien on the railroad formerly of the Spuyten Duyvil & Port Morris RR Co., comprising 5.31 miles of four-track road, from Spuyten Duyvil to Mott Haven, N. Y., connecting the New York & Harlem RR with that of New York Central & Hudson River RR. Assumed by N. Y. C. & H. R. RR March 7, 1913. Provided for in the New York Central & Hudson River RR Refunding & Improvement Mortgage dated Oct 1, 1913. Interest paid without deduction for Normal Income Tax.

(9) \$9,188,000 New York Central & Hudson River RR 4% Gold Debentures; dated Jan 1, 1912; due Jan 1, 1942; int. J & J 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000; and registered, \$1,000, \$5,000, \$10,000 and \$50,000; interchangeable. Guaranty Trust Co., New York, Trustee. Authorized, \$50,000,000, but by the terms of the Consolidation Mortgage due Feb 1, 1998, no more of these debentures may be issued. The indenture provided that so long as any of these debentures remained outstanding, the company would not place any new mortgage upon its property without also including these debentures in such new mortgage. Therefore, by the terms of the N. Y. C. & H. R. RR Co. Consolidation Mortgage dated June 20, 1913, these debentures are secured by a direct lien on the railroad and property formerly of that company described in that mortgage; this lien is subject to the lien of that securing the Lake Shore Collateral 3½% bonds and also that securing the Michigan Central Collateral 3½% bonds, and is equal to the lien securing the \$48,000,000 4% Gold Debentures of 1904, and to that securing the 4% Consolidation Mortgage bonds, which may be issued only in exchange, par for par, for and to retire the Lake Shore Collateral bonds, the Michigan Central Collateral bonds and the two issues of debentures. Interest paid without deduction for Normal Income Tax.

(22) **\$64,989,000 New York Central & Hudson River RR Consolidation 4s, Series "A,"** dated Aug 1, 1913; due Feb 1, 1998; int. F & A 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000; and registered, \$1,000 and multiples; interchangeable. Bankers Trust Co., New York, Trustee.

Authorized issue is limited to \$167,102,400 bonds, which are issuable in four series, Series A, B, C and D. Series A bonds are authorized to an amount not exceeding \$90,578,400, and are issuable only in exchange, par for par, for New York Central & Hudson River RR Lake Shore Collateral 3½% bonds, due Feb 1, 1898. As of Aug 31, 1916, the above amount had been so issued. Series B bonds are for an authorized amount not exceeding \$19,336,000, and were to be issued only in exchange, par for par, for N. Y. Central & Hudson River RR Michigan Central Collateral 3½% bonds, due Feb 1, 1998. Series C bonds are for an aggregate amount not exceeding \$48,000,000 and are to be issued only in exchange, par for par, for or to retire N. Y. Central & Hudson River RR 30-Year 4% debentures, due May 1, 1934. Series D bonds are for an aggregate amount not exceeding \$9,188,000 and are to be issued only in exchange, par for par, for or to retire N. Y. Central & Hudson River RR 30-Year 4% debentures, due Jan 1, 1942. So many of the Lake Shore Collateral bonds, Michigan Central Collateral bonds and debentures as may from time to time remain outstanding are secured under this indenture by a lien which, as to the Lake Shore Collateral bonds and Michigan Central Collateral bonds, is prior and superior, and as to the Debentures, is equal, to that securing the bonds of the four series. When and if all the Lake Shore and Michigan Central Collaterals and the Debentures shall have been exchanged, the Consolidation bonds issued in exchange therefor will be the only bonds secured by such mortgage.

Security.—This mortgage is a general lien on the following railroads and property, with priority and subject to liens as indicated:

(1) The main line of railroad formerly owned by the New York Central & Hudson River RR Co. between New York and Buffalo and branches, subject only to that company's first mortgage, dated June 1, 1897, to secure an authorized issue of \$100,000,000 bonds.

(2) All the railroads merged into or consolidated with the New York Central & Hudson River RR Co. in 1913, among others the following:

Rome, Watertown & Ogdensburg RR; Utica & Black River RR; Niagara Falls Branch RR; Carthage, Watertown & Sackets Harbor RR; New York & Putnam RR; subject only (a) to the first mortgage of the New York Central & Hudson River RR Co., dated June 1, 1897, securing bonds to an authorized amount not exceeding \$100,000,000, and (b) as to the respective properties covered thereby, also to the underlying mortgages upon the railroads so merged into or consolidated with the New York Central, also the New York & Ottawa RR, free from prior lien.

(3) All the leasehold interests of the New York Central in the New York & Harlem RR, West Shore RR, Beech Creek RR and Troy & Greenbush RR, subject only to said First Mortgage of the New York Central & Hudson River RR Co. and as to the New York & Harlem RR to the rights of the New York, New Haven & Hartford RR Co. between Woodlawn and Forty-second Street, New York, and as to the West Shore RR to the rights of the New York, Ontario & Western Ry Co. between Cornwall and Weehawken.

(4) Three-quarters of the stock of the Hudson River Bridge Co., owning two bridges at Albany, subject only to the New York Central & Hudson River RR Co. First mortgage.

(5) All real estate owned by New York Central at and used in connection with its Grand Central Terminal, New York, subject to the rights therein of the New York, New Haven & Hartford RR Co. and to the New York Central & Hudson River RR Co. First mortgage.

Following the consolidation, in Dec, 1914, of the New York Central & Hudson River RR Co., the Lake Shore & Michigan Southern Ry Co. and nine other companies into The New York Central RR Co., the last-named company executed a mortgage, dated Jan 15, 1915, to Bankers Trust Co., and William H. Elmendorf, Trustees, to secure the payment of (a) the New York Central & Hudson River RR Co. 3½% Gold Bonds, Lake Shore Collateral, and (b), by secondary lien thereunder, so many of the 4% Consolidation Mortgage Gold Bonds, Series A, as may be issued in exchange for and to retire an equal amount of the 3½% Lake Shore Collaterals (the two issues aggregating \$90,578,400). This mortgage is a lien upon the railroads and properties formerly owned by the Lake Shore & Michigan Southern Ry Co., the Detroit, Monroe & Toledo RR Co., the Northern Central Michigan RR Co. and the Swan Creek Ry Co. of Toledo, subject to the L. S. & M. S. Ry Co. First Mortgage, securing \$50,000,000 of the bonds, and to its Gold Bond Mortgage, securing \$100,000,000 of debentures (two issues of \$50,000,000 each); is a lien upon the railroad formerly of the Kalamazoo & White Pigeon RR Co., subject to that company's First mortgage securing \$400,000 of bonds and to the L. S. & M. S. Ry Co. First mortgage and its Gold Bond Mortgage; and, subject to the two mortgages last mentioned, is a lien upon the New York Central's leasehold interest in the Erie & Kalamazoo RR.

Thus, the consenting holders of 3½% bonds who avail themselves of the privilege of exchange offered to them as a consideration for their consent, will receive 4% bonds secured by mortgage lien on the railroads formerly owned by the New York Central & Hudson River RR Co. and the Lake Shore & Michigan Southern Ry Co.

Thus also, the unexchanged 3½% bonds have a mortgage lien, prior to that of the 4% bonds upon the railroads formerly of the New York Central & Hudson River RR Co. and of the Lake Shore, the lien of such unexchanged bonds upon the Lake Shore Railway taking the place of the former lien upon Lake Shore stock.

The holders of over 75% in amount of the Lake Shore Collateral bonds who gave their consent to the consolidation of the Lake Shore & Michigan Southern Ry Co. with the New York Central & Hudson River RR, have the privilege of exchanging their bonds at par for 4% Consolidation mortgage bonds. The exchange of bonds was held up temporarily by litigation and did not take place until Feb, 1916. (See also under Lake Shore Collateral bonds on a preceding page.) Listed on New York Stock Exchange. Normal Income Tax deducted from interest.

(23) \$50,000,000 Lake Shore & Michigan Southern Ry First Gold 3½s; dated June 1, 1897; due June 1, 1997; int. J & D 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000; and registered, \$1,000 and multiples.

United States Trust Co., New York, and John H. Holliday, Indianapolis, Trustees. Authorized, \$50,000,000. Originally secured by direct first lien on 838 miles of road owned by the Lake Shore & Michigan Southern Ry Co. and upon the leasehold interests in the Detroit, Monroe & Toledo RR, Erie & Kalamazoo RR, Kalamazoo & White Pigeon RR, Northern Central Michigan RR, and Swan Creek Ry of Toledo. Following the consolidation of Dec, 1914, the New York Central RR Co. executed a supplemental indenture, dated Jan 1, 1915, extending the lien of these bonds so as to include the railroads formerly owned by the Detroit, Monroe & Toledo RR Co., Northern Central Michigan RR Co., Kalamazoo & White Pigeon RR Co., and the Swan Creek Ry Co. of Toledo, subject as to the railroad formerly owned by the Kalamazoo & White Pigeon RR Co., to the \$400,000 First mortgage bonds of that company. The lien of these bonds is, therefore, a first lien on all the properties formerly of the above companies (subject to the \$400,000 Kalamazoo & White Pigeon RR Co. bonds), and is followed by the lien of the following bonds in the order mentioned: (a) Lake Shore & Michigan Southern Ry Co. Gold Bond Mortgage, dated July 1, 1914, securing \$100,000,000 (two issues of \$50,000,000) 25-Year Gold bonds of 1903 and 1906, respectively. (b) The New York Central RR Co. mortgage dated Jan 15, 1915, securing the New York Central & Hudson River RR 3½% Gold bonds, Lake Shore Collateral, and (by a secondary lien thereunder) so many of the 4% Consolidation Mortgage Bonds, Series "A," as may be issued to refund a like amount of the Lake Shore Collateral 3½s. (c) The New York Central & Hudson River RR Co. Refunding & Improvement 4½s, Series "A," dated Oct 1, 1913, as extended by supplemental indenture dated June 5, 1915, executed by New York Central RR Co. Listed on New York Stock Exchange. Interest paid without deduction for Normal Income Tax.

(24) \$50,000,000 Lake Shore & Michigan Southern Ry 25-Year Gold 4s of 1903; dated Nov 18, 1903; due Sept 1, 1928; int. M & S 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000 and \$5,000; and registered, \$1,000, \$5,000, \$10,000, \$20,000, \$50,000 and \$100,000. Central Trust Co., New York, and F. L. Littleton, Trustees. Authorized, \$50,000,000. Originally these bonds were not secured by mortgage, but the trust deed securing them provided that they were to be included in any new mortgage placed upon the property. As, in view of the consolidation of Dec, 1914, it was necessary to place certain mortgages on the property, these bonds are now, together with the below-described Gold 4s of 1906, secured by a mortgage, dated July 1, 1914, on all the property upon which the above described 3½s are a first lien, subject, however, to the lien of the 3½s. Listed on New York Stock Exchange. First publicly offered (\$40,000,000) in Dec, 1903, at 99 and interest. Interest paid without deduction for Normal Income Tax.

(25) \$50,000,000 Lake Shore & Michigan Southern Ry 25-Year Gold 4s of 1906; dated March 12, 1906; due May 1, 1931; int. M & N 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000 and \$5,000; and registered, \$1,000, \$5,000, \$10,000, \$20,000, \$50,000 and \$100,000. Central Trust Co., New York, and F. L. Littleton, Trustees. Authorized, \$50,000,000. Originally these bonds were not secured by mortgage, but the trust deed securing them provided that they were to be included in any new mortgage placed on the property. As, in view of the consolidation of Dec, 1914, it was necessary to place certain mortgages on the property, these bonds are now, together with the above-described Gold 4s of 1903, secured by a mortgage, dated July 1, 1914, on all the property upon which the above-described 3½s are a first lien, subject, however, to the lien of the 3½s. Listed on New York Stock Exchange. First publicly offered (\$15,000,000) in March, 1910, at 93¼ and interest. Interest paid without deduction for Normal Income Tax.

(26) \$400,000 Kalamazoo & White Pigeon RR First 5s; dated Jan 1, 1890; due Jan 1, 1940; int. J & J 1, at Grand Central Terminal, New York. Coupon, \$1,000, and registered, \$1,000 and \$5,000. Union Trust Co., New York, Trustee. Authorized, \$400,000. These bonds are now a direct obligation of the New York Central RR, and are a first lien on 36.54 miles of road from Kalamazoo to White Pigeon, Mich. Guaranteed, principal and interest, by endorsement by Lake Shore & Michigan Southern Ry Co. (since merged into New York Central RR Co. and guaranty assumed). Interest paid without deduction for Normal Income Tax.

(27) \$4,850,000 Indiana, Illinois & Iowa RR First Gold 4s; dated July 1, 1900; due July 1, 1950; int. J & J 1, at Grand Central Terminal, New York. Coupon, \$1,000; principal may be registered. Illinois Trust & Savings Bank, Chicago, and J. D. Oliver, Indianapolis, Trustees. Authorized, \$12,000,000, but limited to the amount now outstanding. A first lien on 192.08 miles of road from South Bend to Seatonville Junc., Ill., and Bradley, Cardiff, DePue, Churchill and M. C. branches, 11.93 miles—a total of

204.01 miles. Provision is made for the exchange, refunding or redemption of this issue in the C. I. & S. First Mortgage described in next paragraph. Assumed by the New York Central RR Co. in Dec, 1914. Listed on New York and Boston Stock Exchanges. First publicly offered (\$4,500,000) in Jan, 1901, at 97½ and interest. Interest paid without deduction for Normal Income Tax.

**(33) THE NEW YORK CENTRAL LINES EQUIPMENT TRUSTS OUTSTANDING,
DECEMBER 31, 1915.**

\$10,450,193.19 New York Central Lines 5% Equipment Trust of 1907; dated Nov 1, 1907; due one-fifteenth annually up to Nov 1, 1922; int. M & N 1, at Guaranty Trust Co., New York, Trustee. Coupon (principal may be registered), \$1,000, and registered, \$5,000, \$10,000 and \$50,000. Authorized and issued, \$30,000,000, of which \$14,000,000 outstanding as of Dec 31, 1915, the \$10,450,193.19 shown as outstanding above representing The New York Central RR Co.'s (consolidated company) proportion. The certificates were issued in payment of 90% of the cost of equipment for use on the New York Central Lines, the remaining 10% being paid in cash by the several companies interested. This equipment remains the property of the Trustee, by whom it is leased to the New York Central Lines, until all the certificates and interest obligations have been fully paid, when the title will pass to the New York Central Lines.

Under the provisions of the Trust, the principal and semi-annual interest on the certificates was guaranteed, jointly and severally, by the following five railroad companies: New York Central & Hudson River RR; Lake Shore & Michigan Southern RR; Michigan Central RR; Cleveland, Cincinnati, Chicago & St. Louis Ry, and Chicago, Indiana & Southern RR. The three first-named companies having in Dec, 1914, entered the consolidation of N. Y. Central RR, the consolidated company has assumed their several obligations under this trust.

The following statement shows the character of the equipment acquired, together with the total amount of certificates issued by the Guaranty Trust Co., and the amount outstanding as of Dec 31, 1915:

(34) **\$6,000,000 4½% Boston & Albany Equipment Trust of 1912;** dated Oct 1, 1912; due \$500,000 each Oct 1, from 1916 to 1927, inclusive; int. A & O 1, at Guaranty Trust Co., New York, Trustee. Coupon (principal may be registered), \$1,000; and registered, \$1,000, \$5,000, \$10,000 and \$50,000. Authorized, \$7,500,000; issued, \$7,348,000, of which \$1,348,000 were redeemed to Dec 31, 1915. The unissued certificates are reserved for future issue. Under date of Oct 1, 1912, The New York Central & Hudson River RR Co. became party to an agreement establishing the Boston & Albany Equipment Trust of 1912, under which, and subsequent leases, certain equipment will be acquired for use upon the Boston & Albany RR. The agreement provides that the total amount of trust certificates to be issued thereunder shall not exceed \$7,500,000,

or 90% of the cost of the equipment to be furnished. The New York Central & Hudson River RR Co. and the New York, New Haven & Hartford RR Co. entered into an agreement by which the New Haven Company was to assume one-half of the payments under this equipment trust and to become entitled to a one-half interest in the equipment, which, however, during the life of the trust, continues assigned to Boston & Albany RR use. The N. Y., N. H. & H. R. RR Co. has since withdrawn so far as it legally may from this agreement. Secured on 45 locomotives, 61 passenger cars, 6,605 freight cars and 100 ballast cars. First publicly offered (\$5,220,000) in Nov, 1912, at prices ranging from 99.93 and interest to 99.15 and interest. Normal Income Tax deducted from interest.

Miscellaneous Funded Obligations.—On Jan 1, 1916, the New York Central RR had also outstanding the following miscellaneous funded obligations all of which were assumed from the New York Central & Hudson River RR Co. at the time of merger of that company in Dec, 1914: (a) \$1,100,400 Note to the New York, New Haven & Hartford RR Co. issued in 1911, due July 1, 1936; interest (4¼%), payable J, A, J & O 1; authorized, \$1,310,000; (b) \$1,000,000 3½% Real Estate Mortgage, due May 1, 1923, covering Hudson River water front property in the neighborhood of 35th and 36th Streets, New York City, which property was held under lease for some years but title to which was acquired on March 14, 1913, for \$1,250,000; (c) also another mortgage for \$1,000,000, issued in 1913; due May 1, 1923, covering real estate in New York City.

BONDS AND INTEREST GUARANTEED, AS OF JAN 1, 1916.

The New York Central & Hudson River RR Co. formerly guaranteed the bonds of most of its leased lines, both as to principal and interest, and under the terms of the leases guaranteed the interest on the balance of the leased lines bonds. Following the consolidation of Dec, 1914, these guarantees have been assumed by the New York Central RR Co. The following statement shows in detail the company's guarantees:

Beech Creek RR.—\$5,000,000 First 4s and \$1,000,000 Second 5s, both issues guaranteed by New York Central RR Co., principal and interest, by endorsement.

Beech Creek Extension RR.—\$3,500,000 First 3½s and \$3,964,000 Consolidated 4s, both issues guaranteed by New York Central RR Co., principal and interest, by endorsement.

Annual meeting, second Monday in Jan.

General office, Philadelphia, Pa.

BOSTON & ALBANY RR (Operated under Lease).—Inc. Sept 4, 1867, in Mass; consolidation of Boston & Worcester RR and the Western RR Corp. On Nov 2, 1870, absorbed the Albany & West Stockbridge RR and the Hudson & Boston RR. Leased to The N. Y. C. & H. R. RR Co. for 99 years from July 1, 1900, rental being interest on the outstanding bonds; \$2,000,000 per annum, equal to 8% per annum upon the outstanding capital stock, and \$10,000 per year for expenses of organization; lease assumed at time of merger, in Dec, 1914, by N. Y. Central RR Co.

The Boston & Albany RR Co. leases the North Brookfield RR, Pittsfield & North Adams RR and Ware River RR and has contracts to operate the Chester & Becket RR and Providence, Webster & Springfield RR. The N. Y. C. & H. R. RR Co. had assumed all the obligations of the lessor company under these leases and contracts, and under the terms of a supplementary agreement issued \$5,500,000 special 3½% 100-year debenture bonds to cover certain property exempted under lease. These obligations have been assumed by New York Central RR Co.

Operating Contract.—The Mass. Public Service Comm. on Oct 15, 1914, on petition of the New York Central & Hudson River RR Co. approved a 99-year operating agreement between the Chester & Becket RR and the Boston & Albany RR. The road had been operated by the N. Y. C. & H. R. RR Co. under its lease of the Boston & Albany RR. Under the terms of the agreement the Boston & Albany RR Co. pays all operating expenses, interest on funded debt and taxes and receives all operating revenues. The agreement expires at the termination of the lease of the Boston & Albany RR by the New York Central RR Co.

The ten-year agreement entered into July 1, 1911, by the N. Y. C. & H. R. RR Co. and the N. Y., N. H. & H. R. Co., by which the latter had a half-interest in the net pecuniary results from operation of the B. & A. RR, was cancelled, effective as of Jan 31, 1914 (see *Manual* for 1915, pp. 1295, 1296).

In addition to above, the company owns 9.80 miles of surface line and branches, constituting the tracks of the Fourth Avenue St. Ry, New York City, operated by the New York Rys Co. under 999 years lease from July, 1896, at rental of \$400,000 per annum.

Capital Stock.—Authorized and outstanding, \$8,656,050 Com. and \$1,343,950 Pfd.; par, \$50. Dividends of 10% per annum on both classes of stock are paid semi-annually, J & J 1, from steam lines. Dividends of 4% per annum on street rental were regularly paid until April, 1909, when they were discontinued on account of franchise tax litigation, but were resumed on Oct 1, 1910, 1½% being paid on both classes of stock; April, 1911, 1½%; Oct. 1911, 2%; Jan, 1912, 7%, in payment of all accrued dividends; since that date 4% has been regularly paid. Transfer office, Grand Central Terminal, New York. Registrar: Union Trust Co., New York. Listed on N. Y. Stock Exchange.

Offer to Purchase Stock.—In Dec, 1911, the New York Central & Hudson River RR Co. (now New York Central RR Co.) offered to purchase any of the \$10,000,000 stock at \$175 per share. The New York & Harlem RR stockholders were also offered the right as a separate proposition to subscribe with the proceeds for New York Central & Hudson River RR 30-year 4% debentures at 92. Stockholders were subsequently notified that the New York Central would pay accrued dividends in addition. As of June 30, 1916, The New York Central RR Co. had acquired \$5,267,050 Com. and \$1,131,400 Pfd. stock.

The New York Central & Hudson River RR Co., in Dec, 1914, requested the New York Public Service Commission to cancel its previous authorization of \$16,470,000 of 30-year 4% debentures, due Jan 1, 1942, and 3-year 4½% notes, due May 1, 1915, in addition to the \$9,104,000 debentures and \$8,000,000 notes that it has used in the purchase of stock of the New York & Harlem RR.

Suit.—A suit was filed on May 18, 1914, by John Scott Boyd and four other stockholders (together owning 2,944 shares of the stock) in the U. S. District Court to restrain the New York Central & Hudson River RR Co. (now the New York Central RR Co.) and its officers from voting its holdings (stated to be 124,657 shares, or over two-thirds) in favor of a consolidation between the two companies. Judge Hough in the U. S. District Court on Feb 23, 1915, granted a temporary injunction in the above suit restraining the New York Central RR from merging the company.

Bonded Debt.—\$12,000,000 Refunding Gold 3½%; dated June 1, 1897; due May 1, 2000; int: M & N 1, at Grand Central Terminal, New York. NEW YORK CENTRAL LINES.

CLEVELAND, CINCINNATI, CHICAGO & ST. LOUIS RAILWAY CO.

(Controlled by New York Central RR Co.)

(See Accompanying Map)

History.—Incorporated June 27, 1889, in Ohio and Ind.; consolidation of Cleveland, Columbus, Cincinnati & Indianapolis Ry; Cincinnati, Indianapolis, St. Louis & Chicago Ry, and the Indianapolis & St. Louis Ry Companies. Subsequently the St. Louis, Alton & Terre Haute RR, and other companies were absorbed. In Jan, 1913, the Cincinnati & Springfield Ry Co., Columbus, Springfield & Cincinnati RR Co., Harrison Branch RR Co., Cairo, Vincennes & Chicago Ry Co. and Chicago, Indianapolis & St. Louis Short Line Ry Co. were merged; in June, 1915, the Cincinnati, Wabash & Michigan Ry Co., White Water RR Co., Fairland, Franklin & Martinsville RR Co. and Cincinnati & Southern Ohio River Ry Co., and in Dec, 1916, the Saline Valley Ry and the Evansville, Mount Carmel & Northern Ry. The system as now constituted extends from Indianapolis, Ind., westerly to Chicago, Peoria and St. Louis, etc., easterly to Cleveland, Sandusky, Columbus and Cincinnati, and southerly to Louisville, Ky.

Agreement with Wheeling & Lake Erie RR.—On Nov 1, 1913, the company entered into an agreement with the receiver of the Wheeling & Lake Erie RR Co. whereby the latter company uses the company's main and passing tracks between Wellington, Ohio, and a point one and a half miles east of Linndale, Ohio, a distance of approximately 32 miles, for the purpose only of handling its freight trains.

Acquisition of Coal Lands.—During 1912, an agreement was entered into with the Guaranty Trust Co., New York, providing for the purchase by the Trust Company, for the benefit of the C., C., C. & St. L. Ry Co., of approximately 76,000 acres of coal land in the State of Illinois, upon which advance payments of \$150,000 were made by the railroad company, the balance of the cost to be paid July 1, 1917, at which time the deed or deeds of such lands are to be delivered by the Trust Company.

New Trackage Agreements.—On March 12, 1912, the company entered into an agreement with the Erie RR, whereby each company uses the main track of the other between Dayton, O., and Cold Springs, O., a distance of about 18 miles, thereby making a double track arrangement which became operative Oct 15, 1912. To enable its passenger trains to reach a connection with the tracks of the Cincinnati, Hamilton & Dayton Ry Co. and to operate such trains to and from the Union Depot at Toledo, the C., C., C. & St. L. Ry Co., on April 8, 1912, entered into an agreement with the Toledo & Ohio Central Ry Co. providing for the use by the C., C., C. & St. L. Ry Co as a tenant of the latter company of about 3,700 feet of the main track of the Pennsylvania Co.

Interests in Other Companies.—The C., C., C. & St. L. Ry Co. owns a one-half interest in the Central Indiana Ry and Kankakee & Seneca RR; a one-fourth interest in the Peoria & Pekin Union Ry (the Peoria & Eastern Ry Co. owning a one-eighth interest); a one-fifteenth interest in the Terminal RR Assn. of St. Louis; a two-fifths interest in the Indianapolis Union Ry, and a controlling interest in the Cincinnati Northern RR and Peoria & Eastern Ry Companies. The latter company is leased until April 1, 1940. Together with the Chesapeake & Ohio Ry Co., this company owns

the entire capital stock of the Louisville & Jeffersonville Bridge Co., and guarantees its bonds. Also owns 44% of the Dayton & Union RR (jointly with Cincinnati, Hamilton & Dayton Ry controls a majority) and two-thirds of the Com. stock and one-third of the Pfd. stock of Central Union Depot & Ry of Cincinnati.

Evansville, Mount Carmel & Northern Ry.—Inc. Aug 1, 1906, in Ind., and Nov 7, 1906, in Ill., and has completed a railroad from Mount Carmel, on the Cairo Division, to Evansville, Ind. On Oct 17, 1910, the company so incorporated in Indiana, acquired by purchase, the property rights and franchises of said company of Illinois. On Nov 1, 1910, the Indiana company entered into an agreement with the C., C., C. & St. L. Ry Co., under which the latter operated the line of the former. The road was opened for traffic on July 1, 1911, entrance into Evansville being secured by trackage rights over the Louisville & Nashville RR, with joint use of its terminal facilities at that point. The Clev., Cin., Chi. & St. Louis Ry acquired the entire \$500,000 stock, and \$2,118,000 4½% bonds (out of an authorized issue of \$5,000,000) of the company, and formerly operated the property under a 99-year operating agreement dated Nov 1, 1910. The road was merged with the C., C., C. & St. L. Ry in Dec, 1916.

Saline Valley Ry.—Inc. April 6, 1907, in Ill., for the purpose of constructing a railroad from Harrisburg, Saline County, Ill., to Marion, Williamson County, Ill., of which two miles are being operated, from Harrisburg to coal mines in the vicinity. The Clev., Cin., Chi. & St. Louis Ry formerly owned the entire \$250,000 stock and \$575,000 bonds of the company, and leased the property for 99 years from Jan 1, 1911. The road was merged with the C., C., C. & St. L. Ry in Dec, 1916.

Peoria & Eastern Ry.—Since Jan 1, 1914, the operations of the Peoria & Eastern Ry Co., a majority of whose stock is owned by the Clev., Cin., Chic. & St. Louis Ry Co., have been included in the annual report of the latter company.

The full interest on these bonds was paid in the years 1902 to 1908, inclusive, from earnings of the preceding years; none paid on April 1, 1909; 4% paid on April 1, 1910, from earnings of 1909; 4% paid on April 1, 1911, from earnings of 1910; none paid on April 1, 1912; 4% on April 1, 1913, out of earnings of 1912; none since. Secured on the property covered by the First Consolidated 4s, but are subject thereto. Listed on N. Y. Stock Exchange. Normal Income Tax deducted from interest.

Protective Committee.—In July, 1914, a committee for the above income bonds requested deposits of the same with the Empire Trust Co., New York and London, Depositary. Committee consists of John F. Wallace, Chrm.; Thomas Denny, Floyd W. Mundy, Lewis E. Waring, and Daniel Chauncey, with Frank D. Ketcham as Sec., 80 Broadway, New York. Crisp, Randall & Crisp, New York, is counsel for committee. Committee states that a large amount of bonds has been deposited. It states that in its belief a thorough investigation of the affairs of company would show earnings applicable to the interest on said bonds. A preliminary examination and report was procured in which conditions were disclosed, which, in the opinion of the committee, clearly justified further investigation. In Jan, 1916, the New York Stock Exchange listed **\$1,094,000** Empire Trust Co. certificates' of deposit for the income bonds.

NEW YORK CENTRAL LINES.

INDIANA HARBOR BELT RAILROAD CO.

(Joint Control.)

(See Accompanying Map)

History.—Incorporated in Ill., originally as the East Chicago Belt RR Co; name changed to present title on June 29, 1907. The company purchased the capital stock of the Indiana Harbor RR Co. of Ill. and took a conveyance of the entire railroad properties, operating rights, etc., possessed by that company, and assumed Michigan Central RR Co. 4% bonds amounting to \$725,000 covering the line from Chappell to the Union Stock Yards.

The company purchased from the Chicago Junction Ry Co. the "Outer Belt" line, extending from Franklin Park to McCook and from Blue Island to Whiting, and has taken an assignment of the later company's rights over the Calumet Western Ry, the South Chicago & Southern RR and the Calumet River Ry, also acquiring one-half of the capital stock of the Calumet Western Ry Co. The Indiana Harbor Belt RR has assumed the \$2,500,000 6% bonds of the Chicago, Hammond & Western RR Co. outstanding on the "Outer Belt" line of the Chicago Junction Ry Co.

In accordance with an agreement dated April 13, 1911, between the Chicago, Milwaukee & St. Paul Ry Co., Chicago & North Western Ry Co., The Michigan Central RR Co. and The Lake Shore & Michigan Southern Ry Co., the two latter companies sold in equal proportions to the Chicago, Milwaukee & St. Paul Ry Co. and the Chicago & North Western Ry Co., 40% of their entire holdings in the capital stock and a like interest in certain other obligations of the Indiana Harbor Belt RR Co. The Lake Shore & Michigan Southern Ry Co., and the Michigan Central RR, through this transaction each disposed of 4,900 shares of the capital stock and \$447,538.65 of promissory notes of the Indiana Harbor Belt RR Co.

NEW YORK CENTRAL LINES

LAKE ERIE & WESTERN RAILROAD COMPANY

(Controlled by New York Central RR Co.)

(See Accompanying Map)

History.—Incorporated, Feb 10, 1887, in Ill.; reorganization of Lake Erie & Western Ry, sold under foreclosure Dec 13, 1886. Owns the entire capital stock of the Fort Wayne, Cincinnati & Louisville RR, covering lines from Fort Wayne to Connorsville, with branch from Newcastle to Rushville—a total of 128.63 miles. Owns also the entire \$3,580,000 Com. stock of the Northern Ohio Ry Co., and operates its line under lease dated Oct 1, 1895, for 999 years from April 1, 1895.

Contract for trackage rights, limited to through passenger trains, entered into with the Chicago, Indiana & Southern RR, between Walkerton and South Bend, Ind., was finally executed Nov 19, 1912. Through passenger service between Indianapolis and South Bend, Ind., was established Jan 1, 1911, under this contract, and very satisfactory business has been developed between the northern and southern portions of the State of Indiana, which has proven profitable, not only to the Lake Erie & Western RR, but to connecting New York Central Lines.

Control.—The Lake Shore & Michigan Southern Ry Co. in 1899 acquired a controlling interest in the stock of this company, and formerly owned \$5,940,000 of the Com. and \$5,930,000 of the Pfd. stock, which the New York Central RR Co. acquired at time of consolidation in Dec, 1914.

NEW YORK CENTRAL LINES.

MICHIGAN CENTRAL RAILROAD COMPANY

(Controlled by N. Y. Central RR Co.)

(See Accompanying Map)

History.—Incorporated in 1846, in Mich., and on Sept 25, 1846, acquired from the State of Michigan the railroad line from Detroit to Kalamazoo, 144 miles, which had been completed by the State, the purchase price being \$2,000,000. The line was extended to Niles, 47 miles, in 1848; to Michigan City, Ind., 37 miles, in 1850, and to Kensington, Ill., 43 miles, in May, 1852. The Michigan Legislature, at a special session in 1900, repealed the original charter of the company, which accordingly surrendered its charter and was re-incorporated under the General Railroad Law of the State of Michigan as of Dec 30, 1901.

On Dec 1, 1906, acquired a majority of the capital stock of the Chicago, Kalamazoo & Saginaw Ry Co., owning a railroad from Pavilion to Woodbury, Mich., 55.3 miles; on May 1, 1907, purchased the entire capital stock of the Detroit & Charlevoix RR Co., owning the line, Frederic to East Jordan, Mich., 42.66 miles, and on June 19, 1912, purchased the entire railroad and property of the Buchanan & St. Joseph RR Co. for a nominal consideration, all of the stock of the latter company being owned by the Michigan Central RR Co.

The Canada Southern Ry system is operated by this company under an agreement effective Jan 1, 1904, running for 999 years, the lessee having covenanted to pay interest on the Canada Southern Ry bonds, and dividends on its \$15,000,000 capital stock at the rate of 2½% per annum until Jan 1, 1910, and since that date at the rate of 3% per annum. The Michigan Central RR Co. owns \$7,810,000 of the stock, and under an indenture dated Oct 1, 1912, guarantees the payment of the principal and interest of \$40,000,000 50-year 5% gold bonds, of which \$22,500,000 have been issued and sold, the proceeds being used in the redemption of \$14,000,000 First Mortgage bonds which matured Jan 1, 1913; \$6,000,000 of Second Mortgage bonds which matured March 1, 1913; and the balance to pay for improvements to the property of the Canada Southern Ry Co. made and contemplated.

Detroit, Toledo & Milwaukee RR.—The company and New York Central RR Co. are joint owners of the Detroit, Toledo & Milwaukee RR, which for convenience of operation, has been divided between the owners. During the year 1913, 39.17 miles of this line between Battle Creek and Allegan were sold to the Michigan & Chicago Ry Co., leaving 47.15 miles from Moscow to Battle Creek, Mich., still operated by Michigan Central RR.

Detroit River Tunnel Co.—The Michigan Central RR Co. owns the entire capital stock and guarantees the bonds of this company. The double tube tunnel under the Detroit River, including interlocking system, electrical sub-stations and equipment, was fully completed in Oct, 1910. Under date of May 10, 1911, an agreement supplemental to the lease of Dec 19, 1906, was made, whereby the Detroit River Tunnel Co. constructed a passenger station, terminal yards and accommodations in Detroit, which facilities are operated by the Michigan Central RR, that company having agreed to guarantee the principal and interest on \$30,000,000 Detroit River Tunnel Co. Terminal and Tunnel Gold bonds, dated May 1, 1911, as issued. The new passenger terminal, which is a combined 17-story office building and passenger station, with 11 tracks, was opened for traffic on Dec 26, 1913. The cost of the new terminal was reported as about \$7,000,000.

Acquisition of Subsidiaries—Proposed New Mortgage.—On June 8, 1916, shareholders of the following subsidiaries of the company voted to transfer their properties, franchises, etc., to the Michigan Central RR, the mergers becoming effective on the dates given: Detroit & Charlevoix RR, Sept 27, 1916; Bay City & Battle Creek Ry, Sept 27, 1916; Detroit, Delray & Dearborn RR, Sept 29, 1916; Detroit Belt Line RR, Dec 26, 1916; Kalamazoo & South Haven RR, Sept 27, 1916; Detroit & Bay City RR, Sept 27, 1916; Michigan Air Line RR, Sept 27, 1916; Toledo, Canada Southern & Detroit Ry, Sept 27, 1916; Jackson, Lansing & Saginaw RR, Sept 27, 1916, and Grand River Valley RR, Sept 15, 1916. Similar action is expected in the case of the following other subsidiaries; Battle Creek & Sturgis Ry; Canada Southern Bridge Co.; Chicago, Kalamazoo & Saginaw Ry; Detroit, Toledo & Milwaukee RR; Joliet & Northern Indiana RR; Lansing Transit Ry and St. Clair & Western RR. In connection with this transfer an official statement was issued to stockholders dated Dec 8, 1916, outlining proposed new financing by an issue of bonds. Stockholders of the Michigan Central RR Co. voted Feb 7, 1917, to authorize a new First and Refunding Mortgage for \$100,000,000. The following is a digest of the official statement:

"With your approval, the Company has recently taken conveyances of the railroads of certain of its subsidiaries, namely, those of the Detroit & Bay City RR, Kalamazoo & South Haven RR, Michigan Air Line RR, Jackson, Lansing & Saginaw RR, Toledo, Canada Southern & Detroit Ry, Grand River Valley RR, Bay City & Battle Creek Ry, Detroit Belt Line RR, Detroit & Charlevoix RR and Detroit, Delray & Dearborn RR companies. The mileage thus acquired aggregates over 900 miles, increasing the owned mileage from about 270 miles to something over 1,200 miles.

"The bonded debt of the Michigan Central RR Co., including that secured by mortgages upon its former subsidiaries above named, and which by the terms of the conveyances the company has agreed to pay, aggregates approximately \$40,000,000.

"In order to provide moneys required for future additions and improvements and for other capital purposes and also to provide for the refunding of bonds which are or may hereafter be secured by liens on property subject to the mortgage (but not the bonds of the Canada Southern Ry Co. or of the Detroit River Tunnel Co.), it is proposed that the company shall execute a Refunding & Improvement Mortgage under which bonds to an amount not exceeding \$100,000,000 may be issued. The Debentures of 1909 will be secured by such mortgage on a parity with all bonds to be issued thereunder.

"The new bonds will be issued in series, each series to bear such a rate of interest, mature on such date and be redeemable before maturity at such price as the board in regard to that particular series may determine. The mortgage will cover the company's owned lines of railroad and such leaseholds and other property as the directors shall determine and as shall be described therein; and, by supplemental indenture, the lien thereof may be extended so as to include other properties. After \$10,000,000 of such bonds shall have been issued for other than refunding purposes, bonds thereafter issued thereunder for additions and betterments or the acquisition of property shall be limited to 70% of the cost thereof.

"The Canada Southern Ry and the property of the Detroit River Tunnel Co. are leased to the company for long terms. These leaseholds will be subject to the new mortgage, but as the Canada Southern Ry Co. now has \$17,500,000 of its own bonds unissued, and as the Detroit River Tunnel Co. has \$12,000,000 of its own bonds unissued, it will be provided in the mortgage that expenditures on those leased properties may be taken care of out of the proceeds of their unissued bonds and that the proceeds of Refunding & Improvement Mortgage bonds shall not be used for that purpose."

The length of tunnel is 2.72 miles; construction was begun in Oct, 1906, and on Oct 9, 1910, it was put into experimental use for through freight traffic. Regular freight and passenger service began Oct 16, 1910. Leased in perpetuity to Michigan Central RR Co., at annual rental of interest on the bonds, dividends of not less than 4% on the stock, maintenance and operating expenses. Under date of May 10, 1911, an agreement, supplemental to the lease of Dec 19, 1906, was made with the Michigan Central RR, whereby the Detroit River Tunnel Co. constructed a passenger station, terminal yards and accommodations in Detroit, which facilities are now operated by Michigan Central RR. The new passenger terminal was opened for traffic on Dec 26, 1913.

Capital Stock.—Authorized and issued, \$3,000,000; par, \$100. All owned by the Michigan Central RR Co. Dividends at rate of 10% were paid in 1912; 1913, 12%; 1914, 1915 and 1916, 6% each. Payments semi-annually, J & J 15.

Bonded Debt.—\$18,000,000 Detroit Terminal & Tunnel First Gold 4½s; dated May 1, 1911; due May 1, 1961; int. M & N 1, at Grand Central Terminal, New York. Coupon (principal may be registered), \$1,000 and registered, \$1,000, \$5,000 and \$10,000; interchangeable. Guaranty Trust Co., New York, Trustee. Authorized, \$30,000,000, of which \$12,000,000 are reserved for addi-

tions and improvements to the mortgaged property, under restrictions. A first lien on all present and future property, real and personal, of the Tunnel Co., including its double track tube tunnel and approaches, 2.72 miles in length, with the electrical locomotives and other equipment for the operation thereof; extensive terminal property in Detroit, including Union Passenger Station, and the rights of the company in the lease in perpetuity to the Michigan Central RR Co. Guaranteed, principal and interest, by endorsement, by Michigan Central RR Co. Listed on New York Stock Exchange. First publicly offered (\$16,000,000) in May, 1911, at 102 and interest. Interest paid without deduction for Normal Income Tax.

NEW YORK CENTRAL LINES.

PITTSBURG & LAKE ERIE RAILROAD COMPANY.

(Controlled by New York Central RR Co.)

(See Accompanying Map)

History.—Incorporated May 18, 1875, in Pa.; main line opened in Feb, 1879. Owns the entire capital stocks of the Beaver & Ellwood RR and the Mahoning State Line RR. The P. & L. E. RR Co. and the Pittsburgh, Cincinnati, Chicago & St. Louis Ry Co., jointly control the Pittsburgh, Chartiers & Youghiogheny Ry; and this company jointly with the Pennsylvania RR Co. and Pennsylvania Co. owns the entire stock of the Monongahela Ry. See separate statements for these companies.

The Pittsburgh & Lake Erie RR Co. in Sept, 1905, acquired a one-half interest in the railroad properties and franchises of the Little Kanawha Syndicate, which included the Little Kanawha RR, Burnsville & Eastern RR, Buckhannon & Northern RR, Belington & Northern RR, Parkersburg Bridge & Terminal RR, Marietta, Columbus & Cleveland RR and Zanesville, Marietta & Parkersburg RR. In Nov, 1905, the company acquired a one-half interest in the Green County RR Syndicate, owning railroad properties and franchises in Green and Washington Counties, Pennsylvania. The Buckhannon & Northern RR was merged with the Monongahela RR to form the Monongahela Ry in July, 1915.

Final settlements for the purchase of the Little Kanawha Syndicate properties had been deferred owing to defects in title and litigation in the courts, but these matters were finally adjusted and the balance in full paid by the owning companies on June 21, 1912.

The P. & L. E. RR Co. on Dec 14, 1907, acquired by purchase from the Mahoning Coal RR Co. a half-interest in the Lake Erie & Eastern RR Co., under construction through the city of Youngstown, Ohio, and sold to that company a half-interest in the Lake Erie, Youngstown & Southern RR Co. On June 14, 1912, the Lake Erie, Youngstown & Southern RR Co. was merged and consolidated with the Lake Erie & Eastern RR Co. The Lake Erie & Eastern RR formally opened to traffic Jan 18, 1915, its line, built at a cost, it is stated, of about \$6,000,000. The line, about 7 miles long, extends from Struthers, $4\frac{1}{2}$ miles south of Youngstown, O., on the main line of Pittsburgh & Lake Erie RR northwesterly through Youngstown, following the Mahoning River to a connection with the Pennsylvania lines at Girard.

On Feb 16, 1911, an agreement was executed by the Nypano RR, the Lake Shore & Michigan Southern Ry, the Erie RR, the Cleveland & Mahoning Valley Ry and The Pittsburgh & Lake Erie RR, known as the Tripartite Agreement, modifying, more clearly defining and embodying in a single instrument such provisions as are to be continued, of the amended agreements of Oct 20, 1877, relative to track connections, handling of traffic and the rights of the parties interested.

On the same date an agreement was executed by the Erie RR with the Pittsburgh & Lake Erie RR giving the latter company the use of the New Castle branch of the Sharon Ry in common with the Erie RR lessee, for the handling of certain through business to and from points located on or beyond such branch.

Traffic Agreement with Western Maryland Ry.—In Jan, 1910, a traffic arrangement covering a period of 99 years, was concluded between the Western Maryland Ry and the Pittsburgh & Lake Erie RR. The contract as executed involved immediate extension of the Western Maryland line from Cumberland, Md., to a connection with the Pittsburgh & Lake Erie line at Connellsville, Pa. (58 miles from Pittsburgh and 83 miles from Cumberland), and provides for full through traffic arrangements between the two lines, opening lines and terminals of each company to the traffic of the other company and its through connections. This extension, built under the title of the Connellsville & State Line Ry, was opened for preliminary operation Aug 1, 1912.

NEW YORK CENTRAL LINES

RUTLAND RAILROAD COMPANY

(Controlled Jointly by New York Central and N. Y., New Haven & H. RR Cos.)

(See Accompanying Map)

History.—Incorporated in July, 1867, in Vt.; reorganization of Rutland & Burlington RR. In Jan, 1901, absorbed the Rutland-Canadian RR; the Bennington & Rutland Ry in July, 1901; the Ogdensburg & Lake Champlain Ry on Sept 27, 1901, and the Chatham & Lebanon Valley RR in Dec, 1901. The Rutland RR Co. owns practically the entire capital stocks of the Addison RR, the Rutland & Noyan Ry, the Ogdensburg Terminal Co. and the Rutland Transit Co., the latter operating a steamship line on the Great Lakes, between Ogdensburg and Chicago, Milwaukee and Duluth, and owning wharves and warehouse properties on the Chicago River.

Control.—On Dec 31, 1910, the New York Central & Hudson River RR Co. (now New York Central RR Co.), owned \$4,704,100 (a majority) of the Pfd. stock of the Rutland RR Co., and in Feb. 1911, sold a one-half interest, \$2,352,050, to the New York, New Haven & Hartford RR Co., the stock to go into the treasury of the Vermont Valley RR. On May 9, 1912, the Public Service Commission of N. Y., Second District, granted permission to the "New Haven" company to purchase the remaining one-half interest, but in July, 1912, a temporary order was granted by Justice Gerard, at the request of the minority stockholders' committee restraining the New Haven from purchasing control. On Dec 14, 1912, the Appellate Division of the Supreme Court reversed the decision of Justice Gerard, and vacated the temporary injunction granted at the instance of the Delavan minority stockholders' Committee restraining the sale by the New York Central & Hudson River RR Co. to the New York, New Haven & Hartford RR Co. of one-half interest in the majority stock not already owned by the New Haven road.

NEW YORK CENTRAL LINES

TOLEDO & OHIO CENTRAL RY (THE)

(Controlled by New York Central RR Co.)

(See Accompanying Map)

Incorporated June 29, 1885, in Ohio, and acquired the main line and Columbus branch of the Ohio Central RR, sold under foreclosure April 15, 1885. The property of the Columbus & Northwestern Ry was purchased March 1, 1901, and is operated as the St. Mary's Division of the road. The company operates throughout the soft coal dis-

tract of southern Ohio, and owns, in addition to its railroad mileage, about 3,000 acres of coal lands. It also controls, through entire stock ownership, the Zanesville & Western Ry—see appended statement.

Purchase of Kanawha & Michigan Ry Stock.—By a decree handed down March 14, 1914, in United States District Court for the Southern District of Ohio, Eastern Division, the Chesapeake & Ohio Ry and the Lake Shore & Michigan Southern Ry companies were ordered to sell the \$4,029,200 and \$4,029,600 Kanawha & Michigan Ry Co. stock, respectively held by them. In accordance with this decree these two companies sold their holdings of this stock to the Toledo & Ohio Central Ry Co. as of June 1, 1914, the Chesapeake & Ohio Ry Co. receiving par for its holdings and the Lake Shore & Michigan Southern Ry Co. the one-year 5% note of the Toledo & Ohio Central Ry Co., dated Oct 1, 1914, amounting to \$2,901,312. In consequence of these purchases the Toledo & Ohio Central Ry Co. now owns about 99½% of stock of the Kanawha & Michigan Ry Co.

Sale of Sunday Creek Co. Stock.—Judge Warrington, in United States District Court at Cincinnati, on Nov 7, 1914, approved the sale of the stock of the Sunday Creek Co., held by the Hocking Valley Ry Co. and Toledo & Ohio Central Ry Co. (\$3,237,500 and \$513,700 respectively) in accordance with the decision of the Court, made March 14, 1914, to John S. Jones, of Chicago, Ill., for a sum not made public, but stated to be "not less than \$50,000."

Liability for Guaranty.—On Oct 2, 1916, Justice Greenbaum in the Supreme Court at New York, handed down a decision holding that the company must carry out the terms of its guaranty of \$3,500,000 First Mortgage 5% bonds (\$2,842,000 outstanding) of the Kanawha & Hocking Coal & Coke Co., issued in 1901, and which were defaulted, principal and interest. The suit was brought against the company by Daniel E. Pomeroy, Lewis L. Clarke, Walter Buckner and Stacy G. Richmond.

Sale of Guaranteed Bonds.—It was announced in Dec, 1916, that the committee for the Continental Coal Co. First Mortgage 5% bonds, jointly guaranteed by the Toledo & Ohio Central Ry Co. and the Hocking Valley Ry Co., that the bonds of this issue deposited with the committee (\$1,498,000) had been sold to the New York Central RR Co., together with the committee's judgment against the Toledo & Ohio Central Ry Co. and all the committee's right of action against the Hocking Valley Ry Co. for the principal amount of the judgment and the par amount of the bonds not included in the judgment, with interest on the judgment and bonds accrued up to Dec 21, 1916. It was also announced in Dec, 1916, that the New York Central RR Co had been authorized to purchase at par and interest the First Mortgage bonds of the Kanawha & Hocking Coal & Coke Co. (jointly guaranteed by the Toledo & Ohio Central Ry Co. and Hocking Valley Ry Co.) from those holders who had deposited the same with the bondholders' committee, amounting to \$2,495,000. The amounts of bonds so acquired up to Jan 17, 1917, were as follows: Continental Coal Co. First 5s, \$1,500,000; Kanawha & Hocking Coal & Coke Co. First 5s, \$2,513,000.

RAILROADS CONTROLLED BY TOLEDO & OHIO CENTRAL RY.

KANAWHA & MICHIGAN RAILWAY CO.

(See Accompanying Map)

History.—Incorporated April 24, 1890, in Ohio and W. Va.; successor to Kanawha & Ohio Ry, sold under foreclosure March 4, 1890. Operates through the Kanawha coal district of West Virginia. Controls the entire output of the Kanawha & Hocking Coal & Coke Co., which owns or leases more than 33,000 acres of coal lands.

This company holds the entire capital stock (\$1,000,000) and all the bonds (\$1,000,000) of the Point Pleasant Bridge Co., owning the bridge over the Ohio River at Point Pleasant, W. Va.

Control.—The Kanawha & Michigan Ry Co. was controlled by the Toledo & Ohio Central Ry (which was controlled by the Hocking Valley Ry Co.) until the early part of 1910, when control passed to the Chesapeake & Ohio Ry Co. and the Lake Shore & Michigan Southern Ry Co. The Lake Shore & Michigan Southern Ry and the Chesapeake & Ohio Ry Companies early in 1910 acquired \$4,510,000 of company's stock and up to June 1, 1914, had purchased 35,484 additional shares from the minority stockholders making a total of \$8,058,800 of the stock held by the Lake Shore and Chesapeake & Ohio companies, as of that date, the former owning \$4,029,600 of the stock and the latter \$4,029,200 of the stock. Under the decree of the United States Circuit Court, handed down March 14, 1914, the Chesapeake & Ohio Ry Co. and the Lake Shore & Michigan Southern Ry companies sold their holdings of stock of the Kanawha & Michigan Ry Co. to the Toledo & Ohio Central Ry Co. as of June 1, 1914. For its holdings of Kanawha & Michigan Ry Co. stock the Chesapeake & Ohio Ry Co. received \$4,029,200 with interest from June 1, 1914, to the date of consummation of the sale and transfer of the stock, payment being made \$2,000,000 in cash and the remainder in a note of the Toledo & Ohio Central Ry Co. which matured Sept 1, 1915, guaranteed by the Lake Shore & Michigan Southern Ry Co. (now New York Central RR Co.), and otherwise fully secured. The Lake Shore & Michigan Southern Ry Co. received for its holdings, the one-yr 5% note of Toledo & Ohio Central Ry Co., dated Oct 1, 1914, amounting to \$2,901,312.

Acquisition.—In Sept, 1916, the company acquired practically the entire capital stock of the Kanawha & West Virginia RR. See appended statement.

Annual meeting, first Tuesday in Oct, at Columbus, O.

General office, Grand Central Terminal, New York.

NEW YORK CENTRAL LINES.

TORONTO, HAMILTON & BUFFALO RY CO.

(Controlled Jointly by New York Central System and Canadian Pacific Ry Co.)

History.—Incorporated Dec 1, 1892, in Canada; successor to the Brantford, Waterloo & Lake Erie Ry. About 73% of the stock is owned by The New York Central System and the remainder by the Canadian Pacific Ry Co. Line of road: Waterford Junc. to Welland Junc., Ont., 79.88 miles; branches, 22.27 miles; trackage rights, 4.36 miles—total, 106.51 miles; second track, 10.17 miles; sidings, 95.96 miles. In addition Company owns and leases to Canadian Pacific Ry, 1.48 miles main line and 1.48 miles second track. Gauge, standard. Equipment: Locomotives, 30. Passenger and baggage cars, 17. Freight cars, 203. Service cars, 30. Total engines and cars, 280. In addition to above equipment, 4 locomotives, 999 box cars, 100 flat cars, 150 gondolas and 50 Hart convertible cars are covered by equipment trust obligations.

Erie & Ontario Ry.—Merger.—On May 27, 1914, the Erie & Ontario Ry Co. was incorporated in Canada to build and operate a railroad from Smithville to Dunnville and thence to Port Maitland, a total of about 20 miles. The Toronto, Hamilton & Buffalo Ry Co. made arrangements with the incorporators of the new company for the financing of the construction of the proposed line, under an agreement providing for the amalgamation of the two companies. The amount required for this financing was estimated at \$600,000, and this sum the Toronto, Hamilton & Buffalo Ry Co. borrowed from or through the companies owning its capital stock. The amalgamation agreement, which received approval of the stockholders of both companies, and also was approved by the Railway Commission of Canada, provided that the name of the amalgamated company should be the Toronto, Hamilton & Buffalo Ry Co., that the authorized capital stock of the amalgamated company should be increased by \$500,000 (the authorized capital stock of the Erie & Ontario Ry Co.), and that the amount of bonds which might be issued should be limited to \$45,000 per mile. The merger act of the Canadian Parliament was approved April 8, 1915. That part of the Erie & Ontario Ry between Smithville & Dunnville, 15 miles, was completed and placed in operation in Dec, 1914, and the line from Dunnville to Port Maitland is being pushed to early completion.

Exchange of Securities.—In connection with the issuance of the above mentioned Consolidated Mortgage bonds, a proposition was made to the owners of the Second Mortgage bonds previously outstanding to accept stock of the company at par in ex-

change for their holdings, which offer was subsequently accepted on the exchange carried out, leaving available for sale, when the company requires it, approximately \$6,720,000 consolidated mortgage bonds.

Capital Stock.—Authorized, \$5,000,000; outstanding, \$4,512,500 (increased in May, 1916, from \$3,500,000 to provide for the retirement of \$1,000,000 Second Gold 4s, then outstanding, etc.); par, \$100. The New York Central RR Co., Michigan Central RR Co., and Canada Southern Ry Co. own together 73% of the stock and the remainder is owned by the Canadian Pacific Ry Co. A cash dividend of 20% (\$500,000) was paid in Oct, 1912, on the \$2,500,000 stock then outstanding. Quarterly dividends of 1½% each were paid from Oct 1, 1913, to July 1, 1914, both inclusive; none thereafter until Jan 2, 1917, when 1¼% was paid.

Bonded Debt.—\$3,280,000 First Gold 4s; dated June 1, 1896; due June 1, 1946; int. J & D 1, at Lincoln National Bank, New York, at American Trust Co., Boston (Trustee) and in London. Coupon (principal may be registered), and registered, \$1,000; interchangeable. Authorized, \$3,280,000. A first lien on entire property. Listed on New York Stock Exchange. First publicly offered (\$3,280,000) in March, 1899, at par. Normal Income Tax deducted from interest.

\$2,000,000 Consolidated Gold 4½s, Series "A"; dated Aug 1, 1916; due Aug 1, 1966; int. F & A 1, at office or agency of company, New York. Coupon (principal may be registered), \$1,000, and registered, \$1,000, \$5,000 and multiples. Guaranty Trust Co., New York, Trustee. Authorized, \$10,000,000. Of the above amount, \$1,630,000 was issued to reimburse the treasury of the company for capital expenditures already made and to repay certain unfunded indebtedness and \$370,000 to provide means for further capital expenditures. Of the unissued bonds, \$3,280,000 are reserved to retire the above described First 4s and the balance (\$4,720,000) is issuable in series from time to time at not exceeding 5% interest, to provide funds for improvements to or betterments of property, provided that not exceeding \$2,000,000 shall be used for the construction or acquisition of railroad equipment and not exceeding \$1,000,000 for acquisition or construction of steam or other vessels. Subject to call as an whole or in complete series at 110 and interest on any interest date upon 90 day's notice. A lien, subject to the above described First 4s on entire property of company, with the exception of certain lands owned but not used for railway purposes. Guaranteed, principal and interest, by New York Central RR Co., Michigan Central RR Co., Canada Southern Ry Co. and Canadian Pacific Ry Co.

Note.—The \$1,000,000 Second 6s, due June 1, 1946, described in the 1916 RR Manual, were retired and cancelled in May, 1916.

Annual meeting, Tuesday preceding first Wednesday in June, at Hamilton, Ont.

Offices, Hamilton, Ont., Rochester, N. Y., Detroit, Mich., and Grand Central Terminal, New York.

NEW YORK CONNECTING RR (THE) (Joint Control).—Inc. April 21, 1892, in N. Y., to build a railroad from a point north of the New York & Harlem RR in the Borough of Bronx, City of New York, to a connection with the Pennsylvania Tunnel & Terminal RR in Long Island City, and with the Long Island RR in Queens Borough. The road, which will eventually be operated by electricity, will form a connecting link between the Pennsylvania and New Haven systems for the interchange of through freight and passenger traffic, thereby making an all-rail route between New England and the West and South. The road, which is entirely in New York City, will extend as a four-track line from a connection with the New Haven system at Port Morris, Bronx Borough, to Bowery Bay Junc., near 14th Ave., Queens Borough, and then as a two-track line: (a) For freight traffic to Fresh Pond Junc., from which point Company will have trackage over the Long Island RR to Bay Ridge, whence the freight will be floated across New York Bay to Greenville, Jersey City, less than 3½ miles, instead of being floated, as at present, from the Bronx, down the East River, to Jersey City, over 14 miles; (b) For passenger traffic to Woodside Ave., Queens Borough, connecting there with the New York tunnel extension of the Pennsylvania system, via which passenger trains will reach Pennsylvania Station, New York City. The bridge over the East River, recently completed, is the longest steel arch bridge in the world, having a span of about 1,000 ft. and a clearance of 150 ft. above water. The remainder of the road will be constructed either over or under all streets which are crossed. Road is being built and financed jointly by the New York, New Haven & Hartford RR Co., and the Pennsylvania RR Co., and will be operated by the former and results shared with the latter in proportion to respective earnings on freight interchanged.

Total mileage will include 8.96 miles of main line (including spur connecting with the Penna. Tunnel & Terminal RR, 0.91 mile), all of which is in course of construction and in various stages of completion. Construction is progressing between tracks of N. Y., N. H. & H. RR in the Bronx to the tracks of the Pennsylvania RR in the Borough of Queens. This section constitutes the most difficult and expensive portion of the road, as it includes the large bridges over the East River, Little Hell Gate and the Bronx Kills, with the long viaduct approaches. It was expected that construction would be completed in April, 1917.

Capital Stock.—Authorized and outstanding, \$3,000,000; par, \$100. Owned equally by Pennsylvania RR Co. and New York, New Haven & Hartford RR Co.

Bonded Debt.—\$24,000,000 First Gold 4½s, Series A; dated Aug 1, 1913; due Aug 1, 1953; int. F & A 1. Coupon interest at treasurer's office of the Pennsylvania RR, Philadelphia; registered at American Exchange National Bank, New York. Guaranty Trust Co., New York, Trustee. Coupon (principal may be registered), \$1,000; and registered, \$1,000; \$5,000, \$10,000, \$25,000 and \$50,000; interchangeable. Authorized, \$30,000,000. Subject to call as a whole or in part at 105 and interest, on any interest due on or after Aug 1, 1918, upon 90 days' notice. Guaranteed, principal and interest, jointly and severally, by endorsement by the New York, New Haven & Hartford RR and the Pennsylvania RR Cos. Issued to provide for redemption of \$7,000,000 three-months' notes matured Nov 21, 1913, and for construction, etc. A first lien on all property. Listed on New York Stock Exchange. First publicly offered (\$11,000,000) in Nov, 1913, at 94½ and interest. Normal Income Tax deducted from interest.

NEW YORK, CHICAGO & ST. LOUIS RAILROAD CO.

(Controlled by Nickel Plate Securities Corp.)

History.—Inc. in Sept, 1887, in Ohio, Ind., N. Y., and Pa.; a reorganization of the New York, Chicago & St. Louis Ry, sold under foreclosure May 19, 1887. Owns the entire outstanding \$1,500,000 capital stock of the Chicago & State Line RR, Indiana State line to 71st St., Chicago, 10.45 miles, and leases its line at rental of \$100 per annum and administration expenses. Since the latter company does not keep up an independent organization for the purpose of distributing income, the lease is treated as effecting a consolidation in fact.

Change in Control.—The New York Central RR Co. on July 6, 1916, sold its controlling interest in the stock of the New York, Chicago & St. Louis RR Co., including \$6,240,000 Com., \$6,275,000 Second Pfd., and \$2,503,000 First Pfd. stock to Cleveland interests, represented by O. P. and M. J. Van Sweringen, for \$8,500,000, of which \$2,000,000 was paid in cash and \$6,500,000 in notes secured by pledge of the stock. Ten notes of \$650,000 each were given. The first note is payable in five years and the others thereafter at intervals of one year each. The notes bear interest at 4% for the first five years and 5% thereafter.

PENNSYLVANIA RAILROAD COMPANY.

(See Accompanying Map)

History.—Incorporated April 13, 1846, in Pa.; the main line, Harrisburg to Pittsburg, 248 miles, being put in operation on Feb 15, 1854. From time to time other lines have been acquired and merged with the parent company. The United New Jersey RR & Canal Co. and the Philadelphia & Trenton RR Co. are operated under 999 year lease, dated June 30, 1871. The Schuylkill & Juniata RR and Trenton Cut-off RR were absorbed on April 1, 1902. The Downingtown & Lancaster RR, River Front RR, Turtle Creek Valley RR, South Fork RR, West Chester RR and Western Pennsylvania RR were absorbed as of April 1, 1903, and their outstanding bonded indebtedness assumed. The Western New York & Pennsylvania Ry was leased as of Aug 1, 1900. The Pittsburg, Virginia & Charleston Ry was merged as of April 1, 1905, and effective as of April 1, 1906, the South West Pennsylvania Ry and the York Haven & Rowenna RR were absorbed.

On May 1, 1907, the Philadelphia & Erie RR was merged into the main line; and in further pursuance of the policy of acquiring the minority interests in roads in the system, where such acquisition tended to promote efficiency and economy of operation and was to the general advantage, the Bald Eagle Valley RR, Junc. RR and South-west Connecting Ry were absorbed during the year 1908. The Allegheny Valley Ry was merged on April 7, 1910, and the Ridgway & Clearfield RR on April 1, 1911. As of May 1, 1911, the Bedford & Bridgeport Ry and the Bedford & Hollidaysburg RR were consolidated as the Hollidaysburg, Bedford & Cumberland RR, and the latter company on May 20, 1914, conveyed its property to the Pennsylvania RR Co. (see *Manual* for 1914, page 1393). Under the terms of an agreement dated Dec 31, 1912, the Cambria & Clearfield Ry (see *Manual* for 1913, page 5137) was merged, the agreement being filed with the Secretary of State of Pennsylvania, March 31, 1913, on which date the corporate existence of the Cambria & Clearfield Ry was terminated.

In March, 1913, control of the Cornwall & Lebanon RR was acquired, through purchase from the Pennsylvania Steel Co., of Pa., of 10,852 shares of the 16,000 shares outstanding. Since July, 1914, the Northern Central Ry Co. has been operated under a 999-year lease, dated Jan 1, 1911. As of April 14, 1915, the Pennsylvania & Atlantic RR was leased to the Pennsylvania RR; the Pennsylvania & Atlantic RR was a consolidation of the Philadelphia & Long Branch RR, the Pemberton & Hightstown RR, and the Kinkora & New Lisbon RR. On March 9, 1915, stockholders voted to acquire the franchises, property, etc., of the Lancaster & Quarryville RR, Pennsylvania, Monongahela & Southern RR and Lewisburg & Tyrone RR companies, which has since been effected.

Purchase Offer.—The company offered to purchase until Aug 31, 1916, the \$1,177,550 stock of the Harrisburg, Portsmouth, Mount Joy & Lancaster RR Co. at \$105 per share (par \$50) and interest from July 10, 1916. As of Dec 31, 1916, the Pennsylvania RR Co. had acquired \$901,300 of the stock.

Proposed Merger.—At the annual meeting on March 13, 1917, stockholders of the company were to vote on approving the agreement for the acquisition of the property and franchises of the Harrisburg, Portsmouth, Mt. Joy & Lancaster RR Co.

Camden & Burlington County Ry.—This company was formed as a consolidation of the Camden & Burlington County RR., Mt. Holly, Lumberton & Medford RR and Vincentown Branch of the Burlington County RR, under agreement dated May 17, 1915, effective Oct 4, 1915. The consolidated company is leased to the Pennsylvania RR. (see statement on a subsequent page).

York, Hanover & Frederick Ry.—This company was formed as a consolidation of the York, Hanover & Frederick RR and Central RR of Md., under agreement dated April 27, 1914, effective July 6, 1914. The Pennsylvania RR owns the entire \$525,000 capital stock of the consolidated company (see statement on a subsequent page).

Summary of System.—The entire system as of Dec 31, 1915, aggregated (including lines jointly controlled) 12,109.91 miles, including 67 miles of ferries and canals. The Pennsylvania RR Co. directly operates 4,608.04 miles, of which 2,768.66 miles are owned in fee, and the remaining 1,839.38 miles are operated under lease or as agent. In addition it controls, through the direct ownership of, in most instances, a large majority of their capital stocks, the following railroads, which are operated through their own organizations: Philadelphia, Baltimore & Washington RR; West Jersey & Seashore RR, Cumberland Valley RR; Long Island RR; Baltimore, Chesapeake & Atlantic Ry; Philadelphia & Camden Ferry Co.; Maryland, Delaware & Virginia Ry; New York, Philadelphia & Norfolk RR and the following coal companies: Lykens Valley Coal Co.; Mineral RR & Mining Co., and Susquehanna Coal Co. These properties, with the Pennsylvania RR proper, constitute what are known as the Pennsylvania lines East of Pittsburg and Erie—a total of 6,763.79 miles.

The lines West of Pittsburg and Erie are controlled by the Pennsylvania Company, an operating and security holding company, whose entire \$80,000,000 capital stock is owned by the Pennsylvania RR Co. The Pennsylvania Company owns no mileage directly, but operates under leases the following railroads: Pittsburg, Fort Wayne & Chicago Ry and affiliated lines; Pittsburg, Youngstown & Ashtabula Ry; Erie & Pittsburg RR; Cleveland & Pittsburg RR; Toledo, Columbus & Ohio River RR; South Chicago & Southern Ry; Massillon & Cleveland Ry; Cleveland, Akron & Cincinnati RR, and several smaller lines. It furthermore controls through the ownership of all or a majority of their capital stocks the following companies, which are operated through their own organizations: Pittsburg, Cincinnati, Chicago & St. Louis RR (a consolidation in 1916 of the Pittsburg, Cincinnati, Chicago & St. Louis Ry; Vandalia RR, Pittsburg, Wheeling & Kentucky RR; Anderson Belt Ry and Chicago, Indiana & Eastern Ry); Grand Rapids & Indiana Ry and affiliated lines; Waynesburg & Washington RR; Pennsylvania Terminal Ry; Cincinnati, Lebanon & Northern Ry; Ohio River & Western

Ry; Louisville Bridge Co.; Wheeling Terminal Ry, and the Walhonding Coal Co. The Pennsylvania Company also has joint interests in the Central Indiana Ry, Lake Erie & Pittsburg Ry, Pittsburg, Chartiers & Youghiogheny RR, and the Toledo, Peoria & Western Ry.

Steamship Decision.—The Interstate Commerce Commission on May 7, 1915, denied the application of the company for permission to continue the operation of the Erie & Western Transportation Co., a boat line plying on the Great Lakes in which it is interested. The order was effective Dec 15, 1915.

Interests in Companies Outside of System.—In addition to its interests in the foregoing lines, the Pennsylvania RR Co. owned Jan 1, 1916, directly \$17,143,800 of the capital stock of the Southern Pacific Co. On Jan 1, 1916, it also owned directly \$38,573,400 Com. and \$6,320,000 Adjustment Pfd. stock of the Norfolk & Western Ry Co. and through the Pennsylvania Co., \$3,190,500 Com. and \$5,000,000 Pfd.—a total of \$41,763,900 Com. and \$11,320,000 Pfd.

Exchange of \$38,292,400 Southern Pacific Co. Stock for B. & O. Holdings of Penn. RR System.—The Pennsylvania RR Co. on July 16, 1913 issued the following: "The proposed transaction having been approved by the U. S. Courts and Maryland Public Service Commission, the Pennsylvania RR Co. has delivered to representatives of the Union Pacific RR the entire holdings of the system in the stock of the Baltimore & Ohio RR Co.

"Common stock of the B. & O., formerly held by the Pennsylvania and allied lines, was sold at par and a like number of shares of the Southern Pacific were purchased at par. Preferred stock of the B. & O. was sold to the Union Pacific for \$80 per share, the Pennsylvania companies purchasing in return an equivalent value of Southern Pacific stock at par. The total Southern Pacific stock thus purchased by Pennsylvania companies was 382,924 shares. Total amount of B. & O. stock sold by the Pennsylvania was 212,737 shares of Pfd. and 212,736 shares of Com. stock. The actual money consideration was \$80, which Union Pacific paid for an odd share of B. & O. Pfd."

EXCERPTS FROM GENERAL REMARKS IN ANNUAL REPORT FOR 1915.

Mileage.—The mileage of the lines directly operated in 1915 was increased slightly by extending existing branches and constructing new branches. The increase in mileage of lines owned, and the reduction in mileage of lines operated under contracts, is due chiefly to the absorption of the Lancaster & Quarryville RR, Pennsylvania, Monongahela & Southern RR, and Lewisburg & Tyrone Ry, explained in previous reports.

Income Statement.—The total operating revenues for 1915 show an increase of 5% over 1914, but were smaller than those for 1913. Satisfactory conclusions cannot be derived from comparisons with the results of 1914, unless it be considered that in that year and during the early months of 1915, the industries of the Country were suffering from a general depression. Since then, however, nearly all classes of industry in this Country have experienced an increasing prosperity.

While the increase in freight revenues (principally in the merchandise traffic) can be attributed largely to the transportation of supplies for Europe, the advance of approximately 5% in certain merchandise freight rates, referred to in the last annual report, which became effective in the early part of 1915, was also helpful. So far as can be estimated, the advance in these freight rates increased the total freight revenues 2.96%.

Passenger revenue decreased less than 1%. This traffic was affected by the general business depression in the early part of the year, but later it showed improvement. Increases in certain passenger rates offset the reduction in traffic to some extent.

Express revenue was smaller, due to the reduction in the proportion of the gross collections by the Express Company allotted to the company, as indicated in the last annual report.

Operating expenses decreased 1.1% compared with 1914. This decrease was entirely in the transportation expenses, due to an accounting change by which these expenses are relieved from freight charges on the Company's lines for transporting material and fuel used by it; and also to a reduction in the fuel consumed resulting from the more extensive use of locomotive superheaters, and to increased efficiency.

Railway operating income increased 31.2%, compared with the unsatisfactory results of 1914, and 18% compared with 1913.

Dividend income increased largely because of the higher dividends received on the holdings of the Pennsylvania Co. stock, and by reason of the fact that the company, as lessee, received dividends accruing on stocks owned by the Northern Central Ry Co. for the entire year 1915, compared with only six months in 1914.

The increase in income from unfunded securities and accounts is attributable to the interest received on the proceeds of the sale of Consolidated and General Mortgage bonds hereinafter referred to, while the increase in interest on funded debt was caused chiefly by the issue of such bonds.

Rent for leased roads increased principally on account of the payment of a full year's rental under the lease of the Northern Central Ry lines, compared with only six months in the previous year; and by reason of the large increases in the net earnings paid to the Western New York & Pennsylvania Ry Co. and the Belvidere Delaware RR Co., whose properties are operated under leases.

The net income for 1915 amounted to \$42,425,322.32, an increase of \$8,334,557.50, compared with the previous year, out of which appropriations were made to sinking and other reserve funds, cash dividends were paid, aggregating 6% on the capital stock, and certain additions and betterments were provided on lines owned, leased and operated.

The Profit and Loss Account was charged with \$3,885,855.73, consisting principally of the discount and expenses in connection with the issue and sale of General Mortgage bonds, and the cost of replacement betterments on the equipment of the Northern Central Ry Co., which is leased by the company.

Traffic.—The number of tons increased 5.57%, the tonnage mileage 3.37%, while the freight train mileage increased only 0.43%. The average revenue per ton per mile increased 3.57%, and the average revenue per freight train mile increased 6.71%, resulting from the increase in the trainload, the increased merchandise traffic, which bears higher rates than mineral traffic, and the advance in freight rates.

The number of passengers decreased 9.05% and passenger mileage decreased 6.76%. Passenger train mileage, however, could be reduced only 3.00%. The average revenue per passenger per mile increased 5.43% and average revenue per passenger train mile increased 1.5%, both of which reflect, in part, the increased passenger rates.

Steamer Operations to be Discontinued.—In the enforcement of the provisions of the Panama Canal Act, the Interstate Commerce Commission, acting under its discretion conferred by that Act, has declined to permit the further operations of certain steamer lines, operated by or in connection with various Railway Lines.

The managements of the following named companies, aided by this Company, endeavored, but without success, to retain the operation of their steamers in connection with the railway lines in the System, in the belief that they were necessary to accommodate the public.

The Commission issued an order which in effect required the Erie & Western Transportation Co. (the stock of which is owned by this Company) to discontinue the operation, in connection with the system, of its steamers on the Great Lakes, effective Dec 15, 1915, and that company accordingly discontinued operations and sold its steamers, and expects to sell, or otherwise dispose of, its remaining property when satisfactory offers can be obtained.

The Commission also issued another order requiring the Baltimore, Chesapeake & Atlantic Ry Co. to discontinue the operation of nearly all of its steamers on Chesapeake Bay, effective April 1, 1916, and the Maryland, Delaware & Virginia Ry Co., a company affiliated in interest with the Baltimore, Chesapeake & Atlantic Ry, to discontinue the operation of its Chester River steamers on the Eastern Shore of Chesapeake Bay. The continued operation of the steamers of the latter company, and of the Baltimore, Chesapeake & Atlantic Ry Co. on the Western Shore of that Bay, is subject to further investigation by the Commission. The practical result of these orders may require both companies to dispose of their steamers, wharves and facilities, except those necessary for their railway ferry service.

Capital Stock and Funded Debt.—On Dec 31, 1915, the company had 93,768 stockholders, whose average holdings were 106 shares.

The funded debt was increased by the issue of the following bonds:

Consolidated Mortgage 4½% coupon gold bonds, due August 1, 1960.....	\$49,000,000
General Mortgage 4½% gold bonds, due June 1, 1965, Series "A".....	\$65,000,000
Less—	
General Mortgage 4½% gold bonds, due June 1, 1965, purchased for Company's funds.....	625,000— 64,375,000
By decrease in amounts held by the company and its funds:	
Sale of Junction RR Co. General Mortgage 3½% bonds, due April 1, 1930.....	18,000
	<u>\$113,393,000</u>

Reductions in the funded debt were as follows:

By redemption through sinking funds of:	
Consolidated Mtge. dollar bonds, 4%, due May 1, 1943.....	\$12,000
Sunbury, Hazleton & Wilkes-Barre Ry. Co. First Mtge. 5% bonds, due May 1, 1928.....	25,000

\$94,329,236

The General Mortgage, to which reference was made in the last annual report, was duly executed and recorded. Under its terms, provision has been made for the refunding of all underlying mortgage debts of this company, as stated in the General Balance Sheet, including those on properties of acquired companies, the payment whereof has, by agreement with the Trustees of the respective mortgages, been assumed by the company. In accordance with the authority granted by the stockholders at the last annual meeting, the company issued and sold thereunder the \$65,000,000 of 4½% bonds on a 4.72% interest basis. The sale of these bonds and of the \$49,000,000 Consolidated Mtge. 4½% bonds, referred to in the previous report, furnished the money to refund the \$86,827,000 Convertible bonds that matured Oct 1, 1915, to meet other maturing obligations, and to make additions and betterments to the railroad and equipment.

Leases, Acquisitions and Consolidations.—Effective Feb 25, 1915, the Philadelphia & Long Branch RR, Kinkora & New Lisbon RR and The Pemberton & Hightstown RR Cos., three of the New Jersey Branch Lines, were consolidated, and now constitute the Pennsylvania & Atlantic RR Co., which is owned and leased by the Pennsylvania RR Co.

On April 21, 1915, The Millstone & New Brunswick RR Co., another New Jersey Branch Line operated by the company, was dissolved, and its railroad and facilities were purchased at public sale by the company for the United New Jersey RR & Canal Co., of which the company is the Lessee, and became a branch of the main line.

Effective Oct 4, 1915, the Camden & Burlington County RR Co., the Vincentown Branch of the Burlington County RR Co., and The Mount Holly, Lumberton & Medford RR Co. were consolidated, and now form the Camden & Burlington County Ry Co., which is operated under lease by the company.

Road and Equipment.—The expenditures for the acquisition of additional property during the year were principally for the elimination of grade crossings in Philadelphia, Johnstown, Homewood and Wilksburg; improved yard and freight facilities at West Philadelphia, Greensburg, Unlontown, Pitcairn and Sharpsburg, and changes of line and grade on the Allegheny and Conemaugh Divisions.

The electrification of the main line suburban zone from Broad Street Station to Paoli, explained in previous reports, was completed, and the operation of multiple-unit electric trains was inaugurated Sept 4, 1915.

With the view of adequately providing for the accommodation of traffic, the company early in the year availed itself of the opportunity to purchase new equipment so as to take advantage of the low prices prevailing at that time for labor and material, by ordering for the lines east of Pittsburgh 144 locomotives, 146 passenger cars and 9,745 freight cars, all of which were for replacement account.

The proposed electrification of the main line across the Alleghany Mountains, between Altoona on the eastern slope and Conemaugh on the western slope, referred to in previous reports, received further consideration. Electric traction would facilitate the heavy traffic movement on this difficult section of the main line and effect a saving in operating expenses, but the company prefers to obtain the benefit of the experience of other lines in the use of electric traction for heavy freight trains, and to see a further expansion of its own revenues before procuring the new capital required for this important project.

It is expected that the construction of the New York Connecting RR, the connecting link in New York City between the Pennsylvania & New Haven Systems, will be completed and in operation in the early part of 1917. In the Fall of 1915 the chords forming the arch of its East River Bridge were connected, and the hangers and floor system are nearing completion. The construction of the adjacent bridges and viaducts over Ward's Island, Little Hell Gate, Randall's Island and the Bronx Kills, with the eastern and western approaches, is proceeding satisfactorily. Rapid progress is also being made on the balance of the main line from Bowers Bay Road to the Long Island RR at Fresh Pond Junc., which is to be used chiefly for freight service.

The masonry work for the double track steel bridge over the Delaware River south of Trenton, for the company and the Pennsylvania & Newark RR, was finished during the year. This latter road will ultimately be extended as a two-track line to a connection with the six-track system near Colonia, N. J., a distance of about 40 miles, with a branch to the New York & Trenton Divisions, in the City of Trenton.

On account of the large increase in the grain business of the Girard Point Storage Co., the stock of which is owned by the company, it was necessary to advance funds to that company to construct additional bins for the elevators in South Philadelphia with a capacity of 1,000,000 bushels.

The total expenditures for Road and Equipment on the owned and leased lines, and on account of the principal of Water Supply Trust Certificates, amounted to \$17,768,951.86. Deducting from that amount \$1,805,117.19, which will be reimbursed by leased lines, leaves a balance of \$15,963,834.67, which was disposed of as follows:

Charged to income, for lines owned.....	\$7,286,849.51	
Charged to income, for leased and branch roads.....	3,239,912.65	
		\$10,526,762.16
Charged to capital account.....		5,278,215.82
Charged to profit and loss.....		158,856.69

Total, as above stated.....\$15,963,834.67

Less: Expenditures not included in the General Balance Sheet:

Construction expenditures on branch roads.....	\$1,529,816.56
Payment on account of Water Supply Trust Certificates.....	478,876.84

2,008,693.40

Increased road and equipment investment.....\$13,955,141.27

The investment in road and equipment was further increased through the absorption of the following subsidiary companies, whose corporate existence has accordingly terminated, and security holdings in these companies were surrendered and canceled:

Lancaster & Quarryville RR Co.....	\$329,626.68
Pennsylvania, Monongahela & Southern RR Co.....	1,848,659.93
Lewisburg & Tyrone Ry Co.....	136,663.51

\$2,314,950.12

Federal Valuation.—The company is co-operating with the Valuation Division of the Interstate Commerce Commission in the valuation of the company's lines. The field and office work preparatory to making a detailed inventory is now nearing completion for the Northern Central Ry, which is leased to the company, and is also under way for parts of the New Jersey Lines. The cost to the company of this work during the year was \$82,081, making the total expenditure to Dec 31, 1915, for this purpose \$145,162. The expenditures on the System Lines East of Pittsburg were \$186,833, and the total expenditures to Dec 31, 1915, were \$292,814.

Return on Property Investment.—Attention is directed to the statement showing the return on the property investment, namely, the amount expended for Road and Equipment placed at the service of the public by the Pennsylvania Railroad Co. and its affiliated lines, viz.: the Philadelphia, Baltimore & Washington RR and West Jersey & Seashore RR and lines directly operated by them. In 1914, on a total property investment of \$1,062,698,652, the net operating income earned was equal to only 3.72%. In 1915 the total property investment was \$1,076,989,236, and the net operating income equal to 4.73% thereon.

(1) \$4,998,000 Consolidated Gold 5s; dated Sept 1, 1879; due Sept 1, 1919; int. on coupon bonds, semi-annually, M & S 1, at Company's office, Philadelphia; on registered bonds, quarterly, March 1, by mail. Coupon and registered, \$1,000. Girard Trust Co., Philadelphia, Trustee. Original issue, \$5,000,000, of which \$2,000 redeemed and cancelled. Issued under the Consolidated Mortgage, dated July 1, 1873, known as a continuing mortgage, which limited the amount of bonds outstanding thereunder at any one time to \$100,000,000. Sinking fund of 1% per annum is to be applied to the purchase of bonds at not exceeding par; if not obtainable at this price, the fund is to accumulate.

Security.—The Consolidated Mortgage is a first lien on main line and various branches of the Pennsylvania RR between Philadelphia and Pittsburg, secured by direct mortgage on about 993 miles of owned main track and on valuable terminals in Philadelphia and Pittsburg, and by the pledge of the lease for 999 years from Jan 1, 1861, of the Harrisburg, Portsmouth, Mount Joy & Lancaster RR Co., covering 52.57 miles of road. It is further secured by the pledge of the lease for 999 years from June 30, 1871, of the properties known as the United New Jersey RR & Canal Co. (excepting a small branch and some real estate connected therewith). The Consolidated Mortgage, therefore, covers, by direct lien and pledge of leasehold interests, railroad lines from Jersey City, N. J., to Philadelphia, Harrisburg and Pittsburg, Pa. In addition, the Consolidated Mortgage is secured by pledge with the Trustee of securities of an estimated cost value of \$54,047,502. Followed by the General Mortgage dated June 1, 1915, which provides for the retirement of this issue. Listed on New York and Philadelphia Stock Exchanges. Interest paid without deduction for Normal Income Tax.

(2) **\$2,561,000 Consolidated Gold 4s**; dated May 1, 1893; due May 1, 1943; int. M & N 1, at Treasurer's offices, Philadelphia and New York. Coupon, \$1,000; principal may be registered. Girard Trust Co., Philadelphia, Trustee. Original issue, \$3,000,000, of which \$439,000 retired through sinking fund to Dec 31, 1915. Issued under the Consolidated Mortgage, dated July 1, 1873. Security and sinking fund provisions as described in the preceding paragraph, the bonds being secured by the same trust deed. Followed by the General Mortgage dated June 1, 1915, which provides for the retirement of this issue. Listed on New York, Philadelphia and London Stock Exchanges. Interest paid without deduction for Normal Income Tax.

(3) **\$3,326,130 Consolidated Sterling 3½s**; dated July 1, 1895; due July 1, 1945; int. J & J 1, at London Joint Stock Bank, Ltd., London, Eng. Coupon (principal may be registered), and registered, £200. Original issue, \$4,850,000, of which \$1,523,870 retired to Dec 31, 1915. Issued under the Consolidation Mortgage, dated July 1, 1873. Secured equally with the bonds described in the two preceding and in the following paragraphs. Followed by the General Mortgage dated June 1, 1915, which provides for the retirement of this issue. Listed on London Stock Exchange. Interest paid without deduction for Normal Income Tax.

(4) **\$39,394,000 Consolidated Sterling and Dollar 4s (\$19,400,000 Sterling and \$19,994,000 Dollar)**; dated May 1, 1908; due May 1, 1948; int. M & N 1, on Dollar bonds at company's offices, Philadelphia and New York, and on Sterling bonds at London Joint Stock Bank, Ltd., London, Eng. Coupon (principal may be registered), and registered, \$1,000 and £200; interchangeable. Girard Trust Co., Philadelphia, Trustee. Issued under the Consolidated Mortgage, dated July 1, 1873. Secured equally with the bonds described in the three preceding paragraphs. No sinking fund provision. Followed by the General Mortgage dated June 1, 1915, which provides for the retirement of this issue. Sterling bonds listed on London Stock Exchange and Dollar bonds listed on New York and Philadelphia Stock Exchanges. First publicly offered in May, 1908, at 96 and interest. Interest paid without deduction for Normal Income Tax.

Stamped Bonds.—In Dec, 1915, a large amount of the above described Consolidated 4% Sterling bonds were purchased in the London market by American interests. These Sterling bonds were stamped payable in dollars, \$1,000 each. In June, 1916, the New York Stock Exchange admitted to list \$8,171,000 of these bonds so stamped, numbered from 63,002 to 82,996, both inclusive, with authority to add the balance of the Sterling issue on official notice that they had been presented and so stamped; similar action was taken by Philadelphia Stock Exchange in July, 1916.

(5) **\$49,000,000 Consolidated Gold 4½s**; dated Feb 1, 1915; due Aug 1, 1960; int. F & A 1, at company's offices, Philadelphia and New York. Coupon (principal may be registered) and registered, \$1,000; interchangeable. Girard Trust Co., Philadelphia, Trustee. These bonds are issued under the Consolidated Mortgage, dated July 1, 1873, known as a continuing mortgage, which limited the amount of bonds outstanding thereunder at any one time to \$100,000,000. The sale of the above \$49,000,000 bonds makes

a total of approximately \$100,000,000 outstanding thereunder, and therefore closes the mortgage. Secured equally with the bonds described in the four preceding paragraphs. Listed on New York Stock Exchange. First publicly offered (\$49,000,000) on Jan 29, 1915, at 103¼ and interest. Interest paid without deduction for Normal Income Tax.

(6) **\$64,375,000 General Gold 4½s**; dated June 1, 1915; due June 1, 1965; int. J & D 1, at company's offices, Philadelphia and New York. Coupon (principal may be registered), and registered, \$1,000; interchangeable. Girard Trust Co. and Wm. N. Ely, Philadelphia, Trustees. Authorized to an amount equal to the outstanding and paid up capital stock of the company; issuable at such interest rates and of such maturities (not, however, earlier than June 1, 1965), as the directors may from time to time determine. Issued, \$65,000,000, of which \$625,000 held in sinking or other funds as of Dec 31, 1915. Issued to provide the company with funds necessary to pay off the balance of the Convertible bonds which matured on Oct 1, 1915. A general lien on all the railroad property and on practically all the leaseholds of the company, including the terminals in Philadelphia, Harrisburg, Pittsburg, etc., subject, however, to prior liens for the retirement of which provision is made in this mortgage. Listed on New York and Philadelphia Stock Exchanges. First publicly offered (\$65,000,000) in May, 1915, at 98½ and interest. Normal Income Tax deducted from interest.

(7) **\$2,000,000 Real Estate Purchase Money Gold 4s**; dated May 1, 1893; due May 1, 1923; int. M & N 1, at Treasurer's offices, Philadelphia and New York. Coupon (principal may be registered), and registered, \$1,000. Farmers' Loan & Trust Co., New York, Trustee. Authorized, \$2,000,000. Bonds are not subject to call before maturity. A first lien on the company's interests in Piers 3, 4 and 5, North River, New York. Listed on New York and Philadelphia Stock Exchanges. Interest paid without deduction for Normal Income Tax.

Annual meeting, second Thursday in April, at Camden, N. J.

Office, Broad Street Station, Philadelphia.

NORTHERN CENTRAL RY (Operated under Lease).—Organized by Articles of Union, effective Dec 6, 1854, between the Baltimore & Susquehanna RR, the York & Maryland Line RR, the York & Cumberland RR and the Susquehanna RR, said Articles of Union having been authorized by the Acts of Consolidation of the General Assembly of Md., dated March 10, 1854, and of the General Assembly of Pa., dated May 3, 1854. In 1863, the Elmira & Williamsport RR and the Shamokin Valley & Pottsville RR were leased for 999 years. The Elmira & Lake Ontario RR is controlled through ownership of its entire \$1,500,000 capital stock and its railroad operated under contract. The York, Hanover & Frederick RR and the York branch of the Pennsylvania RR have been operated under contract since June 1, 1902.

A new lease for 99 years was consummated with the Lykens Valley RR & Coal Co., becoming effective July 1, 1910. The lease provides for an annual rental of \$24,000, equivalent to 4% per annum on the stock, and the necessary corporate organization expenses and taxes.

Lease.—On July 29, 1914, a lease of the railroads, property and franchises of the Northern Central Ry Co., to the Pennsylvania RR Co., for a term of 999 years from Jan 1, 1911, was executed covering all the railroads owned situate in Maryland and Pennsylvania; also all the right, title and interest of the Northern Central Ry Co. of, in and to the following railroads by virtue of certain leases, and under and subject to all and every the terms and conditions prescribed and imposed by each such lease, viz.: Lykens Valley RR & Coal Co., the Summit Branch Mining Co.'s RR, the Shamokin Valley & Pottsville RR Co. and the Elmira & Williamsport RR Co., also all the right, privilege and interest of the Northern Central Ry Co. to operate as Agent, subject to all the terms and conditions appertaining to and governing the agency in each case, the York, Hanover & Frederick Ry Co. and the Elmira & Lake Ontario RR Co.; also all the right, title and interest of the Northern Central Ry Co. to use, subject to all the terms and conditions under which said rights were derived, the tracks of certain other railroad companies. The rental paid under the lease provides for payment of dividends of 8% on the capital stock, interest on bonded indebtedness or other obligations, taxes, and \$5,000 for organization expenses. The lease provides that the bonded debt of the Northern Central Ry Co. shall at no time exceed 50% of its capital stock.

Lease Litigation.—See *Railroad Manual* for 1914, page 1419.

Coal Lands.—The sale was consummated in 1914 to the Susquehanna Coal Co. of the interests of the Shamokin Valley & Pottsville RR Co., Northern Central Ry Co., and the Mineral RR & Mining Co. in the coal lands in the vicinity of Mt. Carmel and Shamokin, Northumberland County, Pa., which were leased by the Northern Central Ry Co. from the Shamokin Valley & Pottsville RR Co. for 999 years terminating on Feb 27, 2862, and sub-let to the Mineral RR & Mining Co. for the unexpired period of the said lease, and the consideration of \$3,126,778 was paid by the Susquehanna Coal Co., \$3,126,500 in its 5% 5-year gold bonds, and the balance in cash.

The \$2,000,000 of Shamokin Valley & Pottsville RR Co. bonds held by the Northern Central Ry Co. were surrendered and cancelled, and the mortgage securing the same, which was a lien on the railroad of that company and on the said coal lands, was satisfied of record.

PENNSYLVANIA TUNNEL & TERMINAL RR (Operated under Contract).—Inc. June 26, 1907, in N. Y. and N. J.; consolidation of the Pennsylvania, New York & Long Island RR Co. and the Pennsylvania, New Jersey & New York RR Co. Company was organized to build the electric division of Pennsylvania RR between New Jersey and Long Island City, the tunnels under the Hudson River, Manhattan Island and East River to a point near Thompson Ave., Long Island City, a distance of 11.81 miles. The New York tunnel extension was practically completed during the year 1910, and on Sept 8, 1910, the East River Division, extending from Pennsylvania Station, New York, into Long Island, was opened for the operation of Long Island RR trains under trackage rights granted by the Pennsylvania RR Co., and the Pennsylvania Tunnel & Terminal RR Co. The opening of the western portion of the extension, from the station, under the North River, to Harrison (Manhattan Transfer), N. J., was completed and opened for traffic on Nov 27, 1910, from which date the entire tunnel extension from that point to a connection with the Long Island RR at Sunnyside Yard, has been successfully operated by the Pennsylvania RR Co. as agent for the Pennsylvania Tunnel & Terminal RR Co. The Pennsylvania RR Co., as owner, will pay any deficit arising from its operation, because it was constructed primarily for the use and benefit of the entire Pennsylvania Railroad System, as an entrance into and through New York City and Long Island. The remaining work on the tunnel extension, Harrison and Sunnyside yards, and the electrical and station facilities and equipment, were completed early in 1911. The Pennsylvania Tunnel & Terminal RR Co. has issued its certificate of indebtedness for \$83,003,410.02, to Pennsylvania RR in settlement for the construction of the New York Tunnel Extension and Station. This certificate, and \$15,000,000 of its full paid capital stock, are included in the detailed list of securities owned by the Pennsylvania RR Co. The balance of the capital stock, namely, \$10,000,000, is owned by the Pennsylvania Company. Line of road: Manhattan Transfer Station, N. J. (Junction with U. N. J. RR), to junction with Long Island RR, Long Island City, New York, 11.81 miles; Harrison Branch (Manhattan Transfer Station to Swift & Co.'s Yard, Harrison, N. J.), 0.91 mile—total, 12.72 miles; second track, 11.81 miles; third track, 4.20 miles; fourth track, 4.20 miles; sidings, 37.75 miles—total track, 70.68 miles.

Capital Stock.—Authorized, \$40,000,000; outstanding, \$25,000,000; par, \$100. Of the outstanding stock, \$15,000,000 is owned by Pennsylvania RR Co., and \$10,000,000 by Pennsylvania Co.

Real Estate Mortgage.—\$20,000 4½% Real Estate Mortgage; dated Dec 30, 1902; due Dec 30, 1907; in F & A 1.

Certificates of Indebtedness.—\$83,003,410 Certificates of Indebtedness; dated Dec 29, 1913; no interest paid. Registered in name of Pennsylvania RR Co. Secured on 11.81 miles of road.

Income Account, year ended June 30, 1916.—Miscellaneous income, \$2,532; interest charges, \$1,350; surplus for year, \$1,182.

RAILROADS CONTROLLED BY PENNSYLVANIA RAILROAD CO., BUT OPERATED BY THEIR OWN ORGANIZATIONS.

BALTIMORE, CHESAPEAKE & ATLANTIC RY CO.

(Controlled by Stock Ownership.)

(See Accompanying Map)

History.—Incorporated Sept 1, 1894, in Md.; consolidation of the Baltimore & Eastern Shore RR Co., Eastern Shore Steamboat Co. of Baltimore City, Maryland Steamboat Co. of Baltimore City, and Choptank Steamboat Co. of Baltimore City. In Feb, 1905, acquired a controlling interest in Maryland, Delaware & Virginia Ry Co., and guarantees its bonds, principal and interest.

Receivership Petition.—In March, 1916, suit was filed in the Circuit Court at Baltimore, Md., asking for the appointment of receivers for company and the Maryland, Delaware & Virginia Ry Co. The cause was stated to be the order of the Interstate Commerce Commission compelling company to discontinue its water routes. Stockholders of the two companies claimed that the suspension of this service practically dissolved the companies. This suit was dismissed by the court.

Proposed Sale of Water Equipment.—As stated in **Manual** for 1916, page 1,448, the Interstate Commerce Commission issued an order, effective April 1, 1916, requiring the company and the Maryland, Delaware & Virginia Ry Co. to discontinue the operation of all their steamer lines to and from the Eastern Shore of Chesapeake Bay, except those necessary for the railway ferry service. As of Dec 31, 1915, both companies were, in consequence of this order, endeavoring to sell the steamers, wharves and other water facilities used in the Eastern Shore service. Although the order did not affect the operation of steamer lines of both companies between Baltimore and points on the Western Shore of Chesapeake Bay, the companies were also contemplating the sale of the water facilities used in this service as it was felt that the operations might be suspended at any time. No sale had taken place of any of the steamships up to Jan. 25, 1917. The order of the Interstate Commerce Commission, providing for the sale of the boats, which was to have been effective April 1, 1916, has been suspended at the request of the patrons of the two companies, and no final decision had been reached by the Commission up to Jan 25, 1917.

Mileage and Equipment, Dec 31, 1915.—Line of road: Ocean City to Claiborne, Md., 87.06 miles; branch, Salisbury to Fulton, Md., 0.55 mile—total, 87.61 miles; sidings, 16.08 miles. Gauge, standard. In addition to its rail lines, the company operates a fleet of 19 steamers from Baltimore to Rues and Freeport, Va., Snow Hill, Denton and Salisbury, Md., and to Seaford, Del.—a total of 1,134 miles of water routes. Total mileage of rail and water routes operated, 1,221.61 miles. Equipment: Locomotives, 14; passenger cars, 36; freight cars, 75; service cars, 4. Total engines and cars, 129. Also owns 13 steamboats and 6 barges.

Capital Stock.—Authorized and outstanding, \$1,000,000 Com. and \$1,500,000 5% cumulative Pfd.; par, \$50. Pfd. stock has preference as to assets as well as to dividends. The Pennsylvania RR Co. owns \$250,000 of the Com. stock and \$432,607 of the Pfd.; the Philadelphia, Baltimore & Washington RR Co. \$250,000 of the Com. and \$454,950 of the Pfd., and the Delaware RR Co. \$250,000 of the Com. and \$278,200 of the Pfd. Transfer Agent, C. M. Lammot, Philadelphia. Registrar, Girard Trust Co., Philadelphia.

Dividends on Pfd. have been paid as follows: 1905, 2%; 1906, 5%; 1909 to 1911, inclusive, 5% per annum; 1912, 2½%; none since.

Bonded Debt.—\$1,250,000 **First Gold 5s**; dated Sept 1, 1894; due Sept 1, 1934; int. M & S, at Broad St. Station, Philadelphia, and at 85 Cedar St., New York. Coupon, \$1,000; principal may be registered. Metropolitan Trust Co., New York, Trustee. A first lien on the entire property. Normal Income Tax deducted from interest.

\$80,000 Equipment Trust Gold 5s; dated March 1, 1912; due \$40,000 each Sept 1, 1916 and 1917; int. M & S 1, at Mercantile Trust & Deposit Co., Baltimore, Trustee. Denomination, \$1,000. Secured on steamers "Dorchester" and "Talbot." Interest paid without deduction for Normal Income Tax.

Real Estate Mortgage.—\$40,000 5% mortgage, due Aug 19, 1919, with option of company to pay off \$5,000 or any multiple thereof at any interest period. Secured on Piers 4 and 4½, Light St., Baltimore, Md.

PENNSYLVANIA RAILROAD SYSTEM

LONG ISLAND RAILROAD COMPANY

(See Accompanying Map)

History.—Incorporated April 24, 1834, in N. Y.; main line, Long Island City to Greenport, put in operation in July, 1844. The Jamaica & South Shore RR was absorbed in 1912. Controlled by Pennsylvania RR Co. through ownership of a majority of the stock, but operated independently by its own organization, under the general management of the Pennsylvania RR Co. The Prospect Park & Coney Island RR Co. is controlled through ownership of a majority of its capital stock, but is operated under 999 years' lease from June 17, 1899, by the South Brooklyn Ry, a subsidiary of the Brooklyn Rapid Transit Co. The Long Island RR Co. controls the Montauk Steam-

boat Co., Ltd., operating a line of steamers between New York and Block Island, Sag Harbor, etc., through ownership of entire capital stock. Also operates ferry lines between Long Island City and the City of New York (Manhattan Borough).

In 1905, the Long Island Consolidated Electrical Cos. was incorporated to serve as a holding company for the securities of various electric lines promoted or acquired in the interest of the Long Island Railroad Co. The company owns a one-half interest in the New York & Long Island Traction Co. and the Long Island Electric Ry. (See *Industrial and Public Utility Volume* for statements of these companies.) For list of securities owned, see statement on a subsequent page.

A new operating agreement for the use of the tunnels and terminal station of the Pennsylvania RR in New York was entered into on July 1, 1912, which provides for the payment by the Long Island RR Co. of a portion of all operating expenses and taxes based on the number of cars and engines handled in and out of the terminal, and in addition a rental for the privileges. Under this contract, the expense for use of terminal was increased about \$75,000 per year.

Financial Plan.—President Peters announced on Jan 25, 1917, that a special committee, consisting of Messrs. Bourne, Lakin, Belmont, Pratt, Oakman and the President of the Company, appointed by the board of directors to confer with the Pennsylvania RR Co., had agreed with that company upon a basis for the readjustment of the finances of the Long Island RR Co. with the view of strengthening its credit and putting it in shape to provide facilities required by the public and demanded by its traffic.

The plan, which depends for success on its acceptance by the minority stockholders, is outlined officially as follows:

(1) The Long Island RR Co. is to issue 20-year 5% Debenture bonds for \$5,202,100 (this being equal to amount of stock held by other owners than Pennsylvania RR Co.).

(2) To issue Common stock for the balance of its debt approximating \$25,000,000. The Pennsylvania RR Co. agree to accept the Debentures and Common stock at par for that amount of debt due to it by the Long Island RR Co.

(3) The Pennsylvania RR Co. is to exchange the Debentures, par for par, for the Common stock of the company held by other owners than itself.

PENNSYLVANIA RAILROAD SYSTEM.

PHILADELPHIA, BALTIMORE & WASHINGTON RAILROAD CO. (THE).

(Controlled by Stock Ownership.)

(See Accompanying Map)

History.—Incorporated Nov 1, 1902, in Del.; consolidation of the Philadelphia, Wilmington & Baltimore RR and the Baltimore & Potomac RR. On Feb 9, 1906, the property of the South Chester RR, 3.74 miles, was formally consolidated with the Philadelphia, Baltimore & Washington RR. During 1913, acquired the entire capital stock of the Baltimore & Sparrow's Point RR.

Jointly with the Baltimore & Ohio RR Co., this company owns the entire \$4,252,000 outstanding capital stock of the Washington Terminal Co., owning an extensive terminal station at Washington, D. C., the same two companies also guaranteeing the \$12,000,000 4% bonds of the Terminal Co. (See separate statement for that company.)

Consolidation.—Under agreement of consolidation and merger dated April 3, 1916, effective Sept 15, 1916, the following companies, the entire capital stocks of which were owned by the Philadelphia, Baltimore & Washington RR, were merged into the parent company: Philadelphia & Baltimore Central RR, Elkton & Middletown RR of Cecil County and Columbia & Port Deposit Ry. (see *Manual* for 1916, pages 1469-71). The outstanding bonded debt of each of these companies was assumed by The Philadelphia, Baltimore & Washington RR Co., with the exception of \$180,000 Philadelphia & Delaware County RR First 5s (an obligation of the Philadelphia & Baltimore Central RR) which were cancelled and \$300,000 of the \$1,800,000 First Gold 4s of the Columbia & Port Deposit Ry Co., which were exchanged for and converted into stock of The Philadelphia, Baltimore & Washington RR Co.

PENNSYLVANIA RAILROAD SYSTEM

WEST JERSEY & SEASHORE RAILROAD COMPANY

(Controlled by Stock Ownership.)

(See Accompanying Map)

History.—Incorporated May 4, 1896, in N. J.; consolidation of the West Jersey RR, Alloway & Quinton RR, West Jersey & Atlantic RR, the Camden & Atlantic RR, Chelsea Branch RR, and Phila., Marlton & Medford RR. The Delaware River RR was absorbed in 1900. The company owns all the lines of the Pennsylvania System in southern New Jersey, including the lines to Atlantic City, Cape May, etc. The line from Camden to Atlantic City, via Newfield, and from Newfield to Millville, about 69 miles, is electrically equipped,

Proposed Lease to Pennsylvania RR Co.—On April 30, 1913, the stockholders voted to lease the properties and franchises to the Pennsylvania RR Co. for 999 years from July 1, 1913, at an annual rental sufficient to pay interest on all the West Jersey & Seashore bonds and other indebtedness, dividends of 6% on the issued and outstanding Com. stock, dividends of 6% on the Special Guaranteed stock, dividends upon capital stock which may be issued under the terms of the lease, interest or dividends upon outstanding stock of the constituent companies under agreement of consolidation of Feb 28, 1896, and expenses of maintaining the corporate organization of the company. The Pennsylvania RR Co. also, as lessee, was to assume the payment of State and Federal taxes which might be levied against the West Jersey property, franchises, earnings or income, and in addition covenanted that it would keep the leased property in good order and condition throughout the term of the lease.

Lease Disapproved.—The New Jersey Public Service Commission on July 23, 1913, disapproved of the above lease to the Pennsylvania RR. The Commission held: (1) That the lease is tantamount to a sale. (2) That under such a transfer as is proposed there is a question as to whether the State would not be deprived of regulating power which it now has over the West Jersey & Seashore. (3) The board suggested that the Pennsylvania RR give a written assurance that it would not plead the rental guaranteed by it in bar of a determination of just and reasonable rates, should such a question arise for adjudication. This the Pennsylvania RR refused to do. (4) The board did not believe that in the absence of some such assurance it should approve a lease with a guaranteed rental in excess of the average dividend paid by the West Jersey & Seashore RR.

The New Jersey Supreme Court on Feb 24, 1914, denied the application to issue a mandamus to compel the New Jersey Public Service Commission to approve the proposed lease. The Court of Errors and Appeals of New Jersey on April 22, 1915, approved the decision of the New Jersey Supreme Court. The directors of the company, therefore, on May 14, 1915, ordered that all action taken respecting the lease be rescinded.

Dividends on Com. stock have been paid as follows: Sept, 1896, to March, 1905, inclusive, at rate of 5% per annum; Sept, 1905, to Sept, 1907, inclusive, at the rate of 6% per annum; 1908, 4%; 1909, March 15, 2%; Oct 1, 2½%; 1910, 5%; 1911, 1912, 1913, 1914, 1915 and 1916, 5% each. Payments are made semi-annually, A & O 1, at Broad Street Station, Philadelphia.

New Stock.—At a special meeting held Feb 4, 1915, stockholders voted to increase the authorized Com. stock from \$10,000,000 to \$13,000,000. Of the new stock, \$1,945,050 was offered to stockholders of record, July 25, 1916, for subscription at par to the extent of 20% of their holdings. The Pennsylvania RR Co. subscribed for its full allotment and also made application to the Public Utility Comm. of N. J. for permission to subscribe to such portion of the new stock as other stockholders might not take up. The proceeds of the allotment were used to retire an outstanding Certificate of Indebtedness for \$1,394,000 and to pay off a floating debt amounting to about \$600,000, incurred for improvement work, making a total of about \$2,000,000 of indebtedness, all of which was due to the Pennsylvania RR Co.

BONDED DEBT.

J & J 1, at Broad Street Station, Philadelphia. Coupon, \$1,000; principal may be registered. Commonwealth Title Insurance & Trust Co., Philadelphia, Trustee. Authorized and issued, \$7,000,000, of which \$720,000 (\$9,000 Series "A," \$334,000 Series "B," \$167,000 Series "C," \$109,000 Series "E," and \$101,000 Series "F,") had been retired by Sinking Fund to Dec 31, 1915. Sinking Fund of 1% of outstanding bonds plus an amount equal to annual interest on redeemed bonds, is payable annually July 1, to be applied to purchase of bonds at or under par; fund to revert if bonds are not so purchasable. A first lien on entire property of company. Listed on Philadelphia Stock Exchange. Interest paid without deduction for Normal Income Tax.

New Mortgage.—At a special meeting held Feb 4, 1915, shareholders approved the creation of a General and Refunding mortgage for \$13,000,000. Of the new bonds sufficient will be reserved to provide for the present First Consolidated Mortgage bonds at maturity. The balance of the \$13,000,000 authorized may be sold from time to time for the completion of elevation work in Camden, and for other improvements and capital purposes. None of these bonds had been issued to Jan 1, 1917.

Stocks Owned, Dec 31, 1915.—Cooper's Point & Philadelphia Ferry Co., \$115,900; Kensington & N. J. Ferry Co., \$94,350; miscellaneous stocks, \$2,445—total par value, \$212,695. Value as per balance sheet, \$165,787.

PENNSYLVANIA RAILROAD SYSTEM

PENNSYLVANIA COMPANY

(See Accompanying Map)

History.—Incorporated April 7, 1870, in Pa.; organization effective as of April 1, 1871. The company owns no mileage directly, but was formed in the interest of the Pennsylvania RR Co. to manage the several companies leased and controlled by the latter located west of Pittsburg and Erie. In addition to lines sub-leased from the Pennsylvania RR Co., the Pennsylvania Company directly controls through stock ownership various other railroad companies described under their own headings in the following pages.

The entire capital stock and bonds of the Chicago, Indiana & Eastern Ry Co. were purchased by this company during the year 1907, and the road, which extends from Converse to Muncie, Ind., a distance of about 43 miles, has by agreement been operated since May 1, 1907, by the Pittsburg, Cincinnati, Chicago & St. Louis Ry Co.

Consolidation of Subsidiaries.—Under agreement of merger and consolidation effective Jan 1, 1917, the Pittsburg, Cincinnati, Chicago & St. Louis Ry, Vandalia RR, Pittsburg, Wheeling & Kentucky RR, Anderson Belt Ry, and Chicago, Indiana & Eastern Ry were consolidated to form the Pittsburg, Cincinnati, Chicago & St. Louis RR. The lease of the Little Miami RR to the Pittsburg, Cincinnati, Chicago & St. Louis Ry and the lease of the Terre Haute & Peoria RR to the Vandalia RR have been assumed by the consolidated company.

Lorain, Ashland & Southern Ry.—During 1916 the Pennsylvania Co. acquired jointly with the Erie RR Co., the capital stock of the Lorain, Ashland & Southern Ry Co. (see *General Index*).

Sale of Steel Cos.—In June, 1901, the Pennsylvania Company acquired control, jointly with the Reading Co., of the Cambria Steel Co. and the Pennsylvania Steel Co., and on Dec 31, 1914, it owned \$22,504,100 of the capital stock of the former, and \$7,388,900 Com. and \$9,158,300 Pfd. stock of the latter company. It was announced on Oct 30, 1915, that William H. Donner, Chairman of the Pennsylvania Steel Co. and President of the Cambria Steel Co., had exercised his option to purchase from the Pennsylvania Co. one-half of the latter's holdings of the Com. and Pfd. stock of the Pennsylvania Steel Co. at prices reported at about \$38 and \$85 a share, respectively. On Nov 12, 1915, Henry Tatnall, V-P., in charge of finance of the Pennsylvania RR, announced that the Pennsylvania Co. had disposed, at private sale, of its holdings of stock of the Cambria Steel Co. to J. Leonard Replogle and associates. It is reported that the Pennsylvania Co. realized a profit of about \$15,000,000 on the sale of its Cambria Steel Co. holdings.

Lake Erie & Pittsburg Ry.—The Pennsylvania Company is interested, jointly with the New York Central RR Co., in this company, which has under construction a line from Lorain to Youngstown, O., with a branch to Cleveland—a total of 120 miles, of which 27.76 miles in operation, from Marcy to Brady's Lake Junc., O. (see *General Index*).

EXCERPTS FROM ANNUAL REPORT FOR 1915.

Income Statement.—The total operating revenues were \$60,857,677.21, an increase of \$6,159,350.22, or 11.26%, as compared with the previous year, due to a marked revival in the latter months of the year in general business activity following a comparatively long period of industrial depression, and resulting in a decidedly increased volume of freight traffic being offered for movement, and partly to the advance in certain merchandise freight rates, which became effective in the early part of 1915. It should be borne in mind, however, that the total revenues for the year 1913, and even for 1912, were considerably in excess of those reported for 1915, as the unfavorable industrial and financial conditions prevailing throughout the year 1914 continued during the greater part of the year 1915. The passenger revenue increased \$334,760.32, or 3.42%, due to an increase in the average miles each passenger was carried and in the average revenue per passenger per mile. There was a decrease of 750,709 in the total number of passengers carried. The increase in mail revenue was due to the quadrennial re-weighing of mails, which showed materially increased weights upon which the compensation is based, the revised rates becoming effective July 1, 1915, and the decrease in the express revenue was due principally to a reduction in the proportion of the gross receipts received from the Express Company.

The total expenditures for maintaining and operating the property were \$41,097,777.70, a decrease of \$526,779.26, or 1.27%, due partly to the enforcement throughout most of the year of the practice of a careful restriction of the expenses to those necessary for efficient and safe operation.

Railway tax accruals were \$3,233,108.43, an increase of \$24,805.85, and were equal to 5.3% of the gross revenues.

The operating income was \$16,522,174.08, and the non-operating income from dividends, interest, rents, etc., amounted to \$10,247,424.05, so that the gross income for the year was \$26,769,598.13. Against this was charged the sum of \$17,065,250.64 for rent of leased roads, interest upon outstanding obligations, etc., hire of equipment and other rents, leaving a net income of \$9,704,347.49, an increase of \$4,976,275.48. This was utilized in paying a dividend of 6% upon the capital stock, in meeting the requirements of the various sinking funds, and in providing for a portion of the expenditures made during the year for improvements and betterments to the leased lines.

Traffic.—The tonnage of the lines directly operated by the Company was 99,153,964 tons, an increase of 14,281,665 tons, or 16.83%, the tonnage mileage 7,283,388,964, an increase of 598,719,950 ton miles, or 8.96%, while the freight train mileage increased only 0.12%. The average revenue per ton per mile increased 5.46%, and the average revenue per freight train mile increased 14.81%, resulting from the increase in the trainload, the increased merchandise traffic, and the advance in certain freight rates.

The number of passengers carried on the lines directly operated by the Company was 13,200,371, a decrease of 750,709 passengers, or 5.38%, the passenger mileage 481,527,674, a decrease of 7,888,900 passenger miles, or 1.61%, although the passenger train mileage could be reduced only 0.71%. The average revenue per passenger per mile increased 5.14%, and the average revenue per passenger train mile increased 2.42%, both of which reflect, in part, certain increased passenger rates.

Capital Stock and Funded Debt.—There was no change in the outstanding capital stock of \$80,000,000 during the year.

The Pennsylvania Company paid and retired the notes for \$12,600,000, mentioned as outstanding in the 1914 annual report, reduced the equipment trust obligations by \$1,698,304.94, purchased \$246,000 of its First Mortgage bonds, making a total of \$1,024,000 of said bonds held; it also retired through the operations of sinking funds, \$1,334,000 of the Gold Loan of 1901 Certificates, \$57,000 of the Series "A," \$115,000 of the Series "B," \$56,000 of the Series "C," and \$115,000 of the Series "D" Collateral Trust Certificates. In addition the Company reduced the outstanding French Franc Loan Certificates, due June 15, 1921, payable in Europe, from \$48,262,543.26 to \$18,053,891.15, and issued new 4½% Gold Loan of 1915 Certificates, also due June 15, 1921, payable in the United States, of which there were outstanding at the close of the year \$27,583,652.62. This exchange of securities was made possible upon advantageous terms to the Company by reason of the disturbed financial conditions existing in Europe due to the war, the new Certificates, principal and interest payable in this country, to an aggregate issue of \$48,262,500, being covered by a Trust Agreement, dated Sept 1, 1915, executed between the Pennsylvania Co., The Pennsylvania RR Co. and the Girard Trust Co. of Philadelphia, as Trustee.

Road and Equipment.—The increase in the investment in Road and Equipment as shown in the General Balance Sheet of the Pennsylvania Company was \$1,709,568.67, principally on account of freight train cars purchased or constructed for replacements, and the equipment of locomotives with superheaters. The increased investment of \$2,117,232.72 upon the leased railway properties represents the improvements and betterments thereon not chargeable to the Betterment Accounts under the leases, and was principally for equipment purchased or constructed for replacements in the locomotive and freight train car equipment.

The expenditures made for account of the leased and operated lines and chargeable thereto for additional facilities were principally for the purchase of dock property at Toledo from the Hocking Valley Ry Co., the construction of a modern brick passenger station at Canton, Ohio, with necessary shelter sheds, subways and driveways, including a separate building for the express business, joint passenger station facilities with the Vandalia RR at Plymouth, Ind., continuation of track elevation work in the Chicago district, installation of manual block signals on portions of the Central System, extension of main, yard, and side tracks, and construction of a modern freight terminal at Chicago consisting of a two-level inbound and outbound freight house on steel and reinforced concrete extending from Polk to Taylor Street with team tracks extending from Taylor Street to Twelfth Street, in connection with which work the old freight house at Polk Street was demolished, a temporary freight house erected south of Taylor Street, and a large amount of grading and foundation work done for the new facilities.

New Union Passenger Station at Chicago, Ill.—The Chicago Union Station Co. commenced work during the year upon its new passenger terminal by undertaking the changes required in the adjacent streets. In order to finance this project it sold \$30,000,000 of its First Mortgage 4½% gold bonds, designated Series "A," and maturing July 1, 1963, guaranteed by endorsement as to both principal and interest, jointly and severally, by the Chicago, Burlington & Quincy RR Co., the Chicago, Milwaukee & St. Paul Ry Co., the Pittsburg, Cincinnati, Chicago & St. Louis Ry Co. and the Pennsylvania Co., in accordance with the terms of an agreement, dated July 2, 1915, between the Station Company and the proprietary Companies. Rapid progress upon the construction work is now expected, as practically all the property necessary for the new station has been acquired.

Securities Owned.—The Pennsylvania Company purchased from the Toledo, Columbus & Ohio River RR Co. \$2,000,000 of capital stock issued by that Company to reimburse its treasury for expenditures made therefrom for additions to its property, and to provide funds for further improvements to be made within a short time; purchased from the Cincinnati, Lebanon & Northern Ry Co. \$600,000 of capital stock issued by that Company in June, principally for the purchase of all the property, real and personal, as well as the capital stock of the Dayton, Lebanon & Cincinnati RR & Terminal Co., the property of which latter company was then merged as of July 1, 1915, with and into the Cincinnati, Lebanon & Northern Ry; purchased from the Cincinnati, Lebanon & Northern Ry Co. in Dec, \$200,000 of its First Consolidated Mortgage 4% bonds issued to provide funds for the retirement at maturity on Jan 2, 1916, of a like amount of its First Mortgage 5% bonds; acquired in exchange for stock and notes of the Buchanan & Northern RR Co. \$823,500 of capital stock of the Monongahela Ry Co., which was formed by the consolidation on July 1, 1915, of the Monongahela RR and the Buchanan & Northern RR; and further increased its holdings of securities by the receipt of \$2,404,600 of Special Betterment Stock from the Cleveland & Pittsburg RR Co., \$39,950 from the Erie & Pittsburg RR Co., and \$364,000 of First General Mortgage 4% bonds from the Pittsburg, Youngstown & Ashtabula Ry Co. in settlement of betterment accounts.

The Pennsylvania Company sold its entire holdings of Cambria Steel Co. stock and of Pittsburg, Cincinnati, Chicago & St. Louis Ry Co. Consolidated Mortgage bonds, Series "J," one-half of its holdings of Pennsylvania Steel Co. Pfd. and Com. stocks, \$1,460,000 of its Southern Pacific Co. stock; \$1,068,750 of its Cleveland & Pittsburg RR Co. Betterment Stock, and \$1,501,350 of its Little Miami RR Co. Betterment Stock. Its holdings of securities were also reduced by the redemption at maturity of \$300,000 Long Island RR Equipment Trust Certificates, \$1,000,000 Pennsylvania RR Water Supply Trust Certificates, \$300,000 Pennsylvania Steel Rolling Stock Trust Certificates, \$1,000,000 Pennsylvania Steel Freight Car Trust Certificates, \$1,000,000 Pennsylvania Steel Equipment Improvement Trust Certificates, and \$2,200,000 Pennsylvania General Freight Equipment Trust Certificates, and by the sale of \$2,000,000 of Pennsylvania RR Water Supply Trust Certificates maturing on Jan 1, 1916, and Jan 1, 1917.

ERIE & PITTSBURG RR (Operated under Lease).—Inc. June 25, 1858, in Pa.; road put in operation Aug 1, 1864. Leased to Pennsylvania RR Co. for 999 years, from March 1, 1870, at rental of 7% on stock and interest on bonds; lease assigned to Pennsylvania Co. on April 1, 1871. Line of road: New Castle to Girard Junc., Pa., 79.56 miles; branch to docks and freight station of E. & P. RR, Erie, Pa., 3.41 miles—total owned, 82.97 miles; trackage (New York Central RR), Girard Junc. to Erie, Pa., 16.76 miles—total mileage operated, 99.73 miles; second track, 24.81 miles; sidings, 80.06 miles. Gauge, standard.

Equipment, Dec 31, 1915.—Locomotives, 65. Passenger cars, 17. Freight cars—box, 90; stock, 1; gondola, 1,835; flat, 13; cabin, 39—total, 1,978. Service cars, 12. Total engines and cars, 2,072.

Capital Stock.—Authorized, \$2,000,000 General Guaranteed 7% stock and \$2,500,000 Special Guaranteed Betterment 7% stock; outstanding, \$2,000,000 General Guaranteed and \$1,716,050 Special Guaranteed Betterment stock; par, \$50. The Pennsylvania Co. owns \$2,200 of the General Guaranteed stock and \$895,550 of the Special Guaranteed Betterment stock. Transfer Agent: J. W. Marshall, New York. Registrar: Union Trust Co., New York. Dividends on both classes of stock are paid quarterly, M, J, S & D 10, at Union Trust Co., New York.

Bonded Debt.—\$3,944,000 General (now First) Gold 3½s (\$2,029,000 Series "B" and \$1,915,000 Series "C"); dated July 1, 1890; due July 1, 1940; int. J & J 1, at Union Trust Co., New York, Trustee. Coupon, \$1,000; principal may be registered. Authorized and issued, \$4,500,000, of which \$556,000 (\$221,000 Series "B" and \$335,000 Series "C") had been retired by sinking fund to Dec 31, 1916. Sinking fund of 1% of the total amount of bonds outstanding is to be set aside each July 1, to be applied to the purchase of bonds at or below par and interest; if bonds are not so purchasable to the extent of the sinking fund amount, then the unused portion reverts to company's treasury. Under an agreement of Nov 1, 1905, the Pennsylvania RR Co., through the Pennsylvania Co., undertakes to provide the sinking fund appropriation of this mortgage, the Erie & Pittsburgh RR Co. to deliver its 3½% Debentures at par for such advances and at the maturity of the General Mortgage to exchange new bonds for these Debentures. To Dec 31, 1916, \$519,050 Debentures had been issued under this arrangement. A first lien on the entire property of the company. Guaranteed, principal and interest, by endorsement by Pennsylvania RR Co. Listed on New York Stock Exchange. Interest paid without deduction for Normal Income Tax.

PENNSYLVANIA COMPANY SYSTEM

PITTSBURG, CINCINNATI, CHICAGO & ST. LOUIS RR CO.

Controlled by Stock Ownership by Pennsylvania Co., But Operated by Its Own Organization.

(See Accompanying Map)

Incorporated Dec 30, 1916, in Pa., Ohio, W. Va., Ind. and Ill., under agreement of merger and consolidation, effective Jan 1, 1917, of following roads: Pitts., Cin., Chic. & St. Louis Ry, Vandalia RR, Pittsburg, Wheeling & Kentucky RR, Anderson Belt Ry, and Chicago, Indiana & Eastern Ry. The lease of the Little Miami RR to the Pittsburg, Cincinnati, Chicago & St. Louis Ry and the lease of the Terre Haute & Peoria RR to the Vandalia RR have been assumed by the consolidated company. The purpose of the consolidation was to obtain the benefits resulting from the operation, accounting, financing and general administration of these properties as a united corporation. The consolidated company assumed the outstanding indebtedness of each of the constituent companies with the exception of \$500,000 Chicago, Indiana & Eastern Ry Co. First 5s (all owned by the Pennsylvania Co.), which were exchanged

at 50 for stock of the new company. The \$1,000,000 stock of the Chicago, Indiana & Eastern Ry Co. received merely a nominal amount (\$100) of stock of the new company. The following table shows the terms of exchange of old stock for new stock:

PITTSBURG, CINCINNATI, CHICAGO & ST. LOUIS RY CO.

(Now Pittsburg, Cincinnati, Chicago & St. Louis RR.)

History.—Incorporated Aug 25, 1890, in Pa., W. Va., Ohio, Ind., and Ill.; consolidation, under agreement dated June 10, 1890, of the Chicago, St. Louis & Pittsburg RR, Cincinnati & Richmond RR, Jeffersonville, Madison & Indianapolis RR and Pittsburg, Cincinnati & St. Louis Ry companies. The Chartiers Ry Co., which on Sept 4, 1907, acquired and absorbed the franchises, corporate properties and credits of the Meadows Land & Zediker RR Co. and of the Western Washington RR Co., was itself consolidated with this company under agreement dated Nov 20, 1907. The Midway & Oakdale Ry, all the capital stock of which was owned by the Pittsburg, Cincinnati, Chicago & St. Louis Ry Co., was merged with that company under agreement dated April 14, 1909.

The Chicago, Indiana & Eastern Ry, connecting with the Logansport Division of this company at Converse, Ind., and extending to Muncie, Ind., a distance of 43 miles, was acquired on May 1, 1907, by the Pennsylvania Co. through the purchase of its stock and bonds, and had since that date been operated by the Pittsburg, Cincinnati, Chicago & St. Louis Ry Co. for the owner, who was responsible for any deficit in the operations.

The Pittsburg, Cincinnati, Chicago & St. Louis Ry Co. owned \$195,950 of the \$200,-550 capital stock of the Waynesburg & Washington RR, and jointly with the Pittsburg and Lake Erie RR Co. the entire capital stock of the Pittsburg, Chartiers & Youghiogheny Ry. For complete statement of securities owned see table on a subsequent page.

Consolidation.—Stockholders of the company voted on Oct 17, 1916, to consolidate, under agreement effective Jan 1, 1917, the following roads into the Pittsburg, Cincinnati, Chicago & St. Louis RR: Pittsburg, Cincinnati, Chicago & St. Louis Ry, Vandalia RR, Pittsburg, Wheeling & Kentucky RR, Anderson Belt Ry and Chicago, Indiana & Eastern Ry. Under the terms of the consolidation, the bonded debt of the Pittsburg, Cincinnati, Chicago & St. Louis Ry Co. was assumed by the consolidated company and the Pfd. stock received stock of the new company at the rate of \$110 new stock for each \$100 of old Pfd. and Com. stock received stock of the new company at par.

LITTLE MIAMI RR (Operated under Lease).—Inc. March 11, 1836, in Ohio; main line completed in Aug, 1846. The Dayton & Western RR, Dayton to Indiana State line, 38.06 miles, is practically owned by the company, and together with the Columbus & Xenia RR (see appended statement), is leased, together with the lines owned directly by the Little Miami RR to the P., C., C. & St. L. Ry Co. (lease assumed by P., C. C. & St. L. RR Co.) for 99 years from Dec 1, 1869, at rental of bond interest, rental of leased lines, 8% dividends on stock and \$5,000 for organization expenses.

The original lease was amended as of May 1, 1899, to provide for the retirement of certain divisional bonds which had matured, and for the acceptance by the lessee in payment for improvements and betterments of 3½% non-convertible bonds in place of 7% bonds convertible into stock of this company. In accordance with the terms of an agreement effective Jan 1, 1907, the provisions of the lease were further modified, providing for the issuance of either bonds or Special Guaranteed Betterment Stock bearing interest or dividends at not exceeding 4% per annum in lieu of the 3½% betterment bonds issued under the amended lease of May 1, 1899.

Capital Stock and Dividends.—Authorized, \$5,000,000 Original and \$5,000,000 Special Guaranteed Betterment stock; outstanding, Dec 31, 1915, \$4,943,100 Original and \$4,313,150 Special Guaranteed Betterment Stock; par, \$50. The \$4,313,150 Special Guaranteed Betterment Stock was issued to the P., C., C. & St. L. Ry Co., as to \$2,422,000, in exchange for an equal amount of 3½% Betterment bonds, dated Feb 1, 1901, and as to \$1,891,150 on account of balance due the P., C., C. & St. L. Ry Co. for betterment expenditures made upon the property of the company up to Dec 31, 1914. As of Dec 31, 1915, the Pennsylvania Company owned \$500 of the Original Stock and \$1,381,500 Special Guaranteed Betterment Stock. Transfer Agents, Special Guaranteed Betterment Stock: Union Savings Bank & Trust Co., Cincinnati. Registrar: Central Trust & Safe Deposit Co., Cincinnati. The Original stock is listed on Cincinnati Stock Exchange.

Dividends of 8-2-5% per annum were regularly paid from 1899 to 1913 on the Original Stock, of which 8% was guaranteed under the lease, and two-fifths of one per cent. was paid from investment fund; dividends on both classes of stocks payable quarterly, March 10, etc., at Cincinnati. In Jan, 1913, dividends were increased to 8-3-5% per annum, the increase being paid from investment fund; first payment of extra one-fifth per cent was made Sept 10, 1913, and since then stockholders have received dividends of 2% on March 10, and 2-1-5% on June, Sept and Dec 10.

Bonded Debt.—\$1,070,000 General (now First) Gold 4s Series, "A"; dated Nov 1, 1912; due Nov 1, 1962; int. M & N 1, at Farmers' Loan & Trust Co., New York, Coupon, \$1,000; principal may be registered. Central Trust & Safe Deposit Co., Cincinnati, Trustee. Authorized, \$10,000,000, the \$1,070,000 outstanding bonds being issued in replacement of \$1,500,000 5% bonds which matured Nov 1, 1912. The balance of the bonds may be issued for permanent improvement and betterments. All bonds issued must bear interest at not exceeding 4% and must be bought at par by the Pittsburg, Cincinnati, Chicago & St. Louis RR Co. No additional bonds will be available until all the Special Betterment 4% stock, authorized under the terms of the lease, has been issued. Guaranteed, under lease, by the P., C., C. & St. Louis RR Co. and the Pennsylvania RR Co. A first lien on entire property, including terminals and land in Cincinnati, assessed at over \$2,000,000; also on the leasehold rights in the Columbus & Xenia RR and Dayton & Western Ry Co. First publicly offered (\$1,070,000) in Feb, 1913, at 97 and interest. Normal Income Tax deducted from interest.

CANADIAN NORTHERN RAILWAY CO.

History.—Incorporated in 1899, in Canada; consolidation of the Winnipeg Great Northern Ry and the Lake Manitoba Ry & Canal Co. The company owns an extensive system of roads in the Provinces of Ontario, Manitoba, Saskatchewan and Alberta and in 1901 subleased from the Manitoba Provincial Government the lines in that province owned by the Northern Pacific & Manitoba Ry, 355 miles, at an annual rental of \$210,000 for the first ten years, \$225,000 for the second ten years, \$275,000 for the third ten years, and \$300,000 yearly thereafter, with an option to purchase for \$7,000,000 at any time. Early in 1911, the Edmonton, Yukon & Pacific Ry was absorbed.

The Manitoba Government has the option to purchase the entire Canadian Northern property in 1929 at its fair value as a going concern.

The Canadian Northern Ontario Ry Co. (formerly the James Bay Ry Co.), Toronto to Port Arthur, Ont.; Toronto to Ottawa and Ottawa to Capreol (the junction with the Toronto-Port Arthur line) and branches, 1,526 miles is controlled by the Canadian Northern Ry Co. through stock ownership. The line between Toronto and Ottawa, 257 miles, was opened for traffic in Jan, 1914, and regular service established between Toronto, Ottawa, Montreal and Quebec. The completion of this section together with the section connecting the Western lines at Port Arthur which was opened for traffic in Nov., 1915, enables the Canadian Northern Ry system to retain a large volume of traffic originating on its lines in the East and West. A line from Toronto, west to Niagara, and connections with Buffalo are planned. In May, 1911, the Dominion Government entered into an agreement with the Canadian Northern Ontario Ry Co. to facilitate the construction and guarantee the financing of a line from Montreal to Port Arthur, to connect there with the present eastern terminus of the Canadian Northern Ry. This arrangement, together with the similar contract entered into in 1910 with the Provincial Government of British Columbia for the construction of a line from the western boundary of the Province of Alberta to the Pacific coast, assured for the Canadian Northern Ry Co. the completion of its original project for the establishment of a transcontinental service.

Completion of Transcontinental System.—The project of a transcontinental system from tidewater to tidewater, referred to in the above paragraph, was completed during 1915, the last rail being placed on Jan 23, 1915, at Basque, 200 miles east of Vancouver. In Sept, 1915, the first train was run from the entrance of the Montreal tunnel to Vancouver.

The Canadian Northern Ry Co. also controls the Canadian Northern Quebec Ry (see separate statement), the lines of which afford the Canadian Northern System entrance to Montreal and Quebec and ultimately to the maritime provinces.

Branch Lines in British Columbia.—In March, 1910, a bill was introduced in the British Columbia Legislature ratifying the provisional agreement of Jan 17, 1910, whereby the Government guarantees the Canadian Northern Pacific Ry Co.'s bonds and other securities to the amount of not exceeding \$35,000 per mile for not more than 600 miles of branch lines in the Province of British Columbia.

Canadian Northern Pacific Ry.—A contract was entered into between this Company (which was separately incorporated on account of necessary arrangements in connection with the proposed issue of securities guaranteed by the Government of the Province of British Columbia) and the Government of British Columbia, for the construction of a line from the Province of Alberta, to the Pacific Coast, a distance, approximately, of 500 miles. This line is now in operation and will prove of tremendous traffic advantage to the Canadian Northern Railway System as a whole.

Mount Royal Tunnel & Terminal Co., Ltd.—This company was originally incorporated Aug 12, 1911, in Canada, as the Canadian Northern Montreal Tunnel & Terminal Co., Ltd., with \$50,000 nominal stock (par \$100), to build terminals for the Canadian Northern Ry in the city of Montreal. On Jan 10, 1914, supplementary letters patent were issued by the Secretary of State of Canada changing its name as above.

Canadian Northern Steamships, Ltd.—This company was incorporated Oct 22, 1909, under the Canadian Companies Act, with authorized capital stock of \$2,000,000 (par, \$100), to operate steamship lines, in the interest of the Canadian Northern Ry Co., on the Atlantic, and ultimately on the Pacific. Steamship service was inaugurated between Montreal, Que. and Bristol, Eng. The Canadian Northern Ry Co. owns the \$2,000,000 capital stock and £600,000 (\$2,920,000) 5% First Mortgage Debenture stock.

Canadian Northern Ry Express Co., Ltd.—This company was incorporated Nov 18, 1910, under the Canadian Companies Act, with \$1,000,000 capital stock, all of which, together with £616,438 (\$3,000,000) First Mortgage 4% gold bonds, is owned by the Canadian Northern Ry Co.

Duluth, Rainy Lake & Winnipeg Ry.—In Dec, 1908, control of the Duluth, Rainy Lake & Winnipeg Ry was acquired. The line extends from Virginia, Minn., north to Fort Frances and is now operated under lease by the Duluth, Winnipeg & Pacific Ry. In connection with the acquisition of this company, there was organized the Duluth, Winnipeg & Pacific Ry, which Co. controls the Duluth, Rainy Lake & Winnipeg Ry and owns and operates a line between Virginia and Duluth, a distance of 81.28 miles. This Company also owns docks at Duluth where valuable sites for terminals have already been secured.

Canadian Northern System Terminals, Ltd.—The terminal and hotel properties are, or as acquired will be, vested in the Canadian Northern System Terminals, Ltd., but will be used by the Canadian Northern Ry System under permanent lease or agreement. The Canadian Northern System Terminals, Ltd., has created first mortgage securities to the extent of \$7,000,000, all owned by the Canadian Northern Ry Co., and deposited with the Trustees for the debenture stock. The entire \$2,000,000 capital stock is owned by the Canadian Northern Ry Co. and pledged under the new 4% guaranteed debenture stock due Sept 1, 1934.

Canadian Northern Town Properties Co., Ltd.—Inc. Oct 22, 1913, in Canada, to acquire land and develop towns on the Canadian Northern Ry System. Except for portions that have already been sold, company has acquired the whole of the sites of about 300 towns and villages aggregating approximately 68,700 acres. Company has also acquired valuable property in 172 other towns and villages. Capitalization: \$10,000,000 authorized capital stock (par 100) and \$10,000,000 4% Debenture stock, secured as a first charge on the entire property of company and on the unpaid installments in respect of land already sold.

Other Controlled or Affiliated Companies.—In 1910, control of the Brockville, Westport & Northwestern Ry, the Central Ontario Ry, including the Marmora Ry & Mining Co., and the Irondele, Bancroft & Ottawa Ry, was acquired by interests affiliated with the Canadian Northern Ry Co. Other companies affiliated in interest are the Halifax & Southwestern Ry and the Quebec & Lake St. John Ry. (For stock ownership in these companies see list of securities pledged under the new 4% Guaranteed Debenture stock, due Sept 1, 1934, on a subsequent page). The Minnesota & Manitoba RR (entire capital stock of which is owned) and the Qu' Appelle, Long Lake & Saskatchewan RR & Steamboat Co. are operated under lease or agreement (see statements appended).

Agreement with Cunard SS. Co., Ltd.—An agreement of great importance in the development of the System's freight and passenger traffic, was made during year 1915-16 with the Cunard Steamship Co., Ltd. Under the terms of the agreement, the Cunard Company has taken over the Atlantic steamers controlled by the Canadian Northern Ry, and a close working alliance is in effect between the two companies, the various Canadian services of the Cunard line and the Canadian Northern having become, in effect, a single transportation unit between Europe and Canada. Steamship services on the Pacific Ocean are also in contemplation.

LAND GRANT DEPARTMENT.

Land sales for the year ended June 30, 1916, were 19,443 acres, aggregating \$318,248.32, an average of \$16.37 per acre. This compares with 9,866 acres sold for \$158,272 in 1914-15, an average of \$15.23 per acre.

In Feb, 1899, an issue of \$2,000,000 of Land Grant bonds was authorized, secured by certain lands. In June, 1909, a further issue of £1,027,400 (\$5,000,013) of Land Grant bonds was authorized, secured by specific lands. Land Grant bonds of 1909 amounting to £571,700 have been retired, leaving £455,700 of the issue outstanding June 30, 1915.

The National Trust Co., Ltd., Toronto, holds cash in deposit in excess of the amount required to retire the issue of 1899 Land Grant bonds, and the deferred payments when collected on the lands actually sold will retire the balance of the issue of 1909 and in addition leave a surplus exceeding \$4,800,000. Moreover, there are 843,127 acres of land still to be sold. In addition to these equities and unsold lands, there has been assigned to the Trustees of these debentures as additional security, \$10,000,000 of shares and \$10,000,000 4½% Debenture stock of the Canadian Northern Town Properties Co.

INVERNESS RY & COAL CO. (Affiliated in Interest).—Inc. in 1902, in Nova Scotia; successor to the Inverness & Richmond Ry Co. Acquired the properties of the Inverness-Richmond Collieries & Ry Co., consisting of coal mines at Inverness, Chimney Corner and Port Hood, in Cape Breton, covering an area of 55,000 acres, held under government lease for 20 years, with renewal rights. Line of road: Inverness, C. B., to Point Tupper, 61 miles; branches and spurs, 4.5 miles—total, 65.5 miles. Gauge, standard. Equipment: Locomotives, 5; cars—passenger and baggage, 4; box, 8; flat, 29; coal, 147; service, 11—total, 199.

Receivership.—On July 6, 1915, J. McGillivray, Gen. Mgr., Inverness, N. S., was appointed Receiver and Manager by the Court of Nova Scotia. The company was unable to pay the interest due May 1, 1915 on its First Mortgage bonds, the reason for this being given as follows: (1) There was insufficient market for coal of the quality produced by the company; (2) There is much slack in the coal produced by the company, only a portion of which could be marketed at the time; (3) High boat freights, resulting from war conditions, has restricted the market for the company's output to the Provinces of Nova Scotia and New Brunswick or to local consumption. It is anticipated that operations of the company will meet expenses during the continuations of operations.

Bondholders' Committee.—The following committee was appointed to look after the interests of First Mortgage bondholders: J. H. Plummer, Z. A. Lash, D. B. Hanna.

Capital Stock.—Authorized and outstanding, \$7,500,000; par, \$100.

Bonded Debt.—\$2,131,000 First Gold 5s; dated May 1, 1902; due May 1, 1922; int. M & N 1, at Canadian Bank of Commerce, Toronto, Ont., and London, Eng. Coupon, \$500. National Trust Co., Ltd., Toronto, Trustee. Authorized, \$3,000,000; the \$869,000 remaining bonds being held as security for outstanding loans. Sinking fund, five cents for every ton of coal sold, payable May 1 each year, commencing in 1903, proceeds to be applied in redeeming the bonds. May 1, 1915, interest defaulted.

Receivership.—The company being unable to pay the coupons due Jan. 1, 1910, submitted to holders of Prior Lien, First and Income bonds a plan for the exchange of their securities. This plan was rejected, and A. J. Gorrie, of Montreal, was on Feb. 7, 1910, appointed Receiver. The General Investors & Trustees, Ltd., provided the funds to meet the April 1, 1910, coupon upon all Prior Lien Bonds deposited with the London Joint Stock Bank, Ltd., and the following committee was organized in London to represent the Prior Lien bonds: Charles A. Hanson, R. L. Hunter, R. W. Cooper, A. W. Machonichie and B. Newgass. Office, 99 Gresham St., London, E. C.

On March 17, 1911, holders of the Prior Lien, First Mortgage and Income bonds, by a large majority, approved a provisional agreement dated Feb. 16, 1911, providing for the exchange of their bonds, with matured coupons, for new 4% Consolidated Debenture stock described below. As of June 30, 1916, there were still outstanding £6,425 First Mortgage and £21,127 Income bonds.

CAPE GIRARDEAU NORTHERN RY (Independent).—Inc. Jan, 1913, in Mo., and on Feb 21, 1913, purchased the Cape Girardeau & Chester RR, Chester, Perryville & St. Genevieve Ry (see *Manual* for 1913, page 277), Cape Girardeau & Thebes Bridge Terminal RR, and Saline Valley RR. Line of road: Ancell to Farmington, Mo., 93 miles; Lithoum to West Chester, Mo., 8 miles; other lines, 3 miles—total, 104.2 miles. Gauge, standard. Equipment: Locomotives, 8; passenger cars, 5; freight cars, 63.

Suit: Louis Houck of Cape Girardeau, Mo., on Feb 4, 1914, filed an intervening petition in the receivership suit of the St. Louis & San Francisco RR to compel the receivers of that company to take over the property of the Cape Girardeau Northern Ry and operate same in accordance with a contract of purchase entered into on Jan 10, 1913, with J. H. Byrd, representing the St. Louis & San Francisco RR.

Decision.—Judge Sanborn in the U. S. District Court at St. Louis, Mo., on June 26, 1915, referred back for examination to a special master the claims of bondholders against the St. Louis & San Francisco RR, on account of the failure of that company to purchase or retire the bonds as agreed by it. The Court held that the St. Louis & San Francisco RR is liable under the agreement, but that the measure of damages to be recovered is only the difference between the par value of the bonds and their market value. The special master submitted a report to the U. S. Circuit Court in Aug, 1916, in which he upheld the claim of bondholders of the Company against the St. Louis & San Francisco RR for \$1,037,368.

Guaranty Upheld.—Judge Sanborn at St. Paul on Nov 29, 1916, handed down a decision in favor of the bondholders of the Company against the St. Louis & San Francisco RR, upholding the guaranty on the \$1,500,000 First Mortgage bonds.

Receivership.—On April 14, 1914, J. W. Fristoe, of St. Louis, Mo., was appointed receiver for the company.

Capital Stock.—Authorized, \$2,500,000; outstanding, \$110,000; par, \$100.

Bonded Debt.—\$1,500,000 First Gold 5s; dated Feb 1, 1913; due Feb 1, 1928; int. F & A 1, at St. Louis Union Trust Co., St. Louis, Mo., Trustee. Coupon, \$1,000. Authorized, \$2,500,000, the \$1,000,000 unissued bonds being reserved for extensions and improvements. Subject to call as a whole only at 102½ and interest on any interest date. A first lien on property.

Receiver's Certificates.—On June 30, 1915, there were outstanding \$93,700 Receiver's Certificates; no details available.

KANSAS CITY, CLINTON & SPRINGFIELD RY (Independent).—Inc. Feb. 12, 1885, in Mo. and Kan.; consolidation of the Kansas City, Clinton & Springfield RR and the Pleasant Hill & De Soto RR. In Sept, 1901, purchased from the Kansas City, Ft. Scott & Memphis Ry Co. the line from Springfield, Mo., to Arcadia, Kan., 85 miles, which, however, was resold to the Kansas City, Fort Scott & Memphis Ry on Nov 1, 1906. Line of road: Olathe, Kan., to Ash Grove, Mo., 154.22 miles; Raymore Junc. to Pleasant Hill, Mo., 8.41 miles—total, 162.63 miles. Gauge, standard. Equipment: Locomotives, 12; passenger cars, 9; freight and other cars, 53.

Capital Stock.—Authorized, \$2,500,000; outstanding, \$1,775,400; par, \$100. Transfer Agent and Registrar: Old Colony Trust Co., Boston. No dividends paid.

Bonded Debt.—\$3,274,000 First Gold 5s; dated Oct 1, 1885; due Oct 1, 1925; int. A & O 1, at Old Colony Trust Co., Boston. Coupon, \$1,000; principal may be registered. New England Trust Co., Boston, Trustee. Authorized issue, \$20,000 per mile. A first lien on 162.63 miles of road, as above. The bonds bear upon their face the guarantee as to payment of principal and interest of the Kansas City, Ft. Scott & Gulf RR. This guarantee was assumed by the Kansas City, Fort Scott & Memphis Ry Co., the successor company, and later by the St. Louis & San Francisco RR Co. (now the St. Louis-San Francisco Ry Co.). Listed on Boston Stock Exchange.

Interest Default.—*Protective Committee.*—Default having been made in the April, 1914, interest on the above bonds, a protective committee was formed consisting of E. V. R. Thayer (Chm.), Alfred D. Foster, F. R. Hart and F. L. Higginson, with Frank H. Damon, as Sec., and Story, Thorndike, Palmer & Dodge, as Counsel. Bondholders were urged to deposit their holdings with Bankers Trust Co., New York, or Old Colony Trust Co., Boston, depositories. In the early part of May, 1914, this interest was paid with funds provided by the Receivers of the St. Louis & San Francisco RR. The Receivers of the St. Louis & San Francisco RR were directed by the court not to pay the interest due April 1, 1915.

Interest Payment.—The above Committee gave notice in Dec, 1916, that the past due coupons for the years 1915 and 1916 from the First Mortgage bonds would be paid forthwith at the Old Colony Trust Co., Boston.

Committee Disbands.—The above Committee gave notice in Dec, 1916, that it was preparing to dissolve and accordingly announced that the bonds deposited would be returned to the owners on surrender of the certificates of deposit. Holders were required to pay \$3.50 per bond on account of the remuneration and expenses of the Committee.

MEXICO NORTH WESTERN RAILWAY COMPANY.

History.—Incorporated Feb 17, 1909, in Canada, as the Mexican Transportation Co., Ltd., name subsequently changed to Mexico North Western Ry Co., and powers of the company extended by a special Act of the Canadian Parliament. The company was organized for the purpose of providing the mining, timber, grazing and agricultural regions of northern Mexico with requisite railroad facilities; also of acquiring and developing timber lands and the carrying on of a general lumber business. With these objects in view, the company acquired and consolidated the Rio Grande, Sierra Madre & Pacific RR; the Chihuahua & Pacific RR, and the Sierra Madre & Pacific RR, comprising 365.4 miles of standard gauge railroad—all of which is now operated by the Mexico North Western Ry Co. The company also owns all the stock of the El Paso Southern Ry Co., giving it valuable terminal facilities in El Paso. In addition, company has acquired timber lands covering an area of about 3,000,000 acres, in connection with which two mills, with a capacity of 125,000,000 feet per annum, are in operation at Madera, the Western terminus of the Chihuahua Division. Additional mills have been completed at Pearson, Mex., with an annual capacity of 240,000,000 feet, and an additional lumber manufacturing plant with an annual capacity of 150,000,000 feet has been completed and is in operation at El Paso, Tex. The company owns the entire capital stock of The Madera Co., Ltd., organized to conduct the lumber business of the railway company. The lumber company owns and operates the mills at Madera and Pearson, and has entire charge of the lumber business in Mexico and elsewhere. The railway company also owns the entire capital stock of the El Paso Milling Co., Ltd., which owns and operates lumber mills in El Paso, Tex.

Mileage in Operation, Dec 1, 1916.—El Paso to Chihuahua, 475.78 miles; Minaca to La Junta, 6.34 miles; San Antonio to Cusihiuriachic, 13.05 miles—total, 495.17 miles. Constructed but not in operation: Chuichupa branch, 1.20 miles; Pearson & Pacheco Ry, 6.34 miles—total, 7.54 miles. The company owns in addition about 100 miles of logging road.

Equipment, Dec 1, 1916.—Locomotives, 36; cars—passenger, 20; freight (box, 442; flat, 397; stock, 59; dump, 19; steel logging, 486; tank, 44; caboose, 9), 1,456—total locomotives and cars, 1,512.

TEMISKAMING & NORTHERN ONTARIO RY (Ontario Government Railway).—This enterprise was authorized in Canada by Act approved March 17, 1902, and amendments June 12, 1903, and April 22, 1904. Line of road: North Bay to Cochrane and junction of the Transcontinental Ry (Grand Trunk Pacific), a distance of 252.29 miles; Iroquois Falls to Timmins, 40.11 miles; Earlton to Elk Lake City, 28.50 miles; Charlton branch, 7.60 miles—total, 328.50 miles; sidings, 110.25 miles. Gauge, standard. Equipment: Locomotives, 43; passenger cars, 61; freight cars, 620; work equipment, 98.

The road is owned by the Government of Ontario and has been built and is now operated by a Commission. The total amount loaned to the Commission up to Oct 31, 1916, was \$21,183,688, towards which the Government has made various issues of bonds, bearing interest at 3½% and 4%. The bonds are guaranteed by the Province of Ontario. The surplus income from operation is to be paid over annually to the Provincial Treasurer, to provide a sinking fund for the redemption of the bonds. This sinking fund is to be invested in such securities as the Lieut.-Governor in Council from time to time shall think proper.

CHICAGO, ROCK ISLAND & PACIFIC RY (see also statement on page 248).—**Settlement Approved**—Former directors Daniel G. Reid and Wm. H. Moore, who were sued on account of losses incurred by the road from the 'Frisco and other transactions entered into while they were active in the management, formally offered through their attorneys at Chicago on Jan 9, 1917, to compromise the claim on terms including the purchase at par of \$5,000,000 of the proposed 6% Pfd. stock, the payment of \$500,000 in cash and the fees, expenses, etc., of the suit. Judge Carpenter at Chicago on Jan 29, 1917, approved this settlement, which ended both the suit of the Amster Committee, filed Feb 2, 1916, and that brought by Receiver Dickinson in April, 1915, against the directors named and their associates.

Plan Declared Operative.—The Joint Reorganization Committee on Feb 1, 1917, gave notice to holders of Certificates of Deposit for Stock or Debentures issued under the Plan and Agreement of Reorganization, dated Nov 14, 1916 (see pages 252 and 253), that the plan had been declared operative. About 95% of the Debentures and over 96% of the stock had up to that date assented to the plan and since Feb 1, 1917, additional deposits of stock and Debentures have been received only at the discretion of the Joint Reorganization Committee.

Assessments Called.—The Joint Reorganization Committee on Feb 1, 1917, called for payment on March 3, 1917, the first installment of \$10 in respect of each share of stock deposited, the second installment of \$10 per share on April 3, 1917, and the third installment of \$20 per share on June 14, 1917. Payment in each case must be made to the Depositary by which the Certificates of Deposit were issued (Bankers Trust Co., New York, or First Trust & Savings Bank, Chicago), in current New York or Chicago funds according to the place of deposit.

CHICAGO, TERRE HAUTE & SOUTHEASTERN RY (see also statement on page 277).—**Income Interest Payment**.—Interest on the Income Mortgage 50-year bonds has been declared payable at the rate of 1¼%, or \$12.50 on each \$1,000 bond, on account of the installment of interest, represented by coupon No. 10, bearing date of Sept 1, 1913, and will be paid at the First National Bank, New York, or at First Trust & Savings Bank, Chicago, on or after March 1, 1917.

COAL & COKE RY (see also statement on page 299).—**Separation of Coal Properties**—Separation of the coal and railway properties heretofore owned by the company and the Davis Colliery Co. was announced Feb 2, 1917, by Secretary C. M. Hendley. The Roaring Creek & Belington RR, formerly owned by the Davis Colliery Co., and leased to the Coal & Coke Ry Co., has been acquired by the latter. The West Virginia Coal & Coke Co., a new corporation, will take over coal lands and collieries of the Davis Colliery Co. and the Coal & Coke Ry Co.

DALLAS & WACO RY (see also statement on page 565).—**Bondholders' Committee**.—In Feb, 1917, the following committee consented to act for the protection of the First Mortgage 5% bonds: Theodore H. Banks, Chairman; Henry E. Cooper, Frank S. Gannon and Wm. C. Langley, with Martin S. Watts, as Sec., 115 Broadway, New York, the Equitable Trust Co., New York, as depositary, and Gannon, Seibert & Riggs, New York, as counsel. Holders of bonds were asked to deposit the same with depositary.

DENVER & RIO GRANDE RR (see also statement on page 325).—**Answer Filed.**—The company on Jan 25, 1917, filed its answer to the amended and supplemental bill of complaint recently presented by the Equitable Trust Co., New York, which is seeking to compel the Denver & Rio Grande RR Co. to pay interest on an issue of Western Pacific Ry Co. First Mortgage bonds. Denial is made in the answer that the Denver & Rio Grande RR Co. was or is under liability for payment of any amount whatsoever on account either of interest or sinking fund on the Western Pacific Ry bonds.

The purchase price of the new bonds is 90 and accrued interest. The balance due on June 20, 1917, after making interest adjustments from March 1, 1917 and after allowing interest on the first installment from June 26, 1916, is at the rate of \$725.31 on each \$1,000 bond. Any depositor was allowed to pay his subscription in full on or before Feb 15, 1917, but not after that date.

PANAMA RAIL ROAD COMPANY.

(Owned by U. S. Government).

History.—Incorporated April 7, 1849, in N. Y., and obtained concessions from the United States of Columbia, now the Republic of Columbia, extending until 1966, under which it paid \$250,000 per annum to cover taxes and other government charges. In 1880 these charges were capitalized by the issue of \$3,000,000 subsidy bonds, due in 1910, and the government subsidy of \$225,000 per annum was pledged until March, 1908, to meet interest on the bonds and provide for their retirement through sinking fund. By Act of Congress, the company was relieved from the payment to the U. S. Government "in accordance with the treaty with Panama of the annual subsidy of \$250,000 as provided by the concession granted by the U. S. of Columbia. The sums theretofore advanced by the U. S. Government were decreased by payment Aug 1, 1910, of \$100,000, making total payment on account, \$937,715, leaving a balance due of \$3,247,332. By Congressional enactment (approved March 4, 1911), the company was released from further payments on account of principal or interest upon its indebtedness to the U. S. Government, for which, however, until further action the company is still held accountable.

Under specific authority from its owners the Panama RR Co. has undertaken without cost to itself to survey for account of the Republic of Panama a route for a railroad to be built by that Government between Panama and Chiriqui on the Pacific Coast, a distance of about 300 miles.

Regarding the policy of the company as related to the opening of the Panama Canal to commerce, the Directors, after consideration of the topic in conference with the Secretary of War, the company's principal shareholder, decided to continue to operate both the railroad and steamship lines. In view, however, of the completion of the Canal and the consequent diversion to be expected from rail to water-borne transportation across the Isthmus of all cargo from points beyond on the Pacific Ocean, together with the fact that it was desirable to insure the successful operation of the canal when completed, by eliminating competition, it was arranged to discontinue through-billing relations with the railroad's foreign and domestic steamship lines. Accordingly, notice was served on all the lines interested that these relations would be discontinued 90 days after the practical opening of the Canal (Aug 15, 1914). Steamship service via the Canal will entirely replace in future the through service furnished for many years by Panama Rail Road.

Control.—In May, 1904, the United States Government purchased \$6,887,000 of the capital stock, and has since acquired all of the remainder.

Line of Road.—Colon, on the Atlantic, to Panama, on the Pacific, 47.61 miles; Pedro Miguel to Panama, 7.37 miles—total, 54.98 miles; Atlantic Terminal, 36.52 miles; Pacific Terminal, 20.55 miles; intermediate sidings, 11.37 miles.
